WHEN Congress met on the first of December the Republican opposition to General Grant's renomination "seemed no larger than a man's hand." At about that time, a number of heavy defalcations on the part of office-holders were reported, and the independent Republican press, together with a number of Republican United States Senators, insisted upon[®] a general and thorough investigation of alleged abuses. This was resisted by Conkling, Chandler, Cameron, & Co. ; and at once nearly the whole tribe of office-holders from Majne to Louisiana, opened their batteries upon these claimants for official mitted hari kari on her with a pitch integrity, and abused them as no -class of men in this country were ever abused before. Not content with calling them the most offensive names they could think of, they must

forsooth undertake to read them out of the Republican party. Well, after "running on" for two months, we let the Washington correspondent of the New York Tribune of Feb. 6th,

wingth before the people. Col. Formey of Philadelphia is in the city to day a private business. In conversation he speaks erri despondingly of tirant's chances of renomnation and doubts very much if Philadelphia even will support him Other reports from other even will support him Other reports from other States are to the effect that Graut stock is declineverywhere, and that all that is now wesary for his defeat is a concentration of the npent Republicans on some strong honest structions.
