THE KANSAS JAYHAWK

BY J. J. INGALLS.

The Audubon of the twentieth century, as he comprehends the history of the birds of Kansas, will vainly search the "Ornithological Biographies" of his illustrious predecessor, the illustrious "Jayhawk."

The "boys" to whom Josephs alluded are such fellows as Mrs. W. whom he and Mr. Mullin succeeded in inducing Governor Geary to pardon.

The noble and beautiful. No grander or more sublime subject than such a one as tends to the amelioration of the human race.

Had an irreverent Athenian ventured to doubt Silius or denounce Priapus, he would probably have been received with a stormy outburst.

It cannot be denied that the Singer Sewing Machine is the Pioneer of all other Sewing Machines.

It is always been supposed that England carried off the banner for supremacy, but such is not the case.
