Our Greatest Specialties:

E. HOWARD & COS VINE WATCHES, he took a better house, put a few articles of neat furniture into it, opened iff—

Only a few of the employees on the corporation were paid quarterly. On the first of January, as Mr. Mason went to the factory just before eight o'clock, he saw the Deputy Sheriff standing at the gate. He was waiting there, probably, so that he could rush in and serve his writ upon the corporation, before the em-

ployees were paid.

Mr. Mason thought of William ton Hall last evening, for the purpose of hearing the graceful and eloquent for the office, opened the safe.

bree hundred dollars a year. just pay the doctor's bill. As the Dollars and cents were the most clock struck eight the porter opened The first person that entered the public side of the counting-room was the deputy sheriff. The head clerk had just taken out the pay-roll and

prepared to pay off the employees.

The sheriff read the writ. "Who?" asked Mr. Kason. "Spike versus Bagg Corporationmoney due to Wm. Taylor," replied the sheriff. "We don't owe Taylor anything."

signature there.
"Very well;" nodded the the sheriff "I thought I was soon enough."

conducted in the usual manner at the office; so he decided to see Mason at once.

That gentleman received him very

Industrial the usual manner at the loud applause, his speech being necessarily brief, as preliminary to Col.

McClure's address.

Mr. Cadwell now introduced the kindly, and took him in his private Colonel in the following words: Gen-

pay you.

"I doubt it, if he has you to keep mission, and have not many of the him out of difficulty." of trouble.

"You shall." "And you trusted for fifty?" "Sixty," "Very well. Taylor is honest. He neans to pay all his debts. Now is it right to lock up nearly all his sala-

"Has he told you so?" "No but he asked me to wait, which s the same thing." "Which only proves his honesty,"

"No; only the face of the bill."
"But I shall have to pay the Sher-

and entreated them not to get trust- ter than the speaker. He could not ted for anything.
They followed allthis good advice, and William and Helen are now decreased Hartranft and Allen unworthy of confidence and support could now sustain models of thrift.

Col. McClure in Fulton Hall. A large crowd of persons of every political complexion gathered in Ful-

sult of either he could see nothing to answer the purpose, for they knew saying he never owned a dollar in makes no material difference as to the thing fell through, and this council October election, buthe held to the gave out that they never dreamed of unmanageable commodities he was the gate and he took his place at the old axiom—"As goes the election in such a thing as changing the State called upon to handle. They were desk. Mr. Mason sat by the stove, October so it will go in November." ticket. The speaker concluded with It always has been so; it will be so an appeal to the citizens of the Old again. He would now discuss the

October, so it will go in November.' issues closely for a brief time. The you approve of this rule, and desire vile tongue of slander has never yet dared to attack the integrity of Hor-ace Greeley or Charles R. Buckalew. But how is it with Hartranft? Can any sane man, who is unprejudiced and fair-minded, read the able review of Hartranft's record and the exposure of his frauds, as given to the public by the Lancaster Express "Show me the pay roll."

The head clerk turned to the roll, and to his surprise found William's fit to be Governor of Pennsylvania. After a review of the difference between the two platforms-for the speaker maintained there was a dis-Of course Spike was mad when the tinctive difference, the one declaring applause, answered: "I am for sheriff reported to him. He was con- for the one term principle, the other fident that the business had not been opposing it-Mr. Bull retired amid

tlemen, the person whom I am now to be interested in a mine; but it has about the State shooting thunder-Col. M. then spoke substantially as follows: A few years ago he had de-

livered a political speech in Lancas-"But he was paid off before the of-ice was opened." ter, from the very stage upon which he now stood, and on that occasion the elognent German orator-Carl "Well; what did you deny it for Schurz-stood by his side, both battling for a common cause, the success of the principles and candidates of "Yes you did."
"Be civil, Mr. Spike, or I shall again to speak upon the same subparty; not against the principles, but in opposition to the corrupt men wno control its party machinery. Has Carl Schurz changed? Had the speaker changed? Has Andrew G. Curtin changed? Have John Hick-

"There we differ. He is a young man, Gen. Moorhead, Gen. Cake, changed? Something has changed? Have men, or have times changed? You will; he is honest, and will Has not the Republican party changed? Has it not forgotten its true best men in the party been driven "I shall endeavor to keep him out from it by the corruption of its lead-

ers. He declared unequivocally in At the large meeting at Columbia able to say in defence:

the affirmative. The Republican on Friday night, Col. M'Clure's most Having had all their other fabrical contents. such tad men that Months hands of salient points were in reference to cations knocked on the head, they no lenger follow. What elected the time in both the national and state about Credit Mobilier shares, and Republican candidates in 1868? was their pledge to restore peace and any unauthorized statements; and, security to the whole people that had elected them. But had they kept that pledge? No; and he was here to night to call the Republican party to an account for its stewardship.

There is not an honest man in Land (any unauthorized statements; and, as an early steadfast personal friend of the persons concerned to answer. We carnestly hope said persons will do nothing of the kind.

That is all! An affectation of ignorance (or isit genuine?) about one of the best known more in Land. There is not an honest man in Lan- men attached to the political position caster Co., or in this State, or in the of Governor Curtin was evidenced by and one of the leading builders of the Nation, who will not bow down and the pertinacity with which he had Pacific Railway; and an exhortation If he intended to swindle you, he confess that the Baltimore platform been pursued, and sought to be won to its people to make no defence! Is would not have gone to see you about is the true sentiment of the people over to the support of the national or it not natural that there is no defense This debt and credit business is all over the country. Call me what state tickets. He had been approach to make? For he is the candidate all wrong. Mr. Spike; and if I had you will, said the speaker, but let it the making of the laws, I would not not be said that I have joined hands of Grant and Cameron, with proffers of the United States, are stated in the distribution of the United States, are stated in the distribution of the United States, are stated in the United States in the Unit the making of the laws, I would not allow a debt. to be collected by a legal process, unless an intention to defraud could be shown, or fairly supposed."

Thumph! You would let us be a legal process, unless an intention to despect of the could afford to be called the hard names, for had he not been present at the berth of the Republican and Cameron, with proffers of the United States, arraigned by a Congressman from his own State for having been bought with a bribe of sacrifice even principle. He had persuately refused their proffers of the United States, arraigned by a Congressman from his own State for having been bought with a bribe of sistently refused their proffers; but in his retirement in Nice, for the pursuate the left of the United States, arraigned by a congressman from his own State for having been bought with a bribe of sistently refused their proffers; but in his retirement in Nice, for the pursuate the left of the United States, arraigned by a congressman from his own State for having been bought with a bribe of sistently refused their proffers; but the profice of the United States, arraigned by a congressman from his own State for having been bought with a bribe of sistently refused their proffers are proficed. The profice of the United States, arraigned by a congressman from his own State for having been bought with a bribe of sistently refused their proffers are proficed and the united States, arraigned by a congressman from his own State for having been bought with a bribe of sistently refused their proffers of the United States, arraigned by a congressman from his own State for having been bought with a bribe of sistently refused their proffers are proficed and the united States, arraigned by a congressman from his own State for having been bought with a bribe of sistently refused their proffers. cheated out of our property."

The had spent the best enerpose of restoring his impaired health, that gravity, from a source of that repose of restoring his impaired health, that gravity, from a source of that rehe was still pursued and importuned speciability? How can he fail to de-"I would let you cheat yourselves out of your property if you chose to do so. Look at it; here is a young to him." I would let you chose to do so. Look at it; here is a young man, on a salary of three hundred dollars a year. You let him horses; "What work that party, but he had never sought to lend his aid in sustaining the fail-power by it, nor had he ever been ing fortunes of Grant and Cameron. London, Paris—every place in which he had taken refuge to recruit his chattered health and quark himself with a first of the season of you trust him along for two or three Grant had never voted the Republi-shattered health and guard himself

THE BEAVER ARGUE Is published every. Wodnesday in the old Argus building on Third Street, Beaver, Pa., at \$2 per year in advance. Communications on subjects of local or general interest are respectfully solicited. To insure attention favors of this kind must invariably be accompa-nied by the name of the author. Letters and communications should be addressed to

J. WEYAND, Beaver A. tion and the Cameron ring in Pennwas a little accentric in some of his ways. He had views and opinions of his own thinking; and perhaps that ways what made hin seem so odd to some people:

He had found William Taylor in a store tying up bundles for twenty dollars a month. He had taken afarcy to him, and knowing him to be a prompt and correct accountant, industrious and attentive to business, and of excellent character, he had given him his present situation.

William had been married over a year then, and was the father of a little boy.

Three hundred dollars a year looked like great wages to William. So only the face of the bill."

The statis his look out, not mine."

"If there were no laws by which you could collect this debt, Taylor would declare that the Republican party of Pennsylvania was no longer his (for it has been his literally of Pennsylvania was no longer his (for it has been his literally of Pennsylvania was no longer his (for it has been his literally of Pennsylvania was no longer his (for it has been his literally of Pennsylvania was no longer his (for it has been his literally of Pennsylvania was no longer his (for it has been his literally of Pennsylvania was no longer his (for it has been his literally of Pennsylvania was no longer his (for it has been his literally of Pennsylvania was no longer his (for it has been his literally of Pennsylvania was no longer his (for it has been his literally of Pennsylvania was no longer his (for it has been his literally of Pennsylvania was no longer his (for it has been his literally of Pennsylvania was no longer his (for it has been his literally of Pennsylvania was no longer his (for it has been his literally of Pennsylvania was no longer his (for it has been his literally be used that he would pendical eave the party's good. The determined hereafter that he would been the rule leave the party's good. The because you desire to do a large because you him hi svivania. enough. He was like the boy who said he didn't mind having macker. damental principles of our state—de ticles of neat furniture into it, opened accounts with the butcher, and grocer, the baker, and the keeper of the livery stable.

On his present salary, he made up his mind that he could live handsomely, and once or twice he took Ellen a ride. He was entirely devoted to her, and she enjoyed riding so much that it never occurred to him to count the cost.

Mr. Mason, a careful man, did count the cost, and made up his mind that the covid made up his mind that the well satisfied. But William did not to count the cost.

Mr. Mason, a careful man, did count the cost, and made up his mind that William was a little too fast. His suspicions were confirmed by the livery stable keeper, who came one day to enquire if the corporation owed William anything. Others had asked the was in debt.

Only a few of the employees on the corporation were paid quarterly.

Mr. Mason were paid quarterly. elsixty or seventy times in successmanded by its growth, its prosperity fundamental law of the state. A dispatch was received from Mrs. Curtin last night, by Colonel M'Clure, dence and support, could now sustain them! What change has come over that Governor Curtin had arrived safely at Saratoga, and that he had stood the journey well. There are these corrupt candidates? Have they promises and hopes of his speedy rejoined church? He did not wish to be understood as charging these storation to health, and we have the assurance that, should be be able to newspapers with anything; he knew nothing—if he knew any facts he would speak them out. But he address his fellow-citizens during the pending can vass, he will do so, in fa-vor of Charles R. Buckalew and Horace Greeley. Colonel M'Clure assured the people of Columbia, that Governor Curtin's canyass notes would give out no uncertain sounc's -the old Keystone would give out no uncertain sounds. Victory for honest men in opposition to the Cam-

For Inflaminatory and Chronic Rheutmatism and Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digeative Organs.

They are a Gentle Purgative as well as a Toute, possessing the merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs, and in Billious Diseases.

Bilious Diseases.
