### TO RENT The Washington IRON WORKS,

Situated in Nitany Valley, Centre county, about fifteen Miles below Bellefonte, six miles from Baldeagle creek and nine miles from the Susquehanna river; the works are well situated, and on never failing streams; the Furnace is watered by a large spring and the Forge by Fshing-creek, either of these streams seldom ever freeze.

There is about two thousand acres of excellent wood land adjoining the works, there are two excellent

### Ore Banks,

one, about two and a half miles, and the other three fourths of a mile from the Furnace. The Ore is equal, i not superior, to any in the United States. The Forge is in good repair and has been working until last spring. The Furnace has not been in blast for some time, and will require some repairs. The owner is unacquainted with conducting Iron Works, and wishes to rent them, therefore any person wanting to rent Iron Works will find it to their advantage to come and view said Works, as the subscriber lives on the premises and will make the terms easy and liberal.
