## Purchasers Beware!

TWO men who are traversing this part of the country, vending what they call cement for repairing broken china ware, have through fraud and misrepresentation, obtained a deed from the subscriber for the tract of land whereon he now resides, situate in Hannes township, Centre county, containing 44 acres more or less; and having thereon erected a Fulling mill, carding machine, &c. They called themselves Wm. Newton and John Cromwell, and pretended to convey in exchange for the above land and improvements, a quarter section of land in the state of Ohio, which the said Newton said he was authorized to sell for a man of the name of John P. Mennix, and also a tract of donation land situated in Crawford or Mercer county. The undersigned has good reason to believe that the title to these lands is not in those men. As it is probable that they will offer the land of the subscriber for sale, he gives this notice that purchasers may beware, as he is determined to remain in possession if possible, and not yield the same, unless to one to whom he may himself convey.
