Grassas (harman, after a full investigation says) our committee have not language sufficient rong to express their disapprobation of so I an outrage, or fitting terms in which to that the disapprobation of an outrage, or fitting terms in which to that the disapprobations who seek to after or excuse the wrong. Active those in official positions who seek to position of excuse the wrong.

Evans collected \$184,168.34 and retains the whole. State officials knew this fact for three each before it became public, and the neglect to report the transaction to the Legislature, is regarded by us a gross dereliction of official duty. Nor can we perceive the necessity for such absolute silence in regard to the whole subject assects to have prevailed in official circles at Harrishurz, until the scrutiny of an intelligent subordinate dragged the whole into the public gaze. We cannot express our disapprobation of the louseness of official routine that placed in the bands of Evans over a million of dollars of valuable assets, without regularing of him any security

sylvania. VHAT GEN. HARTBANFT KNOWS ABOUT IT.
I do not charge that General Hart-ranft originated this scheme, But I do issert that he understood what would e its effects. He knew at the time that the proposition contemplated a repudiation of the judiciary, and that it was meant to centralize in a corrupt ring, powers which could only with nor for Aiding Cumeron in a safety be exercised by the courts, and which the constitution designed never should be exercised by executive officers; and having allowed his name officially to be coupled with such a gigantic scheme is the best evidence f his entire subservieucy to the

ring—a ring that scorns the wishes of the people, regards the judiciary with contempt, estimates legislative bodies by their dollars and cents ralue, and looks upon all executive officers as its mere tools. Can the people, with any degree of safety, trust a man with supreme executive powers who thus lends himself to he machinations of the corrupt?
