toly 1 71 ADVERTISEMENTS. THE BEAVER ABGUS Advertisements are inserted at the rate of \$1.00 per square for first insertion and for each subsequent insertion 50 cents. A liberal discount made on yearly ad-Is published every Wednesday in the old Argus building on Third Street, Besver, Pa., at \$2 per year in advance. A internal discount when the bar of this type wertisements. A space equal to ten lines of this type measures a square. Business Notices set under a head by themselves immediately after the local news, will be charged ten cents a line or sech insertion. Communications on subjects of local or general interest are respectfully solicited. To insure attention favors of this kind must invariably be accompa-nied by the name of the author. Letters and communications should be Beaver, Pa., Wornesday, July 30, 1873. Vol. 55---No. 29. Established 1818. for each insertion. Advertisements should be handed in byfore Monday noon to insure insertion addressed to WEYAND & TREIBER, Beaver, Pa. in that week's paper. SELECT POETRY. Railroads. De Vere's affection at Florence. You that she should throw herself away THE ILLS WE HAVE. Professional Cards. Insurance. De Vere's affection at Florence. You know you treated her shamefully. "Her affections, say you? My dear Kate, how innocent you are! Why she numbered her experiences of that sort by the hundred. Her heart was precisely like a cullender, if you will pardon the culinary figures of speech. She wanted to marry me simply be-cause she understood in a vague way that I was wealthy; and in pursuit of so eligible a husband she annoyed I was too indolent to resist until sho became unbearable, and then I fled Arabian Horses. No Arab dreams of tying up a horse by the neck; a tether replaces the halter, and one of the animal's hind legs is encircled about the pas-tern by a light iron ring, furnished with a padlock, and connected with Business Directory. While I was at college, you made my va- cations dreary wastes of time with your endless excursions and parties and other clumsy contrivance to bring me into contact with women who, you hoped, would turn my head, despite the fact to have dom so would have been to unfit me for further prosecution of my studies While we were in Europe, you would actually bring up one of you insipid young lady friends to inter- rupt my ling lady friends to inter- so would actually bring up one of your insipid young lady friends to inter-	better than you do: 'I wish to enjoy what I can. A sunset, if only a sunset be near: A moon such as this, if the weather be clear. A good dinner if hunger come with it; good wine if I'm thirsty; a fre if I'm cold, and in fine If a woman be pretty, to me 'lis no matter. Be she blonde or braueite, so she lets me look at her.''' I called her Mary Jane on the spot, and she said I was angry. III. EXTRACTS FROM KATE'S LETTER TO HER MOTHER. I Don't know what to make of Harry. He ridicules the girls dread- fully to me, when we are aloue, though he behaves himself pretty well, for him, when they are by. He says Minerva, who has auburn hair, will set us all on fire some day, and the way he talks about pretty Mary Jane is a shame. He romps with her all over the place, however, and she gives him as good as he sends whenever they quarrel, which they do, dreadfully. Poor fellow, I despair of ever making him get mar- ried like a sensible man, and have made up my mind to see him grow into an old bachelor brother. But his rompings and frollics with that giant, mother. They do the oddesi r this giant, mother. They do the oddesi to backelor brother. But	special dispatch from West Chester says a horrible murder, almost equal- ing the West Farms tragedy in Do- ver, De.l, has just been discovered in Chester county. Jennerville is in Penn Township, Chester county, one mile north of the line of the Baltimore Central Railroad, and six miles north-east of the borough of Oxford. On the 30th of June last es- strange man arrived at the hotel of that villiage and stopped there, say- ing that he had come from Baltimore and was an agent but giving no name. He was in appearance, a young man, probably not over 30, with black whiskers. On the follow- ing day a team driven by one Wm. E. Udderzook stopped at the tavern and the "agent" was invited by Udderzook to take a ride. He ac- cepted the invitation, and they wen away together. The team had beer hired by Udderzook at Parkesburg and he returned it in the evening when the person who took charge of it remarked that there was blood of the wagon. Udderzook made is plausible explanation of the circum stance, and immediately left th- neighborhood. The strange man was never afterward seen alive. On Friday last it was noticed by a were hovering about a wood a shor distance off the Newport and Gray'	short; two hooks fly on the lining, and the-buttons get loose the first time they are buttoned. If the dress is black silk or _alpaca, she may be thankful if there are not two or three kinds in it; and she may measure the lace or fringe till doom's day, and she'll never be able to make it equal the number of yards in the bill. Some simple hearted sister may fancy she'll better herself by having one of the peripatetic species in the house. But it's jumping from the frying pan into the fire, for every soul of the tribe carries her dressma- king sphere with her. And where- as, in going to the shop, she endures an hour or so at a time. In this case she endures every moment. Be- sides turning the whole family into errand boys and waiters, her very presence puts a taboo on books and papers and music, and all such things. One can't get away from her influ- ence anywhere under the same roof. If a friend comes in, she can tell by the worried expression of face that there's a dressmaker throned in some upper room. Then the hostess, besides giving her mind to the comparative merits of ruffles and puffs, and worrying her brain with the anxious querry whether overskirts are "going out," must fuss in the kitchen to provide a little more stylish meals than usu- al, hecause she knows and feels tha	pa in the mo sin gr an g an g

A sunset, if only a sunset be near: A moon such as this, if the weather be clear. A good dinner if hunger come with it; good wine if I'm thirsty; a fire if I'm cold, and in fine If a woman be pretty, to me 'lis no matter. Be she blonde or bruneite, so she lets me look at her.''' I called her Mary Jane on the spot, and she said I was angry. III. EXTRACTS FROM KATE'S LETTER TO HER MOTHER. I Don't know what to make of Harry. He ridicules the girls dread- fully to me, when we are aloue, though he behaves himself pretty well, for him, when they are by. He says Minerva, who has auburn hair, will set us all on fire some day, and the gives him as good as he sends whenever they quarrel, which they do, dreadfully. Poor fellow, I despair of ever making him get mar- ried like a sensible man, and have a made up my mind to see him grow into an old bachelor brother. But this rompings and frollics with that rigin are making him as strong as a giant, mother. They do the oddest thary riding behind Mary Jane (or Mabel as she calls her) on a bare- backed horse out in the lot. Yester- day Mabel made Harry carry water	special dispatch from West Chester says a horrible murder, almost equal- ing the West Farms tragedy in Do- ver, De.l, has just been discovered in Chester county. Jennerville is in Penn Township, Chester county, one mile north of the line of the Baltimore Central Railroad, and six miles north-east of the borough of Oxford. On the 30th of June last es- strange man arrived at the hotel of that villiage and stopped there, say- ing that he had come from Baltimore and was an agent but giving no name. He was in appearance, a young man, probably not over 30, with black whiskers. On the follow- ing day a team driven by one Wm. E. Udderzook stopped at the tavern and the "agent" was invited by Udderzook to take a ride. He ac- cepted the invitation, and they wen away together. The team had beer hired by Udderzook at Parkesburg and he returned it in the evening when the person who took charge of it remarked that there was blood of the wagon. Udderzook made a plausible explanation of the circum stance, and immediately left the neighborhood. The strange man was never afterward seen alive. On Friday last it was noticed by a man that a large number of buzzard were hovering about a wood a shor distance off the Newport and Gray' pike, between the villiages of Coch ranville and Penningtonville. Th man at length went to the place t see what they were doing, and form unearthed the head and body of	short; two hooks fly on the lining, and the-buttons get loose the first time they are buttoned. If the dress is black silk or _alpaca, she may be thankful if there are not two or three kinds in it; and she may measure the lace or fringe till doom's day, and she'll never be able to make it equal the number of yards in the bill. Some simple hearted sister may fancy she'll better herself by having one of the peripatetic species in the house. But it's jumping from the frying pan into the fire, for every soul of the tribe carries her dressma- king sphere with her. And where- as, in going to the shop, she endures an hour or so at a time. In this case she endures every moment. Be- sides turning the whole family into errand boys and waiters, her very presence puts a taboo on books and papers and music, and all such things. One can't get away from her influ- ence anywhere under the same roof. If a friend comes in, she can tell by the worried expression 'of face that there's a dressmaker throned in some upper room. Then the hostess, besides giving her brain with the anxious querry whether overskirts are "going out," must fuss in the kitchen to provide a little more stylish meals than usu- al, because she knows and feels that the sharp eyes of that interesting creature are on everything, and com- paring them with things in tho houss of Mr. —, where she worked lasi a weak. In fact, one might as well.	in the sigram of the second se

ALPS INSURANCE CO., Of Erie, Penna. Cash capital,	by close attention to bas DAN	"That's a story, Harry. You know there's not a subject—" "Pardon me, my dear Kate, and allow me again to plead for the verb 'to be.' Twice in the brief remark which I am interrupting, you have decapitated that useful verb's third person singular, present indicative form, merging it summarily into words of far less dignity. Pray pro- ceed now with your remark." "Well, then, sir— "Which is not elegant English, Kate." "I won't talk with you, you hor- rid thing." "Won't is an extremely rude cor- ruption of 'would 'not,' while, I be- lieve, you mean to say, you 'will not' talk with me, do you not my dearf But really, Kate, it is high time that you should abandon this effort to entrap me into a mariage. While I was at college, you made my va- cations dreary wastes of time with your endless excursions and parties and other clumsy contrivance to bring me into contact with women who, you hoped, would turn my head, despite the fact to have dom so would have been to unfit me for further prosecution of my studies While we were in Europe, you would actually bring up one of you insipid young lady friends to inter rupt my linguistic studies, and after wards take me to task for the offenc of preferring to take in patois with a peasant woman old enough to b my grandmother, rather than to pick the handkerchief purposel, dropped by that Lydia Languish o an English girl, for whom, as for he country, art had done so much mor than network.	better than you do: 'I wish to enjoy what I can. A sunset, if only a sunset be near: A moon such as this, if the weather be clear. A good dinner if hunger come with it; good wine if I'm thirsty; a fire if I'm cold, and in fine If a woman be pretty, to me 'lis no matter. Be she blonde or bruneite, so she lets me look at ber.''' I called her Mary Jane on the spot, and she said I was angry. III. EXTRACTS FROM KATE'S LETTER TO HER MOTHER. I Don't know what to make of Harry. He ridicules the girls dread- fully to me, when we are aloue, though he behaves himself pretty well, for him, when they are by. the says Minerva, who has auburn hair, will set us all on fire some day, and the way he talks about pretty Mary Jane is a shame. He romps with her all over the place, however, and she gives him as good as he sends whenever they quarrel, which they do, dreadfully. Poor fellow, I despair of ever making him get mar- ried like a sensible man, and have a made up my mind to see him grow into an old bachelor brother. But his rompings and frollics with that gri are making him as strong as a giant, mother. They do the oddest thing you ever heard of. I looked out of the window just now and saw Harry riding behind Mary Jane (on Mabel as she calls her) on a bare- backed horse out in the lot. Yester- day Mabel made Harry carry water for her while she was washing the clothes, and when I went down to the grove where they were I fourd the grove	special dispatch from West Chester says a horrible murder, almost equal- ing the West Farms tragedy in Do- ver, De.l, has just been discovered in Chester county. Jennerville is in Penn Township, Chester county, one mile north of the line of the Baltimore Central Railroad, and six miles north-east of the borough of Oxford. On the 30th of June last es- strange man arrived at the hotel of that villiage and stopped there, say- ing that he had come from Baltimore and was an agent but giving no name. He was in appearance, a young man, probably not over 30, with black whiskers. On the follow- ing day a team driven by one Wm. E. Udderzook stopped at the tavern and the "agent" was invited by Udderzook to take a ride. He ac- cepted the invitation, and they wen away together. The team had beer hired by Udderzook at Parkesburg and he returned it in the evening when the person who took charge of it remarked that there was blood of the wagon. Udderzook made a plausible explanation of the circum stance, and immediately left the neighborhood. The strange man was never afterward seen alive. On Friday last it was noticed by man that a large number of buzzard were hovering about a wood a shor distance off the Newport and Gray' pike, between the villiages of Coch ranville and Penningtonville. The man at length went to the place to see what they were doing, and foun- unearthed the head and body of man, as well as his arms and legs which were separate from the body He gave notice to the neighborhood and the head body of man, as well as his arms and legs	short; two hooks fly on the lining, and the-buttons get loose the first time they are buttoned. If the dress is black silk or _alpaca, she may be thankful if there are not two or three kinds in it; and she may measure the lace or fringe till doom's day, and she'll never be able to make it equal the number of yards in the bill. Some simple hearted sister may fancy she'll better herself by having one of the peripatetic species in the house. But it's jumping from the frying pan into the fire, for every soul of the tribe carries her dressma- king sphere with her. And where- as, in going to the shop, she endures an hour or so at a time, in this case she endures every moment. Be- sides turning the whole family into errand boys and waiters, her very presence puts a taboo on books and papers and music, and all such things. One can't get away from her influ- ence anywhere under the same roof. If a friend comes in, she can tell by the worried expression of face that there's a dressmaker throned in some upper room. Then the hostess, besides giving her mind to the comparative merits of ruffles and puffs, and worrying her brain with the anxious querry whether overskirts are "going out," must fuss in the kitchen to provide a little more stylish meals than usu- al, because she knows and feels that the sharp eyes of that interesting creature are on everything, and com- paring them with things in the hotses of Mr. —, where she worked last week. In fact, one might as well live in a glass house and be on exhi- bition—and done with it. Now, I say it is intolerable, and but the worman who can make	in the signal of the second se

Jennerville is in Penn Township, Chester county, one mile north of the line of the Baltimore Central Railroad, and six miles north-east of the borough of Oxford. On the 30th of June last es- strange man arrived at the hotel of that villiage and stopped there, say- ing that he had come from Baltimore and was an agent but giving no name. He was in appearance, a young man, probably not over 30, with black whiskers. On the follow- ing day a team driven by one Wm. E. Udderzook stopped at the tavern and the "agent" was invited by Udderzook to take a ride. He ac- cepted the invitation, and they wen away together. The team had beer hired by Udderzook at Parkesburg and he returned it in the evening when the person who took charge o it remarked that there was blood of the wagon. Udderzook made a plausible explanation of the circum stance, and immediately left the neighborhood. The strange mar was never afterward seen alive. On Fridny last it was noticed by a man that a large number of buzzard were hovering about a wood a shor distance off the Newport and Gray' pike, between the villiages of Coch ranville and Penningtonville. Th man at length went to the place t see what they were doing, and foun- unearthed the head and body of man, as well as his arms and legs which were separate from the body He gave notice to the neighborhood and the horribly mutilated body we finally recognized as that of the stranger who had been staying a barbarbarbarbarbarbarbarbarbarbarbarbarb	short; two hooks fly off the fining, and the-buttons get loose the first time they are buttoned. If the dress is black silk or alpaca, she may be thankful if there are not two or three kinds in it; and she may measure the lace or fringe till doom's day, and she'll never be able to make it equal the number of yards in the bill. Some simple hearted sister may fancy she'll better herself by having one of the peripatetic species in the house. But it's jumping from the frying pan into the fire, for every soul of the tribe carries her dressma- king sphere with her. And where- as, in going to the shop, she endures an hour or so at a time. In this case she endures every moment. Be- sides turning the whole family into errand boys and waiters, her very presence puts a taboo on books and papers and music, and all such things. One can't get away from her influ- ence anywhere under the same roof. If a friend comes in, she can tell by the worried expression 'of face that there's a dressmaker throned in some upper room. Then the hostess, besides giving her brain with the anxious querry whether overskirts are "going out," must fuss in the kitchen to provide a little more stylish meals than usu- al, because she knows and feels that in the sharp eyes of that interesting creature are on everything, and com- paring them with things in the hoise of Mr. —, where she worked last week. In fact, one might as well biton—and done with it. Now, I say it is intolerable, and bitesed is the woman who can make her own dresses. Her time may be worth half a dozen times as much as ehe would ney the dreasmaker, and a che would ney the dreasmaker, and	te rsgy, e ts ti

The rider on their back really feels himself the man part of a centaur, and not a distinct being.

hat she . A Poet's Daughter.

on the 13th ult., Ellen Thompson cottish lady, died at the ripe age 34. There was no element of roance or intereset in the good woin's life story, and yet the electric irk has flashed the intelligence of death to every corner of the earth, the Greater Britian across the Atitic, and to the Younger Britain the Austral Seas The dead lady d one title to fame, and one only. e was the daughter of a certain oughman of Ayrshire who, at the se of the last century, beguled a ary pilgrimage by songs so trans-sed by the warm thre of genius, so ercing sweet in their depth of rical melody, that they have won the poet an immortality of fame. e was the daughter of Robert irns and Jean Armour-a pair, the thetic story of whose love and woe as famous as the melancholy roance of Petrarch and Laura, or the sterious tragedy of Swift and the o young and beautiful women ho adored and died for him. The dy whose long pilgrimage closed on

too the 13th was the offspring of that passion which her sire has celebrated in the most equisite Anacreontic in the English tongue. It was of her meter mother he sung:

Had we never loved so kindly, Had we never loved so blindly, Never met or never parted, We ne'er had been broken bearted.

Nigh eighty years have passed nce to Scottish earth Scotland's eatest poet was consigned. With ch succeeding year the world has own more conscious that the peasnt poet was one of the supremely eat singers of all time, a man whose fe had been touched by the same ivine Spirit of Poesy which had reathed on Dante Algieri and in-bired the genius of Wolfgang boethe. His works have been transted into every. civilized tongueis songs are equally popular in the hepherd's hut and the noble's pale-his countrymen have raised inis honor a magnificent mausoleum nd celebrated as aihigh festival the centenary of his birth. And this nan, whose memory the world de-ights to honor, this man whose me fills the wide domain of cul-

rative merits id worrying kious querry "going out," n'to provide als than usund feels that ing, and comsin the house worked last ingt as well

The kindest and the best; Welcome the hour my wretched limbs Are laid with thee at rest; The great, the wealthy, feel thy blow, From pomp and pleasure torn; But oh 'a blest relief for those That weary laden mourn.

In the history of the sufferings of genius there is no sadder chapter than that, the recollection of which is now renewed by the death of the last of the many children of Burns.
