THE Butler Herald, Democratic, pays the following handsome and well deserved compliment to Hon. George K. Anderson, Republican candidate for State Senator in Crawford county;-

George K. Anderson Esq., paid us a visit this week looking in fine trim. Mr. Anderson has been nominated by the Republicans of Crawford county for the Senate, and we do not besitate to say that a better nomination could not have been made by them. He was the architect of his own fortune-intimate with the oil interests of the State, having beer an operator for years in Venango county, and now connected with seventee roducing wells in this county. Hones and upright in his dealings, he will prove an efficient and vigilant Senator o whom the public interests can be entrusted with perfect confidence. Although opposed to him in politics, we note his nomination with pleasure, and as he will be elected, we feel certain he
