Good Management.-Thereseems ome have recommended throwing the lothes in the water closet, but there is clothes in the water closet, but there is dauger of rubbing on the scats and thus communicating the disease. It is all to no purpose to wear amulets, sulphur, camphor, assafeetida, carbolic acid, or by any other medium, except actual contact as above stated, notwithstanding 000 more than its current expenses. If the strong odor arising from the person of the sick, and where there is the contact all your preventives are valueless. I have been asked how long before it yould be safe to use articles having been

in contact with the sick, and not proper-ly cleaned. This question cannot be def-initely answered; it might be three nonths or as many years. The only se curity is perfect cleansing or destroying. There is great crueity and want of Christian faith in the doctor or any other per nan faith in the doctor of any other per-son refusing to give the proper attention to the sick, through fear of lusing prac-tice or conveying the disease to others. By attending to the proper precautions the physician may see his small-pox pa-tion and then no his much particular tient and then go to nuother patient without the least danger of carrying the disease. The physician advortises him-self to attend the sick, and even at the risk of losing custom through fear, he has no right to decline attendance on

at Small & Walther's Carriago Factory, Market street, Bridgewater, Pa. For the Beaver Argus, [By request.] THE ORIGIN OF EVIL. BY HOMO.-NO. III.

DEAR EDITOR :- We stated in our la

the had received at Philippi, and some other place, from the enemies of the truth. They had persecuted and shame-fully treated him. Such persons are devils, and all the kind of devils the that we would put our definitions of the origin of evil to the Bible test. We retinued in a state of innocence, evil in no form would have ever entered the world to blast our race as it has done. They would have then been changed, at some future period, to immortal life; but, by runsgression they lost all right to that glorious state. Notwithstanding the solemn prohibition of Jehovab, the fording the feiture was made.

wicked power is the devil that would cas hem, into prison, and is chargeable en-

having been provided thöre. Speaker Rutan said that David Stanton, of Bea-ver county, received a majority of the votes cast for Auditor General, but sat-isfactory ovidence baving been received by the President of this convention and tho Speaker of the House of his death since his election, there is no person in existences to whom a certificate or com-mission can issue. There is, therefore; no person who can be declared elected to the office of Auditor General. Adj. SENATE, February 1.—A bill relative to judicial districts and increasing the supreme Judges to seven, was reported with amendments. The bill providing the batter state of the thore with office or was reported with amendments. The bill providing the there is no person with office of evil, and is tempted of the devit? If James has to judicial districts and increasing the supreme Judges to seven, was reported with amendments. The bill providing the there is no person with office of evil, and is there is no other devit?
