## its final grave. WEYAND, EDITOR AND PROPRIETOR Besver, Pa., January 15, 1873.

THE first act passed by the House of Representatives at Harrisburg this session was one raising the salary of the Governor from \$5,000 to \$9,000 per year. This does not indicate the other hands. Then Mr. Mason broke economy we were promised before out in New Brighton, where he inthe October election, but shows pretduced a number of persons to embark ty plainly that the new Governor with him in the erection of a new (Hartranft) means to live in style cutlery works, run them a short while filling the Gubernatorial time, involved all who were associated with him, made an assignment chair.

and then left the State. This same THE ex-emperor, Napoleon III., died at Chiselburst, England, last gentleman now fluds fault with us Thursday, in the 65th year of hisage. for believing that others understand managing a cutlery establishment His death was sudden and unexpected. His wife, the Empress Eugenie, was with him in his dying moments but their son and only child was absent when the sad event occurred. His death will allay the apprehensions in France that he was once tical test in the two instances above more intriguing for the throne of that | referred to. The results show us and nation.

shot and killed James Fisk, jr., in business. If the world therefore, EDWARD S. STOKES, the man who New York, one year ago, was found will lose nothing by your silence on guilty of murder in the first degree that question would it not be prudent on Saturday, Jan. 4th, and on the to maintain it? following Monday he was sentenced to be hung on Friday Feb. 28th 1873. When this death sentence was pro- that he cannot have paid much at-

nounced by the Judge, Stoke showed little or no emotion, but his father, sister and brother wept loudly. THERE is trouble among the and request our Representatives in Washington financiers. The Senate Congress to vote against the proposi-
