I wish to say a word to those who may e afflicted with White Swelling, in fa or of R Steinfeld's medicine. I have been afflicted for sixteen years ith it. It has of late years attacked me annually, and I have suffered almost death. Have consulted eminent physi-cians, who told me they could do noth-

About six weeks ago I was attacked with it and lay suffering for three weeks, with no relief from pain except while under the influence of morphine. I was expecting it to beal. I called in Mr. einfeld to look at it. He assured me that he could cure it in eight days.
