FOR SALE.

The subscriber offers for sale, the following lands, situate in the county of Clearfield: A valuable farm containing

300

acres, on which are erected a good DWELLING HOUSE and a new

LOG BARN,

with about fifty acres cleared, seven of which are meadow, and much more can be made with little expense, a thriving APPLE orchard, a number of PEACH and other fruit trees.

ALSO,

A handsome FARM, adjoining the above, containing

200

acres. Improvements, a log dwelling house and barn, out houses, and about seventy or eighty acres cleared; sixteen of which are meadow—a bearing APPLE and PEACH orchard besides a variety of other fruit trees.

ALSO,

a tract of land adjoining the last mentioned, containing about 200 acres, with small improvements, but elegant land, and easily cleared;

ALSO,

in that neighborhood, two tracts of unimproved land, containing 2000 acres, the quality of which, comparatively, is the best in that county.

These lands possess advantages, which many in that country are deprived of. They are situated three or four miles from the Susquehanna River; four or five from the mouth of Anderson's creek; and from a mile to a mile and a half from the turnpike, leading from Erie through Bellefonte. The State road from Huntingdon intersects this turnpike, and passes the houses of the improved tracts. Persons wishing to erect water works of any description, will find these lands in every respect well calculated for that purpose; the seats on two of the tracts, one improved, are considered the best in that part of the county, well supplied by nature immediately about them, with valuable sawing timber, such as pine, cherry, oak, &c. which if converted into boards and scantling, and sent down the Susquehanna, would realize to the owner a handsome profit. The land is generally timbered with oak, hickory, &c.

The price will be very moderate, for the improved, by paying half in cash, and the remainder in equal payments. The unimproved, by paying part in hand, and the remainder by installments, the subscriber will sell much lower, than any that has heretofore, or that now is, offered in that or any adjacent county; say, from \$1, 50 to \$2, 00 per acre, according to the payments. For further information, enquire of the subscriber, living in Cambria county, William F. Boone, Bellefonte, or Samuel Johnston, near the premises.

JOSEPH BOONE, Cambria county, June 16. 1823.

N. B. There is also a large body of land, some thousand acres, near the above described, most of which is first rate land, and which the subscriber will sell at a moderate rate J. B.

ELIJAH REEVES, Clock and Watch-Maker,

of Indiana on the great road leading from said borough to Kittanning. The improvements are

Two good cabin houses, and cabin barn, about fifty acres cleared, five of which are meadow, and more may be made, with a small

Apple Orchard,

thereon—ALSO—A tract of land containing

142 acres

situate about five miles west of said borough, on Crooked creek, with a cabin house and barn thereon, with about sixty or seventy acres cleared, twelve acres of which are meadow & a quantity more may be made, with five sugar camps and a small orchard thereon—A further description is deemed unnecessary, as it may be best obtained by applying to the subscribers on the premises.

Bellefonte, October 2nd 1823.

The above stated lands are situated on the south west side of the west branch of the Susquehanna, opposite to the mouth of Kettle Creek, and extending from nine to twelve miles southward to the waters of Beach creek. They were surveyed in 1794 or '95, and regularly re-surveyed in 1808, and all the lines marked; the title is without dispute, and clear of any incumbrance. These lands are worthy the attention of enterprising minded men, as a great part is of a good quality, well watered and timbered, abounding with stone coal, and by opening a road from the Karthaus road, about six miles from the southern tracts (the whole distance from Milesburg being about twelve miles) an advantageous settlement can easily be formed. The lands will be sold in one body, or in separate parcels or tracts, as may suit purchasers.
