FELLOW-CITIZENS:

Being encouraged by a number of my friends to offer myself as a candidate for the

I respectfully solicit your votes at the ensuing General Election. Should I be elected to that station, I pledge myself to perform the duties of said office with fidelity and diligence, and, at the same time, with humanity and tenderness.

John Letterman.

Spring township, May 15, 1824.

To the qualified Electors of Centre County.

FELLOW-CITIZENS,

As the constitutional term of the present sheriff will expire next fall, I beg leave to offer myself a candidate for your suffrages for that office, at the ensuing general election. I shall not trouble you with the vain promises of favour or affection, in discharging the duties of that office; as you all know that the same laws which govern you, will command me, if elected.

Having given this early intimation of my intentions, permit me to mention, that I do not mean to travel over the county to solicit the votes of the citizens individually, except this course be pursued by the other candidates; in which case I will consider myself at liberty to be governed by circumstances.

TO COLLECTORS

By the act of the 11th of March 1822, the power of collectors to collect county taxes upon warrants issued previous to the passing of the act, was limited to two years; that period has now elapsed, and as it is presumed that the collectors have received the amount of their respective duplicates, the Commissioners have directed me to give this notice, that unless they come forward on or before the first Monday of August next, and discharge the balances due by them, they will be proceeded against immediately thereafter, without respect to persons. Collectors of 1822 will consider themselves included in this notice, more especially as John Keller and James James collectors of 1823 have shown that it is possible to collect the amount of large duplicates within one year at farthest. The former has settled and paid his account in toto.
