JUNIUS, JR.

Dr. Eagleson is mistaken in supposing us to mean or say that less ovidence i required to sustain a charge in an eccle stastical than in a civil court. Another reading will convince him that our refer ence was wholly to the nature and as

pect of the crime, or crimes, as contem lated from a religious or a civil point o view. In one case the law of God and the tyles of the church are to be applied to the question of moral character and church relations; in the other the wh matter lies within the sphere of civil law, and the statute may be enacted, changed or abolished at the will of the legislature-a body unfortunately of too fountful character, to intrust in their hands the regulation of rules to govern the trial of offences sgainst the laws of God. We believe that our law conceru-
