The New York Sun of Wednesday

last, contains a page and a half of interesting developments of the speculative efforts of Hartranit, the Auditor General of this State and Repubrobbers trouble you just yell. That would do more good than your ax.

It would rouse the camp; and if you ghost of Abram Wilder had visited which are of sufficiently starting inwhich are of sufficiently startling inshould be the means of getting them the widow, and left this article that terest to command the attention of ed, are used, thus disguising and the people of this Commonwealth.
The documents appear in an apparently authorite shape, being no less than an autograph letter of John F. Hartranft in his own handwri log.

As the genuingness of this letter has covering up these illicit dealings; aland signed by his own proper signa-ture—an autograph letter of R. W. the publication of the FAC SIMILE sutograph of Hartranft's handwri-

It was far, far in the night. The moon had not risen till eleven, and it was now away up in the bright sky, so that it could look down into the brightest canon. The Wilders had lain awake for hours talking to clear those to the speculators and also in the conductors, the money making enterprise, which, however, ended in loss to the speculators and also in the conductors and also in the conductors, their agent, and scape-goat, and his imprisonment for a term of two years and nine months in the European and threat months in the European and the conductors are included as the conductors are included as the conductors and also in the conductors are included as the conductors and also in the conductors. The water, water, or in the conductors are conductors and also in the conductors and also in the conductors. The water, or in the conductors are conductors and also in the conductors and also in the conductors. The water are conductors and also in the conductors are conductors. The conductors are conductors are conductors and also in the conductors are conductors. The conductors are conductors are conductors are conductors. The conductors are conductors are conductors a He scrutinized it more closely, and The details of these black transactions are of so dark a line that ever "Yes. I'd swear to it. I borrowed the plastic whitewashing of Auditor

not cover them, nor can the most But we have neither time nor space to follow the Sun in its elaborate details. Those who can obtain access richly repaid for their perusal as it "What!" exclaimed Mrs. Wilder will open their eyes to the depravity starting as though she had trodden of public men in high places, and the absolute necessity for reform. The

Sun says : "In attempting to trace the prohad enjoyed that night. But it was not free from dreams. Thus far she had dreamed only of the mysterious robbers of which Tom Cook had told ther; now her visions wandered away back over years. Again she was on the Platte river; again she saw her in the some of the very men I told that I always thought murdered my husband! I know it now, and this that dishonest gains seldom benefit that dishonest gains seldom benefit worthless imitatious. Remember any long that the proposition of these operations, by which the State of Pennsylvania has been so heavily fleeced since her affairs fell into the keeping of these men, the discovery is made at the outset that dishonest gains seldom benefit worthless imitatious. Remember anybody. The Ring early entered that the genuine has the words "R. into some sort of an arrangement V. Pierce, M. D., Sole Proprietor, with a young private banker of Philadelphia named C. T. Yerkes, Jr., wrapper, also has Dr. Pierce's porin whom they had reason to repose trait, name and address on his pri-But here the dream made a digres: week after week, to rob us?" asked to wink at their rascalities, and package. share the profits of their plunders thus placing himself on a footing an indefinite amount of the funds of Joint Resolution Proposing An "Don't know, unless it is his bunky. the State was placed on deposit in

PENNSYLVANIA. Yerkes' hands, to be used by him on speculations for the benefit of Hartranft and Mackey. They may also have placed some of their stolen of Tennsylvania in General Assembly funds in his hands, though I have thus far I have failed to discover that they ever made any considerable private deposits with him. But, alhough the accounts show that their stock transactions amounted to millions of dollars, the margins were as Yerkes swears, drawn from the State funds in his keeping. The impu-

dence of the fellows went further than this. As Commissioners of the Sinking Fund they used that sacred trust for their advantage, buying up the bonds of the State at the best bargains they could make, paying for with Yerkes, and then selling the kn knowned price, and pocketing the profits. The affidavits of Mr Yerkes, printed below, fully establish

SELECT M**IĞCE**LLANY A VISION FROM THE PLAINS. 1 Thrilling Sketc**h 💣 Cal**ifo**rnia life** Early in the summer of 1849 a long emigrant train arrived on the banks of the Platte river on the way to the newly discovered gold regions of

The weary emigrants had accomplished about half the life fourney from the Mississippi Valley to the Pacific coast, but not the weathalf, and they halted on the green trairie till means should be devised to cross the river. with his wife and two children—a girl and a boy—had faced the setting sun to seek an independent home.

He was one of the honest thrifty fellows who like to make money squarely, and who are generally a benefit to any commentity, and it occurred to him a semporary ferry work is a great to him a semporary ferry with a great that must have curred to him a emporary ferry might be made proctable.

Hiring two men of the train, named Maility and Se is to assist him, he felled some cottonwood trees and prepared three calles. These he asked together, covering them with puncheons, and thus forming a float that would sustain the weight of a Thus the ferry was opened, doing a thriving business day and night, money. Was not that enterprise in that wild region? That he might lose no time, he sen his family on with the train, retain-

ing a riding horse, with which he ntended to follow in a few days; and while he accumulated gold and silver, Mrs. Wilder and horschildren traveled on towards the Rocky Mountains. A week-ten days-two weeks passed, and Wilder did not overtake But at last his two hired men. Maility and Sears, came along on horseback, saying that Wilder would come

ahead of the train with singular haste. Abram Wilder was never seen Five years passed. In the summer of 1854 the mining post of Forest Hill in Placer county, Californa, had its population augmented by the arrival of a new family consist ing of a woman, a boy of twelve and a daughter of eight years.

The woman, who had a pale, weary looking face, was Mrs. Wilder, and she had toiled hard for those children during the last five years. She

up the next day; and then pushed on

mento, where she had done washing and all sorts of hard work; but suffering from ague, she had resolved to and Cheapest Stocks, brought direct from the Manufactories for cash, before the recent advance in Leather, and will be sold at the lowest New-York and Boston Prices.
