

**GEO. HENNING, HATTER.**  
Respectfully informs his friends and customers, that he has again commenced the  
**HATTING BUSINESS,**  
in Bellefonte, in a shop adjoining the house formerly occupied by Charles Huston Esq.; where he intends to keep a general assortment of Water Proof and Common Stiffened Hats, which may be had on moderate terms by whole sale or retail. He flatters himself that he can give general satisfaction, as he has been lately to the city, and has procured good stuffs. Country lamb wool will be taken in at his shop for trade.

**FOR SALE.**  
The subscriber offers for sale, the following lands, situate in the county of Clearfield: A valuable farm containing  
**300**  
acres, on which are erected a good DWELLING HOUSE and a new LOG BARN, with about fifty acres cleared, seven of which are meadow, and much more can be made with little expense, a thriving APPLE orchard, a number of PEACH and other fruit trees.  
ALSO,  
A handsome FARM, adjoining the above, containing  
**200**

acres. Improvements, a log dwelling house and barn, out houses, and about seventy or eighty acres cleared; sixteen of which are meadow—a bearing APPLE and PEACH orchard, besides a variety of other fruit trees;  
ALSO,  
a tract of land adjoining the last mentioned, containing about 200 acres, with small improvements, but elegant land, and easily cleared;  
ALSO,  
in that neighborhood, two tracts of unimproved land, containing 2000 acres, the quality of which, comparatively, is the best in that county.

These lands possess advantages, which many in that country are deprived of. They are situated three or four miles from the Susquehanna River; four or five from the mouth of Anderson's creek; and from a mile to a mile and a half from the turnpike, leading from Erie through Bellefonte. The State road from Huntingdon intersects this turnpike, and passes the houses of the improved tracts. Persons wishing to erect water works of any description, will find these lands in every respect well calculated for that purpose; the seats on two of the tracts, one improved, are considered well supplied by nature immediately about them, with valuable sawing timber, such as pine, cherry, oak, &c. which if converted into boards and scantling, and sent down the Susquehanna, would realize to the owner a handsome profit. The land is generally timbered with oak, hickory, &c. The price will be very moderate, for the improved, by paying half in cash, and the remainder in equal payments. The unimproved, by paying part in hand, and the remainder by instalments, the subscriber will sell much lower, than any that has heretofore, or that now is, offered in that or any adjacent county; say, from about 19 years old, 5 feet four or five ft, 50 to 82, 00 per acre, according to the payments. For further information, enquire of the subscriber, living in Cambria county, William F. Boone, Bellefonte, or Samuel John Boone, near the premises.
