THE AMERICAN WASHER PRICE, \$5.50. The American Washer Saves Money, Time, and Drudgery.

The Fatigue of Washing Day no Longer Dreaded, but Economy, Efficiency, and Clean Clothing, Sure. In calling public attention to this little machine, a new of the invaluable qualities, (not possessed by any other washing machine yet invented.) are here enumerated:

It is the smallest, ingest compact, most portable, most simple in construction, most easily operated. A child ten years old, with a few hours practice, can thoroughly comprehend and effectually use in There is no dijusting, no seriews to annoy, no delay in adapting! It is always ready for use! It is a principle that wooder! It is a ministure giant, doing more work and of a better quality, than the most elaborate and consity. One-half of the labor is fully saved by its use, and the clothes will hast one-half longer than by the old plan of the rub board. It will wash the largest blanket. Three shirts at a time, washing thoroughly. In a word, the ablution of any fabric, from a Quilit to a Lace Currain or Cambric Handkeichlef, are equally within the capacity of this LITILE GEM! It can be fastened to any tub and taken off at will.
