A. Tripped in the second of the body, aborded in the memory of the course of the thought of the current of his flooring in the current of his floorin

never seen. He is desolate. Jane has gone

his delight when he found that he was an orator, and could move an assembly of men to various passions—his meeting with Jane—He went no farther. The memory of her as she was when he first saw her, a bright flower—ah, how bright, how trustful

his face. The cold water seems to bring strength to him. He looks about the room, and every thing within the poor walls speak of Jane's love and care for him. The fire is laid with the last few sticks of wood and the last few lumps of coal. The old kettle, filled, is on the hob. The bast ninch of tea is in the curv the room. mains of the loaf are on the table. Not a thing is forgotten. "Dear woman!" he murmurs. "It is like you!" He paces the room slowly, striving to think of some path by which he can obtain a home for Jane, and thereby win her and reward her. It is useless he knows, to seek for work here, in the neighborhood where he is known. He is known too well, and has sunk to low. Who would believe

Besides, what is the use of trying? He is of the same trade as George Naldret, and even George, a better workman than he, has resolved to leave and try his fortune elsewhere, because of the difficulty betfinds in workman tuan ne, nas resolved to leave and try his fortune elsewhere, because of the difficulty he finds in saving sufficient money to buy a home for the girl he desires to marry. Even George is compelled to emigrate— He stops suddenly in the middle of the room, and draws of the middle of the room, and draws of the middle of the room, and draws of the desires to marriage and try his fortune elsewhere, because of the difficulty he finds in saving sufficient money to buy a home for the girl he desires to marriage and try his fortune elsewhere, tinctly to either statement.

Mr. Million has an idle hour before him, which he is not disinctined to devote to the working-man devote to the working-man devote to the working-man at the suggestion. "The man who at the suggestion. "The man who at the suggestion." The man who at the suggestion. "The man who at the suggestion. "The man who at the suggestion. "The man who at the suggestion. The man who are the suggestion. The man who at the suggestion. The man who are the suggestion. The man who are the suggestion. The man who at the suggestion. The man who at the suggestion. The man who are the suggestion where the sugg the middle of the room, and draws himself up with a spasmodic motion.

Jane's words come to him: "It is a blessing for many, that these many that these lands have been discovered. A man commence a new life there, with-out being crushed by the middle of the room, and draws with a silver spoon? You would a silver spoon? You would open the places of amusement for the middle of the room, and draws which the silver spoon and draws to possess and enjoy. Fain no socialist."

"Wait a minute," says Mr Million to possess and enjoy. Fain no socialist."

"Yoù would, at all events," pursues Mr. Million, "feed the working-man Mr. Million, "feed the working-man with a silver spoon." You would open the places of amusement for the middle of the room, and draws to possess and enjoy. Fain no socialist."

"I am not surprised to hear it," says the rich brewer: "the opinions with a silver spoon." You would open the places of amusement for the places of amusement

Breat and Cheese and Kisses.

cries aloud to himself, resolutely.

Come—think! Cust aside your he strives to be, Saul Fielding has houses. Mr. Million can find no weakness. Be your old self once been unwise in his introduction, words to express his indignation, words to express his indignation, which might be construed into an interpretable of the contract for falls.

there kneels the man. It is summer and day, and here is another man among the mountains lying on the earth, looking at the clouds. And the time is the same. The thoughts of both these men are in the past. What connection can there be between these two, in such adverse places, seasons, and circumstances? They have never touched hands. What links can bind them? Heart links? Perhaps. It would not be strange. It may be that at this present moment, in some distant part of the world of which we have only read or dreamed, links in your life's chain and mine are being forged by persons whose faces we have never calculated how many shuttle-cocks an ordinary battledoor will out the least opposite the man, and that masters are fat the summer of the working-man, or be tening upon them! I should not be surprised to hear that you are a free thinker."

"No. Sir, I am not that," urges Saul Fielding, exquisitely distressed May I ask, as you are perfect stranger to the evolution of you any way, to what I am indebted for the honor you have done me by the stute of the working-man as his he set it up without in the least that he set it up without in the least that he set it up without in the least that he set it up without in the least that he set it up without in the least that he set it up without in the least that he set it up without in the least that he set it up without in the least that he set it up without in the least that he set it up without in the least that he set it up without in the least that he set it up without in the least that he set it up without in the least that he set it up without in the least that he set it up without in the least the upon them! I should not be surprised to hear that you are a free thinker."

"No. Sir, I am not that," urges Saul Fielding, exquisitely distressed he set upon them! I should not be surprised to hear that you and that masters are fat.

"No. Sir, I am not that," urges Saul Fielding, exquisitely distressed the withing to hear of my or a staken;" or one, for I have he recommendati

cocks an ordinary battledoor will outlest. Popular as the game is with chikiren, it is more popular with public men, who, battledoor in band, of discontent kept up by a few grum
"If you say so, Sir, I must be. But working man is underpaid, and you this is what George Naidret gave me to understand."

"And pray who is George Naidret?" from him. She has left words of comfort behind her, but he may never look upon her face again. She has given him a task to fulfill. "If I have done my duty by you," she said, "and I have tried to do it, it remains for you to do your duty by will extreme when a new shuttle-cock, with spick and span new fear you they will extreme to him will strive to perform the has set before him—he will strive to find a way—ay, if he dies in the attempt. He will consider presently how he will consider the national presently how he will consider presently how he will consider presently how he will consider presently how he will c

flower—ah, how bright, how trustful and womanly!—stopped further thought, and for a time no vision appears of his downfall, his weakness, his disgrace, his sinking lower, lower, until he is almost a lost man. It comes to him presently with all its nis disgrace, his sinking lower, lower, until he is almost a lost man. It the first water—not a flaw in them, hangs over the future, when he is ill and unable to work perhaps and unable to work perhaps.

walk along the streets so, with one eye closed; and a man who set himbar bis viril, and still he has not decided his viril, before father and son.

"I have seen him," says young with the dosn't like to look on the al that he dosn't like to look on the wickedness of the world; so he shuts one eye, and can only see half of it, fight with. His old confidence in the streets so, with one eye dosed; and a man who set himbar love."

Mr. Million stares loftly at Saul ful, before father and son.

"I have seen him," says young with the streets so, with one eye him. He stands, humble and watchest."

"And children, doubtless!"

"Happy he who has them! It is wickedness of the world; so he shuts one eye, and can only see half of it, say it." The theme bosseses a fast encoded by some cock-and-a-bull story.

long weakness. Rising from his knees, he breaks the crust of ice upon the water in his pitcher, and bathes his face. The cold water seems to bring strength to him. He had been done a servant, who, after due tapping at the door, so as not to disturb the ruminations of the bring strength to him.

out being crusned by the misioritules or faults of the past, if he be earnest or faults of the past, if he be earnest enough to acquirestrength. It might be a blessing to you." "A new life in a new land!" he says, aloud. "All in a new land!" he says, aloud. "All seen to!" with many remarks indicated in a new land!" he says, aloud.
