rents. In the eyes of the law this duced death. for the killing of a person other than and lodged in jail. his father, and the prisoner is entitled to the same consideration in regarding to the question of justification. His Honor charged, however, that the jury should not regard the fears which the prisoner entertained for when the killing was done through fear that the life of another was in danger. They could however, consider whether the fear that his mother's life was in danger did not give point to the fear which he entertained for his own life.

The Jury were out some four hours and on their return were asked if they had agreed on a verdict to which inquiry the foreman answered. "We have; We find the prisoner guilty at murder in the second degree. The silence which was preserved from the entrance of the jury remained unbroken for several minute-after the verdict, neither the prisoner nor his friends attering a word. Mr. O'Conor then whispered a word to Judge Davis, who announced that he would suspend sentence until Saturday morning at half past ten. The prisoner was then removed to the tombs

admirable papers on the "Intellectual Life" thus talks to the man who "stopped his paper:"

"Newspapers are to the whole civilized world what the daily housetalk is to the members of a household; they keep up our daily interest bold; they keep up our daily interest in each other, they save us from the each other, they save us from the evils of issolation. To live as a member of the great white race of men, ber of the great white race of men, the race that has filled Europe and America and colonized or conquered whatever other territory it has been pleased to accupy, to share from day to day its cares, its thoughts, its aspirations, it is necessary that every man should read his daily newspaper. Why are the French peasants so bewildered and at sea: so out of the calls her attention to this laborious and fatiguing for him to their lives:
