Keep the blood pure, and the health of the system will follow.

Gratefus thousands prociaim Vinegar Bitters the most wonderful Invigorant that ever sustained the sinking system.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: There is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of Medicine, no vermituges, no autheliminities, will free the system from worms like these Bitters.

Mechanical Diseases. Persons engaged in Paints and Minerals, such as Plumbers, Type-aetters, Gold-beaters, and Miners, as they advance in life, will be subject to paralysis of the Bowels. To guard against this take a dose of Walker's Vinegar Bitters once or twice a week, as a Prevenive.

Bittious, Remittent, and Intermit—

To guard against this take a dose of WALKER'S VINEGAR BITTERS once or twice a week, as a Preventive.

Bittous, Remittent, and Internite tent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially the se of the Mississippi, Ohio, Missouri, Ulmois, Tennester, Cumberland, Arkansas, Red, Colorado, Braros, Rio Grande, Pearl, Alabama, Mobile, Savannah, Reanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during sussins of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no catharte for the purpose equal to Die. J. WALKER'S VINKGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Serofules, or King's Extl. White Swellings, Ulcers, Eryspelas, Swelled Neck, Gotter, Strong and Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional Diseases, Walker's Vinegas Bitters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected.

The properties of Dr. Walker's Vinegas Bitters act and all these cases in a similar manner. By purifying the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected.

levers, their balsamic, healing, and soothing properues protect the humors of the lauces. Their Sedaive properties allay pain in the nervous system,
stomach, and bowels, either from inflammation,
wind, colic, cramps, etc. Their Counter-Irritant
influence extends throughout the system. Their
Anti-Bilious properties stimulate the liver, in the
accretion of bile, and its discharges through the
biliary ducts, and are superior to all remedial agents,
for the cure of Bilious Fover, Fever and Ague, etc.

Fortly the body against disease by
purifying all its fluids with Vinegar Bitters. No
epidemic can take hold of a system thus forearmed.

bed at night from a half to one and one-half wineglassfull. Eat good nourishing food, such as beefsteak, mutton chop, venison, roast beef, and vegetables, and take outdoor exercise. They are composed of purely vegetable ingredients, and contain
