rial, numerously signed by citizens of ensue from allowing the case to pro-New York, asking some recognition, ceed, because the lunatic, if he reby pension or otherwise, of theservices rendered by women during the or stand on what has been done for late war of the rebellion in the capacity of nurses in hospitals and in the field. The Committee on Pensions to which it was referred to the country of the result of the country of the result of the country of the cou ions, to which it was referred, it is 417.) It follows from these cases that thought, will first determine before the Court will permit the action to making a report, how many such be prosecuted in behalf of the lunatic claims it would be necessary to satisby some one representing him, alby some one representing him, alfy in case there should be made a fa- though it is a case in which it seems that he has to make an election, and that being so, the motion to appoint law which has been pending from next friend should be granted, the cause to proceed in the name of the lunatic by his next friend, and upon that being done, the motion to strike from the files should be denied. Ordered accordingly.

—Bismark pronounces Sherman the greatest General of the American civil war, and, according to a private letter received in New York, has made arrangements to entertain him in the most sumptuous style at his are deep-seated in the breasts of almost every Member of Congress, and ere another week rolls round some action will doubtless be taken in the matter.

There is a stream of some the leading military genius of the age, and the other by all odds its matter. man, would afford the philosophic chronicler of passing events a great opportunity to introduce an episode worthy of becoming historical. The meeting of Blucher and Wellington after Waterloo has been celebrated by the brush and pen, but how much more deserving of such celebrity would be the coming together of the two foremost representative men of the Old World and the New?
