Covernment Heretofore the printmust submit regular estimates, and the public printer will not be allowed to exceed the amount appropriated. This is the first practical reform in the direction of reducing the im-

mense volume of public printing. The Government printing office is the largest in the world, employs over one thousand men and women. and uses printing ink enough to float the largest man-of-war in fur navy, while its annual expense rises to the sum of \$2,000,000. So said Mr. Gar-Reld in the House, and he added: "A train of army wagons reaching threefourths of the way between Washington and Baltimore, and loaded with one ton apiece, would not be able to hold and haul the mass of documents there yearly printed.

SOMEBODY over the signature of "A Veteran" writes a letter to the Radical frem Washington, in which about," &c., and scouts the idea of sitions undergo a competitive examination. Of course we do not know go far toward establishing the belief that he is holding some li tle official position at Washington himself. If so, a little grinding of him in the competitive examination mill, might have the effect of inducing the appointing power at the capital to dispence with his services and order him home: for it seems that he has not intelligence or memory enough to know that General Grant himself which "A Veteran" stigmatizes as people care nothing about." But here is just where this writer labors under a delusión, for the "dear people" do care about civil service reform, and were he to leave his nest at Washington for a little while, and go among them, that fact would soon impress itself upon his understanding. In that event too, he/ would perhaps make the additional discovery that in all questions pertaining to retrenchment and reform the "dear people" would prefer to see the office-holders in the rear and the tax-

THE New York Standard says: Prince Bismarck has printed a notification to the effect that hereafter, in his communications with foreign powers, he will use the German lan. guage instead of the French. The inference that this change is intended for the humiliation of the French nation is unavoidable. It is true that for the past one hundred and thity years French has been almost the ex- clasive language of diplomacy. But it does not seem necessary or desirable that it should continue to be so It is the most natural and reasonable thing in the world that the framers of diplomatic dispatches should wish to use their own language instead of the French. It will be very long, however, before French will altogether cease to be used for diplomatic

THE Pittsburgh Mail still insists Forty - Second Congress. that to Col. Quay, and not to Col. A. K McClure, belongs the honor of orginating the Constitutional Convention movement, and alleges that the former wrote and published in the Radical the first article in its favor. As that point is disputed it seems to us that the Mail can do no less now than obtain and publish in its columns the Quay article to which it which it appeared in the Radical.

WOMEN AS JURORS.

In Wyoming Territory women can vote and serve as jurors. How the thing works is graphically described by a Chevenne letter writer, and we invite attention to the following: "The court convened on Monday morning, and the fluttering caused

court room was apparent on the outsist of one hundred and thirty-two side. Men were curlously standing bers to be apportioned among the sev- court-room to get a glimpse of the House of Representatives are now by C, were seated inside the bar; these law apportioned and elected; the oth- only of the married ladles of the er thirty-two delegates to be apportioned at large to the State, and to be office. As the clerk called the roll, elected as follows: Each elector to the ladies answered to their names vote for sixteen persons if he choose, and blushed. The docket was called and the thirty-two persons having and a murder case selected for trial. the largest number of votes shall be After a day spent in selecting, manœuvering, challenging and passing jurors for cause, a jury was finally completed, with three of these ladies in the lists. Counsel were too gallant court ettiquette in Wyoming. WOMEN AS JURORS.

Three days were occupied in tak-

ing testimony, and the evidence was nearly in when Mrs. H. was taken ill, and pronounced by her family physician too unwell to sit longer on e jury. Nature would assert itself, and Mrs. H. had to be excused, and another juror drawn in her stead .-The testimony was all retaken for the benefit of the new juror, and L. Dayton. The convention called when completed a full week had been occupied in hearing this one case, at an expense to the county of over also met in this city.
\$1,000. As to the prisoner, serious fears were entertained that he would candidates of the old Whig party die on the jury's hands, rather than wait the verdict. It is still an open question whether these jurors are not liable to an indictment for inflicting upon a fellow-being "cruel and unusual punishment, contrary to the statute in sucle case made and provided." However, the prisoner survived a verdict of murder in the first degree. It was then for the first time discovered that one of these jurors was not a citizen of the United States. In their modesty the counsel for the proecution did not presume to ask such an impertenent question. The only course now was for the court to order a new trial. But the prisoner volun- ic National Convention met in the untarily offered to plead guilty to same city, and formally placed in murder in the second degree, and acept a sentence of imprisonment for life rather than endure another trial. This was accepted by the court, and Noyes went to prison for life rather than be tried a second time by a female jury. As to the husbands and children of these female jurors, their
