The northern section iers of the Pennsylvania line, accordsued to the soldiers for their pay ac-

The peculiar-mode prescribed for he survey of the donation lands, and the irregularities in the surveys he tracts for taxes, gave birth to othnew and difficult questions.

After this came the act of 3d April,

opened all the unsurveyed lands of the whole region, including the wrote take the following from the struck district of donation lands Lousisville Courier-Journal, under withdrawn from the wheels, and also the unsold depreciation lands, part of which only was sold at the coffee within two years from their dates. The Indian hostilities prevented performance of this condition, and

feited. The treaty of General Wayne at Fort Greenville was ratified on the 22nd of December, 1795, and in the spring of 1796, supposing the warrants forfeited, the settlers swarmed scene of strife and litigation unetions were numerous, complicated

and I could tell you of improvements rights, but time will not permit. Added to these were the tax sales of these lands and the infinite variety and Great Britain running a race for the of questions arising under the statute of limitation, and the different Porter, having been tendered the species of title. All these and much opened gates-Japan abolishing feudal Vice-Presidency of the Pullman more than I have related constituted litigation, of which the Chief Justice can say Maqua pars fui. These ques-

tions still arise to some extent and are presented to our court. There is another branch of law the poor, desertions, &c. Then follows his knowledge of political law -I mean political in its governmen-

the Constitution and the institutions of the State, and its legislation. A member, early and at several times of the Legislature and Speaker of the House, he had large opportunities of knowledge in this department. 'ederal laws also came under the dominion of his acquisition, made familiar by his frequent elections to Congress. Crowning all is his knowledge of general law, the result of fifteen years service on the Su-preme Bench. Nothing has escaped his rich experience, whether it be a Philadelphia ground rent or municipal lien, or Schuylkill county mining lease, a Venango county oil privileg, or a Western manufacturing or nining company.

From this hasty review we learn the magnitude of our loss. But

though his official life is about to expire, we are not as those without solid than granite, more durable than brass, and more pure than the polished shaft of Italy's marble. When you and I and all who here inhabit, shall have laid down our busy lives at death's universal call.

At home the struggle for Freedom seems tal-not its partisan sense; involving over. The last slave has long been a citizen; the last opposition to emancipation entranchisement, equal civil rights, has been formally abandoned. No party, North or South, longer disputes the result of the War for the Union; all deciare that these results must never be undone; and, with a whole people thus united on the grand platform of All Rights for All, whereto our bloody struggle, and the prolonged civil contests that followed, have led us, the Republic closes the records of the bitter, hateful Past, and turns peacefully, hopefully, to the less alarming because less vital problems of the Future - \$7.0

say, whatever officers may do, is fairly set down in its columns, whether this news helps or hinders its own views. Its readers have the right to an honest statement of the facts; and this they always get. But as to its own political principles, in the Senate, and more honor too, and is satisfied. Chambershing Rehis labors and his rich judicial exper- It stands inflexibly by the Amendments ience. These are a monument more for the permanent security of those Rights, which have been solemnly incorporated by the People, in the Constitution of the United States. Independent of all political parties, it endeavors to treat them all with judicial fairness. It labors to purify the administration of Government, Na-

Apriculture, and to commend it as the first and most important of progressive arts, based on natural science.

There are hundreds of thousands engaged in 64, verse primits who own wrights a "place, a sad give some portion of their fine to its culture and improvement. The Wexerty Tenenus shows them how to make the most of their roods and their hours both by direction, and example. No information equal if quality or quantity can be elsewhere obtained for the price of this journal.

The Wexert Timunes appeals also to Teachers, Students, and persons of inquiring misds, by the character of its Literary contents, which include reviews of all the works proceeding from the master winds of the Old or of the first world, with liberal-extracts from those of especial interest, in againstive Literature also claims attention, but it is sufferdinate degree. Home interests are discussed weakly by a lady specially qualified to instruct and interest due. No continu is night example to printed with greater average profit than here. The Newson the Day, chechated by brief comments, is corondensed that no reader can deem it disfuse, while given sufficiently in detail to satisfy the wants of the average reader. Selections are regularly made firm the extensive Correspondence of The Daily Tribune from every. This the commends frieff to millions by ministering to their intellectual-wants more fully than they are met by any other journal, while its remainer reports of the Castia Country Froduce, and other Markets, will of themselves save the farmer who regularly notes them far more than his journal sprice.

s respectfully arge those who know its worth to mmend This Weekle Tribuse to their friends and neighbors, and we prefer it to clubs at prices which barely pay the coat of paper and press TERMS OF THE WEEKLY TRIBUNE. 

NEW YORK SEMI-WEEKLY TRIBUNE s published every Tuesday and Friday, and, being printed twice a week, it contains nearly all the important News. Correspondence, Reviews and Editorials of The Daily, including everything on Editorials of The Daty, including everything on the subject of Agriculture, and muca interesting and valuable matter, for which there is not sufficient room in The Weekly Tribune The Semi-Weekly Tribunealso gives, in the course of a year three or four of the

Best and Lutest Popular Novels. Best and Lauren reputer 1.00000, by living authors. The cost of these slone, bought in book form, would be from six to eigh dollars.
