rimson high up against the At first it is a reseate glow, Struction. The charmed circle of Tom Harris. With a frontiersman's At first it is a reseate glow, ess and undefined, Then it es a cloud castle, pattlement-l inaccessible, draped in mist ung about with a hovering uncertain one, and the incursions of derstood, and asked no questions. Apaches are governed by no conven-tionality. After long delay and fre-quent smaller thefts, came the final done it in ten minits. Come, get n of changing purple. But as ws whiter and clearer, the quent smaller the data and the data and the down now, won't ye? That pony's about done for, and wy, now, won't ye? That pony's about done for, and wy, now, outlines of a mighty shape r below it, stretching down-toward the earth. What you he lofty pinnacle which has to the post. The presence of the Miss, 'taint no use grieven'. Ye latter was necessary to keep the for-mer from getting drunk and falling catch the Injuns, -not to-day. Till ed first in the dying darkness, issed and glorified in the rosy ugs of all the centuries. It is to be incarcerated in the guard-house. In the perfect peacefulness and seren-ity of the early morning, it seemed impossible that danger and death how tame and Peak, sixty niles away. rs ago, a victim or the nomad-nct, named Lemuel Sims, a ho had forsaken his home in could lie in wait so near. As the old lissouri Bottoms for a goldman dug his heels into the flanks of and horror-stricken woman before og journey to California, and his mule, and Chuck looked compla- him, whose whole soul seemed enaiter many changes, had again d castward, was finally stranded cently back from her seat upon a grossed in a struggle with the calam-pony only less willful than his rider, ity which had befallen her. The he banks of the Arkansas, he banks of the Arkansas, the magic circle of protection i old Fort Lyon. Sims had middle-agod in wandering, d consumed almost the last ns of that dogged energy in class, by the time he reached a the two little dreamed that It was riding beside his daughter. In truth, vcissitudes there had been none like han which it would have been o find any more utterly wanthe had something to say to her con- this. But all his endeavors were the cerning those matters in which girls sensible ones of a practical man. He attractions. But he was not for he had a wife, who had are always unwilling to talk. A his companion in all his jour- confidential conversation with his who had irregularly come in daughter was one of Sim's ungrati-fied ambitions—a thing which, in his vicissitudes. In sending guests which are always un-late years, he had often attempted thick blankets from his horse and me and never turned away, the and as often failed in accomplishing. Inter years, ne ind often failed in accomplishing. Inter barkets from in the shade and so failed in accomplishing. She cared for him, was kind and lov-by the bank-side. Then he made a man's fates had not been kind. at he needed was boys—boys of im hereafter should be made the hers, the Indian fighters, the ters and the poker-players, who ild diligently follow in the foot- \exists of their wild predecessors, and hard and die suddenly. When \exists of march was as follows: First, , a hundred yards in advance, in hand: secondly, two mules dia as oncentration in accomptishing.She cared for him, was kind and lov-ing, but seemed to have no ideas incommon with him; and do what hewould, he could not keep pace withher. When two persons are thus to-gether, there is frequently an uncon-scious idea of thoughts of one in themind of the other, and the girl keptsteadily ahead. But the object wasone which weighed on the old man'smind; and despairing of nearer ap-in hand: secondly, two mulesa hundred yards in advance, in hand; secondly, two mules in old wagon, Mrs. Sims at the behind: thirdly; three cows four sheep. "Chuck ?" ogs; and behind all, two freck-"Well, what is it?" came from and youngest, the darling of the "I want ter know now, honest, y-top young, indeed, for ser-occupied a cozy nest among the fellers which air one or t'tother of lives hold goods, and peeped out them allus 'round our house lookin' beneath the tattered cover, fur you. It looks as though Sairey, beneath and childish content. bein' the oldest, shud hev some kind ad acquired the name of Chuck, of a chance—and she did afore you viated from chicquita-"little growed up-but I rec'on, now, ther's -and amid all the changes no use thinken' uv that till you're h befell her thereafter the name gone. Now, as atween these fellers, to her as part of herself. I'd like to know"—and plaintively— "'pears to me like I've a right to Sims "outfit" was only an inportion of a cavalcade of such know, which uv'em you're goin' to g enough for all purposes of take. I cudent be long a choosin, ef tal society and defence. Months t'was me. W'y Tom Harris is big

assed since the family began this an' hansum, and rides jest forty mile nove. The long summer days every week fur to git a sight uv ye, bassed and the nipping night and I kin tell from that feller's looks that y pasturage were the cause of he'd swim the Arkansas and fight remature ending of the journey. anything fur ye." ing stopped only for a night, had concluded to stay until red as a pansy at the mention of the g, or some other time when a name; but the old man did not see

mof the migratory discase should that, and continued; o them. But the rough house of "But I'm mainly oneasy on ac-on-wood logs Sims made with the count of there bein' two sich. When of his family was a sheltered Tom an' the slick-lookin' feller from which soon became homelike. Maxwell's is here at the same time, e was game in abundance, and they pass looks which means everywas not immediately consumed thing that two sich fellers can do fur post. What was still more un-neither does the old woman. He'd asleep. Finally he hoppled the two at the State Capitol form new allian-or the envelope on the prold man exchanged for groceries to win. I don't like t'other feller; nate, Sims' house was near the do a'most anything, in my opinion, horses to prevent escape, gathered ces. We are not advised as to of travel, and he could indulge an' if you don't make choice at ween some of the vegetables in the deso- whether these gentlemen have for-

safety which was drawn around the quick perception of circumstances "Seems to me, old man, you and military post was an indefinite and and situations of this kind, he unnever come. She needn't slight me a-waitin fur better company. Tom Harris was killed by the 'Paches which burned yer shanty; and that's a fact ye kin think uv at leisure."-And he laughed to himself like a hyena as he went away. Old Sims staggered in to the house where his daughter sat, and dropped into the hands of military minions, be even with 'em if I live, but I've into a seat. Even his weak mind had a conception of the fatefulness knowed as many sich things in my of the tidings he bore, and he hesita-Toni stopped for he had a sense of ted in the task of disclosure.

"Chuck," he said, "do you 'memhow tame and meaningless his rule ber that day you found the Injunefforts at comfort were to the silent trait? She started, and nodded assent. "Do ye'member my talk about them two lovers o' yourn? Eh? Well, Tom ain't a-comin, any more, 'cause he's, -now I can't help it, darter,-Tom's dead." heart before, she changed so slightly at the word. Perhaps she had only noped against hope, having long ago learned as she lay on the couch he had made for her through the Summer sleeplessness and honor and courage knew nothing of what he ought to of a great love would have returned do for the restoration of lost conscihad he been alive. She only arose ousness, and was afraid to try. But with the celerity of habit he took the but she never left it again. The one mighty love of a life in whose sordid surroundings it was the one glimpse of something brighter and happier, was as much reality as though it had been plighted a thousand times. The ancestral courage and hope which had come to her through such degenerate veins helped her to die.

OUR STATE TICKET. picked holes in the ground with his long knife, and whistled softly, and signed and groaned within himself. Tom loved the woman who lay there, and because he loved her he was afraid of her. Most men experience the same feeling once in their

But there had been another and an unseen spectator of all this. We cannot tell by what peculiar conjunction of the planets things fall out in this world as they do. But while Tom was executing his plans of comfort the "slick lookin" feller from Maxwell's" was watching afar off. He came no nearer, because he did not at first understand the situation. The burning building suggested Indians, and he wanted no closer acquaintance with them, should they still be there. But while he watched he saw and sible for the nomination of our presrecognized the two persons, and a pang of jealousy entered his heart. Then he staid away because he desired to husband for future misrepresentation and use the circumstances to which he had been an unseen witness, and finally rode away, baffled, pondered in his cowardly heart some scheme which could harm his formidable rival.

The afternoon passed slowly away. and still Tom Harris kept watch. Occasionally he crept on tiptoe and looked at his charge, She seemed late garden, and stifled a strong man's hunger with radishes, green toma-The face which had been rosy grew thes and oilless lettuce. He could eased in number a hundred fold. man had told his daughter nothing what he wondered to think was, in eiled by the force of circumstance she did not already know; but she is mall garden was enclosed, and me about that by June the fron-man and his family found them-man and his family found them-

tand." It is also true that Gen. Allen came first to the front by a simiat the state cupitor form new athan-ces. We are not advised as to whether these gentlemen have for-

the couch had opened her eyes, and demanded by the popular sentiment cently fell a prey to the devouring heart was not which of the two men her devouring consciousness had of the State. It is due to Gen. Har-element (so-called) in Newton, Mass. their past history. The shanty she would take, but how to get rid of their past history. The shanty is the would take, but how to get rid of the state is ne-they and in truthfulness it is ne-they to state that the commodity ther of them. To her acute mind the deen slumber of grief.
