minative, Nutrition, Laxative, Diurcite, Sedative, Counter-Iritant, Sudorific, Alterative, and Anti-Bihous.

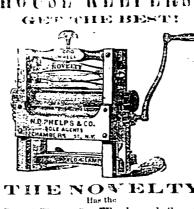

The Aperient and mild Laxative properties of Dr. Walerr's Vinedar Bitters are the best safe-guard in all cases of eruptions and malignant fevers, their balsame, healing, and soothing properties protect the humors of the fauces. Their Sedative properties allay pain in the nervous system, stomach, and bowels, either from inflammation, wind, coile, cramps, etc. Their Counter-Irritant influence extends throughout the system. Their Anti-Bihous properties stimulate the liver, in the secretion of bile, and its discharges through the bihary ducts, and are superior to all remedial agents, for the cure of Bihous Fever, Fever and Ague, etc. Fortify the body ngainst disease by purifying all its fluids with Vinedar Bitters. No epidemic can take hold of a system thus forcamed.

Directions.—Take of the Bitters on going to hed at night from a half to one and one-half vine-glassfull. Eat good nourishing food, such as beefsteak, mutton chop, venison, roast bref, and vegetables, and take out-door exercise. They are composed of purely vegetable ingredients, and contain no spirit.
