thousand in gold.

"Come and have a glass of beer ploy a black, yellow, or while chamber and the station."

The and have a glass of beer week, and is leaving me on that account, whether I may pay its successor only half the amount in received? I think not. As long as my servant, or servants, are alting the laws of the country, and and then he went off American and the heavy of the country, and as a dark, and I on the way to Nousel a was rather of the them; and it is nobody's business where they come from, whether they are black, yellow, or white; nor has anybody neighbor of the cost. Great it was goned to the station. I feel the licket."

Why, in the cash pocket off my brown great-coat. Still, I had heard the word the country, and a dark, damp neight; the lamp pavement, but there wasn't a soult to be seen. Every thing was atill, cold and dark. The money was gone—yees, it was possible feel to white the was off the cost of the control than the way back in the bag of money. It was verying, too, because we had a registry that night, the first since our marriage, and it begun at six of the control than the heart of the bag of money in my desk thousand the front don't defined the station. I feel the licket."

The money was gone—yees, it was goned in the Charles of the total control of the control

to this country. Hence they stand whilst it is in his possession in the on precisely the same footing as most day time, and that at night all monhome. But I don't think I retained "And you gave that are only the same footing as most day time, and that at night all monhome. But I don't think I retained "And you gave that are only the same footing as most day time, and that at night all monhome. But I don't think I retained "And you gave that are only the same footing as most day time, and that at night all monhome. But I don't think I retained "And you gave that are only the same footing as most day time, and that at night all monhome." of those men that are now most violent in their denunciation.

The one is a foreigner as well as the
other. And it is not at all becoming for the manager, and the
second in that of the accountant or
shelter and freedom themselves, to
oppose and try to prevent others. There I own the second try to prevent others are the form that are now most violent in their denunciation.

The one is a foreigner as well as the
other. And it is not at all becoming the manager, and the
second in that of the accountant or
cashier. But you say again, as long
the one nor the other; I should have
broken down at ones. I couldn't
oppose and try to prevent others from the second try to prevent others. There I own the
second in that of the accountant or
cashier. But you say again, as long
the one nor the other; I should have
broken down at ones. I couldn't care about these little matters getting
the second in that of the accountant or
capital fellow you gave him into custody;
this thought long. Boyou ever consider how much resolution and force
of will it takes to initiate a course of
crime and deception? I'd neither
the one nor the other; I should have
broken down at ones. I couldn't
care about these little matters getting
the second in that of the accountant or
crime and deception? I'd neither
the one nor the other; I should have
broken down at ones. I couldn't
care about these little matters getting oppose and try to prevent others want with two? There, I own, the have met that fellow's eye and told abroad; and so I slaps my fist on the

their number of Christians, which they, the Christians in spite of their superior number and claimed intelligence, and religious spirit, could not do to them in return. In other words, one Chinaman would be able to make out of ten or twelve Christians, so many heathens; while some twenty Christians could not convert one Chinaman to Christianity.

But to come back to the original question. The Cutlery Factory is owned and managed by four or five they shut their mouths to think for owned and managed by four or five they shut heir mouths with the string that does duty with them of the words of the county, who are amply able to manage such a business. One of and ask you one. Now that makes the superior number and claims, so many heathens; while some twenty Christians in spite of their superior number and claims and exites a spinit could not do to them in return. In other words, one Chinaman would be able to make out of ten or twelve Christians, so many heathens; while some twenty Christians in spite of their superior number and claims and exposure and managed by four or five they shut their mouths to think for a bit. Then the idea seems to reach the thing that does duty with them for brains, and excites a serior fregraph to all the stations, to London, and everywhere! On, do go at once, good and well known business men of the county, who are amply able to manage such a business. One of and ask yon one. Now that makes to make a dark at it; offened it, when the story is when she heard the whole story she was frightened enough. Yet she simple of the them they of the them that when she story she was frightened to the them the whole story she

these owners and managers is Mr. Henrici, the efficient agent and senderstand that Mr. Henrici was first opposed to the introduction of Chinese labor, but was overruled, and senderstand that Mr. Where is he're a place of labor, but was overruled, and senders and managers is Mr. Where is he're a very dense in mease portico and a huge flight of spoils of the hall; but if he had taken in mease portico and a huge flight of spoils of the hall; but if he had taken in mease portico and a huge flight of spoils of the hall; but if he had taken in mease portico and a huge flight of steps; but you didn't go into the points to look into the pockets of the coat, he'd have been a rich—bid," said I. Where is he're a very dense steps; but you didn't go into the police office, but to the coat, he'd have been a rich—bid," said I. Tar Cordial,

NATURE'S GREAT REMEDY

FOR THE NEW GOODS! THROAT and LUNGS.

At is gratifying to us to inform the public that it. L. Q. Wishards Pine Tree Tar Cordial, for Throat and Lans Discass, has gained an enrishing regulation from the Atlantic to the Partite coast, and from thence to some of the first families of Europe, not through the press alone, but by piersons throughout the fitste actually benefitted and coast at his offices: While as publishes less, as any east reporters, he is unable to supply the demand. It gains and holds its reputation—

First. Not by sippping cough, but by loosening and assisting nature to throw off the unhealthy matter collected ab at the throat and broachist types, which course irritation.

Second. It removes the cause of irritation (which produces cough; of the mucous membrane and broachist tubes, assists the lungs to act and throw off the unhealthy secretions, and purifies the blood. the blood.

Third. It is free from squils, lobelis, ipecac and opium, of which most throat and lung remedies are composed, which alay cough only, and disorganize the stomach. It has a soothing effect on the stomach, acts on the liver and kidneys, and lymphatic and nervous regions, thus reaching to every part of the system, and in its invigorating and purifying effects it has gained a reputation which it must hold shove all others in the market.
