AMERICAN WASHER

PRICE, \$5.50. The American Washer Saves Money, Time, and Brudgery. The Fatigue of Washing Day no Longer Dreaded, but Economy, Efficiency, and Clean Clothing, Sure.

In calling public attention to this little machine, a few of the invaluable qualities, (not possessed by any other washing machine yet invented,) are It is the smallest, most compact, most portable, most simple in construction, most easily operated. A child ten years old, with a few hours' practice, can thoroughly comprehend and effectually use it. There is no adjusting, no screws to annoy no delay in adapting! It is always ready for use! It is a perfect little wonder! It is a miniature gjant, doing more work and of a better quality, than the most elaborate and costly. One-half of the labor is fully saved by its nee, and the clothes will last one-half longer than by the old plan of the rub board. It will wash the largest blanket. Three shirts at a time, washing thoroughly! In a word, the ablution of any fabric, from a Quilt to a Lace Gurtain or Cambric Handkechief, are equally within the capacity of this LITTLE GEM! It can be fastened to any tub and taken off at will.

No matter how deep rooted a prejudice may exbecome the last friends of the machine.

We have testimonials without end, setting forth its numerous advantages over all others, and from hundreds who have thrown aside the unwidely, seless machines, which have signly tailed It is no perfect for washing as a wringer is for

it is within the reach of every housekeeper,

\$8.50 All that is asked for this GREAT LABOR SAV-ER, is a fair trial. We guarantee each machine to lo its work perfectly.
