THE PISH BILL.

The following is the bill as it passed: BECTION 1. Be it enacted by the Senat and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same, That hereafter no person shal have in his or her possession or expose to sale, any shad caught in the river, Delaware, or its tributaries, within the jurisdiction of the State, below the head of Trenton falls, between the eleventh day of June and tenth day of August in any year, or above the head of Trenton falls, or anywhere on the river Susquebanua, or on any of its tributaries, within said invisdiction, between the hixteenth day of June and the tenth day of August, in any year, under a penalty of five dollars for each and every shad so had in possession, or exposed for sale, to be recovered in any action or actions of debt, with costs of eait, by any person of persons, in his or their name or names, before any justice of the peace in the county where the offense was committed or where the defendant resides or is found: Provided. That nothing in this act shall make it unlawful for the fishery commissioners of this State or of the coriparian States, or of the United States commissioner of Esheries, with the consent of the fishery commissioners of this State, or of the coriporian States, to take fish in the said waters for the purpose of natural or artificial spawning or propagation of the

SEC 2. It shall not be lawful to catch fish in any way whatever in say of the waters in which fish will live, over which this State has either original or treaty, statutory or constructive jurisdiction, reciprocally, interchangeably or otherwise, at any time between sunset on Saturday evening and enerise on the next ensuing Monday morning; the said offense to be be sentenced to pay a fine not exceeding one huadred dollars, at the discretion of the court, and sheriffs and constables, or are bereby authorized and required to means and force as may be necessary to arrest such persons found in sight of such officer or his deputy, in the commission of the offense, and seize such boats and their apparel, tackel, implements, nets, et cetera, as may be used or employed in the same, the said persons to be tried and punished as aforegaid, and the property taken to be sold at public sale, by the said shoriffs and constables, on due public notice given, the proceeds to be turned over to the tressuries of the proper coun ties or cities bordering upon or embracing the stream of streams whereon the offense shall have been committed: Provided, That beliermen, and those only necessariby using such seines in their regular established business, as on account of the large size of said seines, and for that cause alone, cannot be eet or laid out except at the slack or turn of the tide, may set their nets or seines at only one such turn of the Aide occurring by regular tidal changes, between any midnight during the fishing season on Saturder night and on sunrise on the following Moeday morning, with out incurring the penalties provided in

Sec. 3. Trespassing upon fish preserves er ponds shall be pulishable as other un hwful trespass for breach of a close, but no action shall be sustained therefor unioss public notice of the character of said preserves, by hand posts, be set near the said waters, by the owners or occupants thereof; and if a readway, pathway, railway or other form of crossing, shall pass over waters held, owned or used as fish preserves, by any person or persons engaged in the culture, propagation or preservation of fish, it shall not be lawful so much thereof as may be necessary, is for any person to fish in the eaid waters, from the said crossing, or from any of its in the State Treasury not otherwise apparts or projectures; and any person or | propriated: Provided, That in each of persons so offending shall be liable, in an action of trespass, before the tribunal be completed in succession, in the order having jurisdiction thereof: Provided. That notice shall be fixed at such crossing by the owner or occupant of the close or preserve, warning the public that the anid waters are used as preserves for the culture, propagation or preservation of fish: and the owners or occupants of such enclosures having given written notice to their neighbors, or adjoining occupants, of the character of said preserves or en. ed to the Auditor General, he shall issue closures, and warned them not to pormit domestic water few is to trespass upon the same, which warning being unbeeded for a period of ten days, the said owners or occupants may take possession of, or none of the fishways named in this secotherwise destroy said water fowl or tion, to be constructed in the years eighlowls, without any liability for taking or | teen hundred and seventy-four (1874) and

Sec. 4. That it shall not be lawful to fish with nets or any other method of entrapping tish, except with book and line, within half a mile of any part of any dam or its schute, in which there is or may hereafter be any schute or fish lad der, for navigation or for the purpose of the passage of fish up or down any stream in this Commonwealth, and any person persons so offending shall be deemed guilty of a misdemeanor, and on conviction thereof, shall be centenced to pay a fine not exceeding one hundred dollars, at the discretion of the court: Provided, That the provisions of this section shall not take effect until the first day of March. in the year of our Lord one thousand poses for which they are now used,

e ght hundred and seventy four. Sec. 5. The Governor of the Common: missioners, who shall be commissioned river immediately below or above the modation of these fund people.

three years from the date of their apand any vacancies occurring in said commission by death, resignation or otherwise, shall be for the unexpired term in and commission of the Governor. The general duties of the said commissioners, in addition to their other duties specified and waters of this Commonwealth, and to stock the same with fish in succession dred dollars in any one year. at their judgment, as they shall be supplied with means thereof, and they shall use every lawful means to have all the laws in the cases made and provided to be faithfully executed, who shall be paid their reasonable and necessary expenses for the performance of the duties prescribed by this act, and shall report their proceedings and doings annually to the Legislature, through the Governor of the Commonwealth, accompanied by a full and itemized statement, under oath, of all expenditures made by them in pursuance of the provisions of this act: Provided, That before the Governor shall issue a commission to any of the said commissioners he may require each of them to file a bend in the sum of ten thousand dollars, with one or more sufficient sureties, in the Auditor General's office, to be filed in the office of the State Treasurer be approved of by the said Auditor General, conditioned for the performance of said State. the duty of said commissioners with fidelsuch commissioners.

8sc. 6. During the present year, one

thousand eight hundred and seventythree, the commissioners aforesaid are required to have constructed by contract with the lowest and best bidders after deemed a misdemeanor, and on conviction | due public notice, approved fishways or ladders for the passage of migratory or anodromous fishes as follows, to wit: One in Columbia dam, in addition to the harbor police officers and their deputies one now existing therein; one in the Clark's Ferry dam; one in the Shamokin suppress all such fishing, using such dam, and one in the first dam of the Juniata river above its confluence with the Susquehanna river, for which purpose twenty-five thousand dollars (\$25,000,) or hereby appropriated out of any moneys in the State Treasury not otherwise appropriated. During the year one thousand eight hundred and seventy-four (1874) the said commissioners are hereby required to have constructed by contract in like manner, with the lowest and best bidders after due public notice, approved fishways or ladders for the passage of migratory or anadromous fishes as follows, to wit: One in the Muncy dam; one in the Nanticoke dam; one in the Lewistown dam (in the narrows,) and one in each of the two dams first occurring on the Lebigh river above its confluence with the Delaware river, and one in the Horse Race dam in the North Branch of the Susquehanna river, or open said dam, for which purpose thirty thousand dollars (\$30,000), or so much thereof as may be necessary, is hereby appropriated out any moneys in the State Treasury not otherwise appropriated, and during the year one thousand eight hundred and seventyfive (1875) the said commissioners are required to have constructed by contract with the lowest and best bidders, after due public notice, approved fish ways or ladders for the passage of migratory or anadromous fishes, as follows, to wit: One in the Newton Hamilton dam, one in the Reystown Branch dam, and one in the the third and fourth dams each on the Lehigh river, above its confinence with the Delaware river, for which purpose twenty thousand dollars (20,000), or hereby appropriated out of any moneys the said years, the fishways aforesaid shall in which they are aboved named, and no moneys shall be paid out of the State Treasury under the provisions of this or ladders under the direction or approval section except upon the qualified certifical of the said fishery commissioners, without cate or certificates of the said commission. ers, or a majority thereof, from time to time, that the services have been rendered or the work done in accordance with | plaining, this act, which certificates being presenthis warrant or warrants upon the State Treasury in payment of the same, in fawor of the person or persons to whom the same may be due: And provided. That eighteen hundred and seventy-five (1875,) shall be put under contract or contracted, unless the said commissioners or a majirity of them shall, on or before the first day of May, in the year one thousand eight hundred and seventy-four (1874), file a certificate with the Auditor General.

Sec. 7. The board of fishery commissioners may, if they consider it necessary, lar in Washington society, and the stairwealth is hereby authorized and required appoint, not exceeding two fish wardens | ways are so blocked thereby, that there is to appoint tree competent persons who or water bailiffs, to be placed in charge of talk of having temporary staircases disshall be known as the State Fishery Comil cach of the reaches or stretches of the tributed through the rooms for the accom-

that in their opinion the said fishways

have been successful, and can be success-

fully used for the passage of migratory or

anadromous fishes: And provided further,

That any fishways constructed under this

act must be built and constructed in a

substantial manner, after the most im-

proved and approved method to admit of

the passage of fish at reasonable cost, and

and hold their positions for the period of dams mentioned, and at least three fish wardens or water balliffs on the river pointment, unless the said commission is Delaware, at such points as they may sooner dissolved by legislative enactment: | deem proper, whose duty it shall be to be vigilant, and who, if it be necessary, are hereby empowered to call to his or their alu any sheriffs, constables, harbor police like manner filled by the appointment officers or their deputies; and upon information made by him or them, or upan view of any offense against or infraction of any of the fishery laws, to arrest and in this act, shall be to forward the resto-bring to punishment all and any offenders ration of the inland fisheries of the rivers sgainst the same; the pay of each of which officers shall not exceed one hun-

> SEC. 8. Should the State of New Jersey appropriate funds for the artificial propagation of shad in the river Delaware during the fishing season: of the current year, one thousand eight hundred and seventy-three, the board of fishery commissioners are authorized to apply and employ a similar amount for the same purpose: Provided, The said amount shall not exceed the sum of three thous and dollars: And provided further, That the said sum not exceeding three thousand dollars is hereby appropriated for that purpose, to be paid by the State Treasurer upon the warrants of the said board of fishery commissioners, from time to time, as the same may be necessary, whenever a certificate of the appropriation and action of the State of New Jersey shall authenticated as required by the laws of

SEC. 9. That the provisions against ity, and the faithful application of any fish baskets, kiddles, eel wiers or racks, moneys which may come to his hands as and similar contrivances, contained in section eleven of the act of twenty-fourth of May, one thousand eight hundred and seventy-one, are hereby made applicable to all streams or parts of streams under the jurisdiction of this Commonwealth; and it shall be the duty of the board of fishery commissioners to notify the public as to the spawning time, specifying the same, as far as they can ascertain it. of the various tribes of useful food fishes inhabiting the inland waters of this Commonwealth, during which time it shall be unlawful for any person or persons to catch or have in possession any fish or fishes, of the tribes or kinds of which no tice has been given by the commissioners so much thereof as may be necessary, is as aforesaid, under the same penalties for the same prescribed as to shad in the first section of this act.

SEC. 10. It shall further be the duty of the said fishery commissioners to select proper and suitable locations, and construct and erect suitable houses and devices for the purpose of hatching and propagating useful tribes of food fishes, and to stock and supply all the streams, lakes and fresh waters of the Commonwealth with the same, by distributing the impregnated spawn or fry of the said tribes of fishes to all parts of the State, under proper regulations, having in view the encouragement of fish culture, and to employ the necessary labor and buy the necessary material, machinery and im plements therefor; and for that purpose, and to pay the necessary expenses of the said fishery commissioners and of the bailiffs they may employ in pursuance of of section seven of this act, the further sum of ten thousand dollars, or so much thereof as may be necessary, is hereby appropriated out of any moneys in the State treasury not otherwise appropriated, to be paid by the State Treasurer, on the warrant or warrants of the said commissioners, or a majority of them, from time to time, as the work is done or the service rendered: Provided, That the said commissioners shall file annually with the Auditor General an account of all moneys expended and services rendered, and when ever it may be practicable produce and file with said account the proper vouchers Insures Against all kinds of Accidente,

SEC. 11. It shall be the duty of any person or persons or corporations hereafter erecting or constructing any dam or dams in any of the rivers of this Commonwealth, or their tributaries, accessible to shad, or other migratory fishes, to put in or upon the same suitable fish ways which every such dam shall be deemed a public nuisance, and liable to be abated upon the information of any one com-

SEC. 12. That if any person shall cast, draw, set or fasten, or otherwise make use of any seine, set net, fyke net or net of any other description of less mesh than ten inches, or any other appliance except the hook and line for the purpose of catching fish in the river Delaware, within the jurisdiction of this State, below the head of Trenton Falls, between the tenth day of June and the tenth day of August, in any year, or above the head of Trenton Falls or anywhere on the Susquehanna river, or any of its tributaries within said jurisdiction, between the fifteenth day of June and the tenth day of August, in any year, the person or persons so offending shall be guilty of a misdemeanor, and on conviction be sentenced to pay a fine not exceeding one hundred dollars, and undergo an imprisonment not exceeding six months, or both, or either, at the discretion of the court.

SEC. 13. That all laws or parts of laws inconsistent herewith be and the same are so as not to injure the dams for the pur- hereby repealed.
