THE TREASURY LOCKUP. The Center of Gravity of the

Hilgard, of the coast survey, made center of gravity of the population, as shown by each of the last four cen suses. He supposes a plane of the ex act shape and size of the United States lie deposit, the Treasury heid in 1871
an average amount of \$75,700,000 of
specie properly its own, and during
the present year an average of \$63,000,000. The currency beliance averaged, last year \$14,500,000 and this
vent \$12,700,000. Putting the two learns foot of the Appalatreasury heid in 1871
act snape and size by the loaded with
the actual population, and ascertains
the point on which it would balance.
By this process he found that, in
1840, the center of graylty of the population was at a point in Virginia
or reporters, he is mable to supply the deman lie deposit, the Treasury held in 1871 exclusive of Alaska, loaded with an average amount of \$75,700,000 of the actual population, and ascertains (From the New York Tribune.)

AN EXPENSIVE INDIAN. JOB. vear \$12,700,000. Putting the two near the eastern foot of the Appalatems together, we find that the Government of the parallel of In 1850 this center had moved

westward fifty-seven miles across the mountain, to a point nearly south of Parkersburg. In 1860, it had moved westward eighty-two miles to a point nearly In 1870, had reached a point near Wilmington, Clinton county, Ohio, about forty-five miles norteast of Cincippati. In no case had it widely departed from the 39th paralled. If the same rate be maintained luring the next three decades, which I doubt, it will in the neighborhood

northeastern corner of Ohio, to Pensacola, in Flordia, would divide the population of the United States, as it stord in 1870, into two equal parts extended over some weeks after the This line is nearly paralled to the line of the Atlantic coast From these calculations it will ap and the lines that divide the popu lation in half, are more than 150 miles west of the Appalachain chain. Verly truly yours,

J. A. GARFIELD, Washington, D. C. Dec. 7, 1872. Short and to the Point. Two envious editors, one in N. Y and the other in Brooklyn who apparently spend all their waking hours in inventing stories about this newspaper, instead of looking after their own, have recently published

an unusual fiction, as malicious as it s preposterous, concerning the business and the ownership of the Tritwenty-four hours for an explicit and absolute retraction. The counsel of the Tribune has instructions this All letters must be addressed to morning to advise Mr. Henry C. it rather than attempting to fight ness to the rate of interest in striking Bowen and his New-York echo the falsity of their publications and request immediate correction. That our efforts to punish these same tribes of Indians in 1864 and 1865, after the of Indians in 1864 and 1865, after the We propose to have a little less falsehood hereafter retailed by rivals about the Tribine or to make it exnensive.
