SHAVING A MILLIONAIRE. Everybody who lives in New Jersey will recollect Billy Gibbons the his office some twelve months ago millionaire. He was an eccentric and found seated there a young and man, and numerous stories are told lovely lady, of cultivated manners of his freaks. Here is one of them:

It seems that Billy, while in a country village, in which he owned some property stepped into a little and began to lay away his oversome property, stepped into a bar-lor's shorts get shorts. ber's shop to get shaved. The shop was full of customers, and the old get learn could be get shaved. The shop to fair visitor. She said very little durent learn could be get learn could be get shaved.

A customer who was under the which only made her features more barber's bands when the old gentles attractive. Half hesitating, yet barber's bands when the old gentles attractive. Half hesitating, yet a scythe, when his master said: 'We don't cut hay with a scythe down to be an angel," was told by her parameter's bands when the old gentles attractive. Half hesitating, yet a scythe, when his master said: 'We don't cut hay with a scythe down to be an angel," was told by her parameter's bands when the old gentles attractive. Half hesitating, yet a scythe, when his master said: 'We don't cut hay with a scythe down to be an angel," was told by her parameter's bands when the old gentles attractive. Half hesitating, yet a scythe, when his master said: 'We don't cut hay with a scythe down to be an angel," was told by her parameter's bands when the old gentles attractive. Half hesitating, yet a scythe, when his master said: 'We don't cut hay with a scythe down to be an angel, was told by her parameter's bands when the old gentles attractive. Half hesitating, yet a scythe, when his master said: 'We don't cut hay with a scythe down to be an angel, was told by her parameter's bands when the old gentles at the scythe has been an angel, was told by her parameter at the scythe at the the razor," in an undertone, if he doctor began: knew who that was? and, on receiving a negative reply, he informed him, in a whisper, it was "Old Billy The

tate?' "Gad," said the harber, "I'll charge ly in the eye, she replied: him for his shave." Accordingly after the old man had had the operation performed, he was somewhat surprised upon asking the cian, was considerably nonplussed. price to be told "Seventy-five cents." The lady did not laugh or smile, or "Seventy-five cents!" said he qui-etly "isn't that rather a high price?" dently in earnest, and awaited his "He my price," said he of the lather brush, independently. "and in which neither of them spoke a in which neither of them spoke a

a knock-down argument, for he drew proposition had never been made to three-quarters of a dollar from his him before, and a little time for conpocket, paid them over to the bar-sultation with friends and relatives ber, and left the shop.

A short time after this he was in cordingly he said to her: close conversation with the landford of the conversation was "barbers"

The young lady, wife was sick a long time, and Bill beautiful and charming even in her had a big bill to pay at the doctors; disappointment, quietly left the office then as a last misfortune his shop as gracefully as she had entered it burned down one night, tools, brush-The authorities soon afterward learn es, furniture and all, and no insused of her mental situation and sent "Well," said the old man, pottish- tions of the city.—Louisville Journal. ly, "why don't he start again?"

soul, he hasn't got anything to start | "H -m-m! Where does this man live." asked the old man.

tonsor, who corroborated the landlord's story. "Why don't you take a new shop?" in the block right opposite the other harber's shop."
"What!" said the other, "you must be crazy.

"Why, that block belongs to old Billy Gibbons; he'd never let one of these stores for a barber's shop: they are a mighty sight to good; besides that, I haven't got twenty dollars in the world to fit it up with." "You don't know old Billy Gibtions as well as I do," said the other. "Now listen. If you can have that shop all fitted up, rent free, what will you work in it for by the month?what is the least you can live on?" The proposition somewhat startled the unfortunate hair-dresser, who finally found words to stammer out that perhaps twelve or fifteen dollars a month would be about enough. "Pshaw!" said the old man, "that English students, that a gentleman won't do. Now listen to me-I'll give you that store, rent free, one ance than a cat.

months, all on these conditions. You corner-stone, too many young men year, and engage your services six are to shave and cut bair for everyno pay; just charge it all to me, and and shelter in storm, together with dollars a month, payable in advance stead of the condensed sweat and exthe table before the astonished barber-who, it is almost unnecessary to state, accepted the proposition, and and the means of improvement withwho was still more surprised to learn in their reach should make them, that it was Billy Gibbons himself who had hired him. In a few days the inhabitants of

with new mugs, soaps, razors and perfumes, stood a barber and assist-ant ready to do duty on the heads The people were not long in ascertaining or slow in availing them-

selves of the privileges of this establishment, and it is not to be wondered that it was crowded and the othsome weeks, suspecting this freeshaving-for Bill kept his secret wellwas but a dodge to entice customers equivalent for their blunders. away, who would soon be charged as usual; but when at the end of six weeks he found Billy working away labor, and having money to spend into the bargain, he came to the conprize in the lottery, or stumbled upon a gold mine, and was keeping a barber's shop for fun, so he closed his shop in despair, and left the

Meantime, "Bill Harington" kept on busy as a bee, and one fine morning his employer stepped in, and, shaved; on rising from his seat he cently discovered a brass mine-very ing in coal! Well, his children and asked to see the score for the six rich ore too, he added, when he saw children like his, will jostle your months past. The barber exhibited the Englishman open his eyes with pampered sons and rule this land," it, and after a careful calculation, the astonishment."

never did such a business in my life!" the hotel at Prescott one night, and eminent jurists carry their honor "Well," replied money Bags, "you at supper the landford asked him if with them to the grave. Merchant "Well," replied money Bags, "you have kept the account well. I see I've paid you one hundred and twenty dollars for your services,—all right,—and there are three hundred and thirty charged for shaving all that applied; now, this furniture cost one hundred and eight dollars; ballone due you one hundred and two ditters. It is accursed county with them to the grave. Merchant brinces are obliterated. The reason is clear. The father laid the base of the business one way and the sons another. Men who carned their fortunes by hard work, by, diffigence; that knew sixteen hours toil by personal attention; that were their own book-keepers, sales. dollars. Here it is. Now you oven try, I don't want to have anything this furniture, and are to have this shop rent free six months longer, and after to-day you are to charge depends on the first try. I don't want to have anything to do with." "You've got some followed by sons who do as little as possible; who delegate to others all the work they can, and who know the work they can. the regular price for work, for your and said he had travelled on the Gila, pry from me stops to-day.
