The time for holding the Republican State Convention is not far distant. What will that Convention do? Will it nomingte for re-election, J.co. W. MR. EDITOR:-The following is short and very imperfect report of the able lecture of Rev. Francis O'Shea, delivered in the Court House, Bellefonte, Pa., March 17, 1869. Had we known that a report would

be requested, we would have taken some notes to serve us as a basis on which might be constructed something unbiassed by any personal considera- of its kind; similar, we might hope, but wanting all the life, unity, beauties and proportions of the original. The Rev. Gentleman took for his subject--Ireland, Her origin, her His-
