Locke anonneed and read the periodic connection of this Sixte have voted against ties of the difference of gambling to the Pittaburgh Diepatch, on the question of the difference of gambling the clithaty ring the tray tlocks and all classes of gambling tray phone of the femiliary into the propheton. At the adaptation of the same address recounting the clithaty and the propheton. The femiliary shows the propheton of the difference of the part of the par

or traffic is just as soundly Consiltu-itonal as the prohibition of the sale of obscene literature, of lotteries, and of itseased beef, or perk, or mutton, or public nuisances. ing, and bitter controversy relating to the subjects in dispute, the most important of which to the count was the property involved, the matter was amicably compromised in March, 1832, and articles were signed by which the society agreed to pay to the seceders \$105,000, DEDUCTING \$1,800 DUE THE SOCIETY BY THE COUNT AND HIS PAMILY. The count and his family were to move off in six weeks bis family were to move off in six weeks Nutt, Miss Bell McKee, Mrs. Kate Pierthe dissenters within three months. The adherents to the count. who form-Both yourself and the Chronicle admit, as indeed, almost all liquor dealers do themselves, that the drink traffic is a business, which society, in the interests of the citizens at large, must put under the carpended in drinks the sum of the citizens at large, must put under the carpended in drinks the sum of the citizens at large, must put under the carpended in drinks the sum of the citizens at large, must put under the carpended in drinks the sum of the count. Time, however, unfolded the count of the coun herents; and a new colony as a joint-stock

society was soon resolved into its original ons collections of nature and art which are on exhibition at all hours, six performances are given from the stage daily. Major Burnell, the proprictor, spares no expense in procuring the greatest attractions that can be obtained, and old ones are continually giving place to new ones. Among the attractions now on exhibition we mention; Prof. R. M. Worth, with his ten thousand Japanese, Chinese and African cariosities; Mr. D. O. Hedmond, the champion Glass Blower, with his glass Steam Engine; the world renowned happy family; the Australian Talking Bird Show; ten cares of living animals; living Sea Dof. Bea Concares of living animals; living Sea Dof. Bea Conelements. The count with a few adherents fled down the river, leaving those who fashioned plan of letting "each tub stand on its own bottom." this system Phillipsburg has become a thriving German town.

The Society has had several written aminy, the Austraina Fairing Did Glow, tel carges of living animals, living Sea Dog, Bea Con strictor, Anacondas and brilliantly illuminate Stereopticons; beautiful display of cosmorami institutions or articles of agreement etween the individual members and Mr. Stereopticons; beautiful display of cosmoranic views, also a great number of relies of the late disastrons fires in Boston and Chicago.

The world-renowned Aztec children have just arrived and will remain on exhibition for a short time. Columns might be written about the objects of interest contained in the Museum. Suffice to say, no visitor will regret the time and money af ter having seen the exhibition.

By all menns when you visit Pittsburgh, do not fail to visit Burnell's Museum. Rapp, modified by the several removals and secessions which have occurred among them. On drawing up and digesting their present constitution, two eminent lawyers from Allegheny and Beaver counties were called in to advise and assist. A strenuous effort was then made to break down the monkish restraint previously

imposed, and to re-establish among them the institution of marriage; but the effort The fact that David Gamble's cow had rate those who had been married during Count Leon's secession, and who had re-It is not easy, without more accurate our neighborhood seem to think the former event of greater importance than tions of the Harmony Society, as an experiment in social organization. Setting Jake Steel wants to catch fish with nets, and Scotland. Burnell's Museum, Pittsburgh.—With pleasure we refer our readers to the advertisement of this favorite place of resort for visitors to Pittsburgh. The museum consists of a Menarcric and Thestorum combined. Besides the numerous collections of nature and art which are on ex-THEREFORE, E. CHAMBERIAN WHITE, High sheriff of the county of Beaver do bereby make known and proclaim to the qualified voters of Beaver county that an election will be held for that purpose on FRIDAY, 21st DAY OF MARCH. A. D. 1873, at the following places and districts within the county, to wit:

The electors of Borough township will meet at the brick school house in the borough of Vanport.

The electors of Bridgewater borough will meet at the thrown Hall in Bridgewater.

The electors of Philippburg district will meet at the bouse formerly occupied by Amariah Hendrick-son—now John D. Elliot.

The electors of Hopewell township will meet at the school house in the village of Scottsville, in said township.

three calves, and the fact that "Egin," (as the Dispatch calls him) the young and rising wind-mill of Beaver Falls, made an "off-hand speech," inciting men to riot and violence, seems to have reached Pittsburgh, and the 'most of western Pennsylvania." The people of to give his "views" more fully on this question of one cow giving birth to three caives. Some go so far as to say she had four, and that one escaped, and by some process of transmogrification assumed human form, and straightway gave its "views" of the Chinese question through the New Brighton Press. By all means let Mr. Gamble look after the fourth calf, and take him home else the Heathen Chinese may convert him into yeal. derly and industrious management of a similar number of emigrant families on the ham of individual interest, and the the ham of individual interest, and the calf, and take him home else the Heathen calf. relations resulting from marriage. They Chinee may convert him into veal.

The electors of the upper or north ward, in the borough of New Brighton will meet at the carpenter shop of Thos. Milier, in said borough.

The electors of the middle ward of the borough of New Brighton will meet at the shool house, in said ward.

The electors of the lower or south ward of the borough of New Brighton will meet at the car factory, in said ward.

The electors of Bochester township will meet at the Bolesville school house, in said township.

The electors of the borough of Rochester will meet at the school house in Rochester.

The electors of reedom borough and district will meet at the school house in Freedom.

The electors of Sam'l Burns in said township will meet at the school house in Freedom. The citizens of Beaver and vicinity, will have an opportunity of hearing Miss Anna E. Dickinson lecture in the large audience room of the M. E. Church, in Beaver, on Thursday evening, March 6th, on the subject: "What's to Hinder." It is to be hoped that this distinguished lady will be greeted by a large audience. It is to be hoped that this distinguished lady will be greeted by a large audience. Those who purchased tickets for the course of four lectures, can secure reserved seats to this lecture, by presenting them to Messrs. Orr & Cooper, at which place only can reserved seats be secured. Tickets for general ad mission, the secured to the se hip.
The electors of Industry district will meet at th
