PROPOSALS,

By W. BAXTER,

For Publishing in Lancaster, (Pa.) a weekly paper to be entitled the Washingtoniana.

IN presenting this Prospectus to the Citizens of the United States, the publisher begs leave to say, that this journal will be the most important state paper, that has ever yet appeared in the United States. The Editor intends to devote it entirely to those great important events which have occurred in this happy America, and will contain the most complete and satisfactory history of the United States, from its discovery, up to the present period, viz:

Discovery of America. How peopled by the Indians. Settling of our forefathers. Lands purchased by the whites. Massacres of the whites and Indians. Biography of the most distinguished personages during that time. The causes and correspondence which led to American Independence. An accurate account of the battles and skirmishes during the revolutionary war. A biography of

Gen. George Washington, with an elegant portrait accompanying the same. Also, a biography of Presidents Adams, Jefferson, Madison and Monroe, with a striking likeness of each. A biography of Generals Wayne, Mercer, Putnam, Morgan, Montgomery, Gates, St. Clair, De La Fayette, Koskiusko, and others. An account of the Whiskey Insurrection, with the names of the most prominent actors in that scene. Burr's Conspiracy. History of the Barbary wars. History of the late war. Biography of Generals Jackson, Brown, Ripley, Winder, Boyd, Miller, Wilkinson, Scott, Gaines, Harrison, &c as well as Commodore Decatur, Perry, Porter, Bainbridge, Chauncey, Hull, Lawrence, and Biddle.

Being well aware that this paper will contain the most interesting History of America now extant; and on account of publishing it in numbers, it will enable every individual to take a copy—as well as the cheapness of the work, must induce every man to patronize such a laudable and praise worthy undertaking. Let every Subscriber take care of his paper for a year, and then get them bound, and they must become a public benefit to the rising generation. It will contain many adventures—many battles—and many anecdotes which have never been published to the world—Many a horrid tale of Indian barbarity and British cruelty, will be recorded in this paper, as a beacon wherewith to guard against.
