**GEORGE S. IRVINE.**

THE subscriber having removed population public business in Millintown, after date, as I never received any funds hereby informs his friends, and the consideration therefor, and a determination public in general that he has taken mind not to pay the same unless he should have **DRINK ESTABLISHMENT**, formerly occupied by Mr. [unclear]. This establishment has

been built in a superior manner for the entertainment of the public, and will be open for the reception of TRAVELLERS, BOARDERS, and OTHERS on the 15th instant. The STABLES are new and well constructed, attended by a careful and attentive OSTLER.

It is remarked for the information of travellers, that Philipsburg is situated 28 miles West of Bellefonte, Centre county, on the Turnpike road which leads to Franklin, Meadville and Erie, in a district of country, healthy and pleasant, beautifully adorned with hill and dale, and in the spring and summer season, exhibiting a highly picturesque landscape and rural scenery delightful and animating.

The turnpike roads which lead to and from this place are extraordinary well made, and kept in good repair, and the great improvements that have been made at Philipsburg these few years past, together with good accommodations, render it attractive and desirable, as a place of resort in the warm season, to those who are in pursuit of health or pleasure, and no fear is entertained but the judicious and tasteful will be gratified in their visits.

The subscriber will at all times keep a good supply of OATS and HAY—Also

Drovers can be accommodated with pasture on moderate terms. Stages run thro' this place weekly, from Bellefonte to Erie, which afford an easy and comfortable conveyance for those who have a desire to travel this route.

Grateful for the partiality which he has experienced from the public at Millintown, the subscriber pledges his best exertions to merit a continuance of that partiality at Philipsburg.
