Some people are under the impression

Dr. Franklin once said. "Keep your shop and your shop will keep you," This holds good in any business, whether it is in the shop or profession. There is nothing so important to advance a man's trade or build up his reputation, besides honesty, as close application to his business. Only in anthour's or a few minutes' negligence during business hours he may lose a bargain which he might have made, had he attended to his affairs properly. Men generally go where they will be watted the soon, and if they do not find it so in one place they will go elsewhere to deal.
