Special inducements to customers from a dis-ance, [nov15-ly;chdgapr 17. SELECT MISCELLANY. HEMARKABLE ESCAPE PROM SIBBHIA. Escape of exiles from Siberia are very rare. The most recent. as well as one of the most remarkable, took

place in 1846. Its hero was M. Rufin Piotrowski, a Pole, who having taken part in the revolt of 1831, left his native land, and after resiging in Paris for many years, ventored to return as the emissary of hit exiled countrymen. Passing himself as one teacher of languages, he remained about nine months in Kamieniec, in 1843, and after a short trial was sent to Siberia. There he was herded with convicts of the lowest order, and forced to perform the most arduous and repulsive labor under the super-

determined to resist the inflction of corporal punishment at the hazard of his own life or of others. His inustry and general good behavior Ekaterinski-Zavod. This office was spirits, and among then were peas-

Tartars, Jews and Kirgheez. By making inquiries of these men he acquired an influence strowth of the various parts of Siberia, which was of seat value in forming was kloit-kas sent in pursuit of him. At daybreak they started again, and found the right road, to the great deplan rescape. His condition was lived in a cabin with two of his countrymen. His new quarters, though far from comfortable, were infinitely better than the old, though the constant presence of a guard of soldiers whom he and his friends had to pay for watching over them Though now in the possession of

Soldatskaia, where, not the plakatny, the only document tains and the steppes of Petchora and capable of disarming the suspicions

Archangel. This being the most unfrequented, was for the reason only. the safest route. It was the shortest for among the numerous foreign vesed, and that every step brought him deliverance. After obtaining all the information possible about the man-

rubles from one of the convicts, who | the gates.

of boots, a fourth shift, a pair of blue too well dressed for an artisan.

trousers, such as are usually worn in Hardly had he got to sleep when

the country in summer, some bread he was awoke by three peasants, who he felt himself tolerably secure. Be-and some dried fish. In the leg of asked to see his passport. After dishis right boot he had concealed a puting their right to make such a passport, he inquired what were the large dagger. His money, which demand, he finally showed them his necessary formalities to be observed. was in notes of four or five rubles, only remaining pass, which could The landlady looked at his shabby was placed in his waistcoat; and in not have imposed on any official, but little pass and, observing the sealhis hands, which were covered with the sight of the seal satisfied these for she could not read-asked him passed, and, hurrying along the road depend in the future wholly on his time to wait her turn among the to Tara, he wondered how far he bed scooped in the ground in Ostiak crowd at the Prefecture. could get before day-break, when his escape would be discovered, and the Ural mountains to Veliki-Ousward.

Hardly had he crossed the Irtish when he heard the sound of a sledge coming up behind; him. Though

him, for they seemed like the pre- three days, and the boats start tomonitions of death, and he struggled morrow morning.' against them with his little remaining strength. The craving for hot food was sometimes so strong that it was very difficult for him to refrain from going into some hut to ! eg for a little Siberian turnip-soup. The solemn silence brooding over the pass-ticket, carefully wrapped in

he vast expanse of snow and ice in these forest solitudes, only broken by a silk handkerchief, after the fashion of Russian peasants; but without tahe cracking of the stones from the intensity of the cold, had a spectral king the trouble to look at it, the her daughter, who stood in front of a effect on the mind of the weary traveler, who yet thought Nature ever in her rudest aspect a kinder friend at seven, and if I am not here, wait than man for she, at least, he quaintly for me; now be off with you.

In crossing the Ural Mountain ost his way in a snow-storm, and, passed a horrible night in the ago-nies of cold and hunger. Enable to away, but immediately returned must see it, mother." sleep he earnestly prayed for death as with a yellow ticket, of the meaning a relief to his sufferings. At day-break he dragged himself along in ed to be ignorant. search of the path, but soon sank ex-hausted at the foot of a tree. The tongue, monjik, and let me manage sleep which in that region is the this affair. forerunner of death had already overtaken him when he was saved by a happened to be a number of drunken trapper who was crossing the forest. After giving him some brandy, bread and dried fruit, which were eagerly moved off. He thought he was in a devoured, the man spoke words of dream. tending to get them changed by the encouragement, and, after showing

landlord, a movement of the crowd him the road leading to a house of Piotrowski's joy at seeing the house in the distance was so great that he would have entered it had he known it was full of gendurmes waiting to arrest him. After reaching the door, he had hardly crossed the severity, and, in order to satisfy the suspendious despotism of the Czar, it a serious matter, but what alarmed and he fell down and rolled under a suspendious despotism of the Czar, it has been also been a in a state of complete insensibility. On coming to he was hardly able to swallow the food given to him by his host, and soon fell into a sleep which lasted twenty-four hours, when the landlord becoming alarmed, roused him. On learning that character assumed by the fugitivegoing to pay his devotions to the holy images of the convent of Solovetsk. near Archangel, the man was unwearied in his attention.

Under this new title which inspired the respect and sympathy of the Russian peasants, the refugee reached Veliki-Oustiong in safety. There he nearer to freedom, now urged him boldly associated with bohomolets, who were waiting in large numbers for the breaking up of the ice of the bite, he mingled with the swarm of Dwina, so as to be able to embark for
