Local Department. BELLEFONTE, PA.

Wednesday Morning, April 28, '69.

JOB WORK .- Posters, Circulars, Bill Heads, Cards, Paper Books, Job Work of all kinds, neatly executed at the REPUBLI-CAN OFFICE, at reasonable rales.

FARM FOR SALE -Bond Valentine offers his splendid farm, of 195 acres, with in one and a half miles of Bellefonte, for sale. For full particulars, inquire of Mr. Valentine, or at the office of the RE-PUBLICAN.

COURT WEEK .- Court will be in session this week and next. This will afford the people an excellent opportunity to call at the office of the Bellefonte RE-PUBLICAN, and subscribe for the paper. No family should be without it. Our weekly market report, alone, is worth the subscription price. Every Republican in the county should subscribe and pay for the Republican. Step in gentlemen, we will be pleased to see you.

SWARMING .- "Patent right" men are now swarming over the country, like the locusts of the plains, seeking whom they may devour. They have got to be an actual pest, and should receive no countenance from anybody. Did you ever hear of any one getting his money back on one of the numerous inventions now being peddled around the country? Look sharp before you buy. Jas Cline's Grubbing Machine is so humbug; but just what every farmer, who has land to clear, should have.

Dissolution .- By reference to the advertising columns of the Republican, it will be seen that the co partnership heretofore existing between Adolph Sternberg and Simon Brandeis was dissolved on the 17th day of April. The books and accounts of said firm are, in the hands of A. Sternberg for collection. All persons knowing themselves indebted to said firm are called upon to settle without delay. The business will be continued at the old stand, by A. Sternberg, that clever merchant, and prince of good fellows.

To THE PUBLIC .- Rev. P. Coombe will preach on Sunday morning, May 9th, and also in the evening of the same day. in the M. E. Church in Bellefonte, Sub ject, in the morning, "The Sinfalness of the License System;" in the evening the subject will be "The everthrow of the License Law, and the . Whiskey Ring. " Parents, young men, young women, christians of all denominations, and the public generally, are invited to attend.

Rev. Coombe is one of the most justly celebrated and popular speakers and ministers of the age. A nich treat is in store for the people. Come one, come all. l'ews free.

Post Office.-We understand that Jno. T. Johnston, the newly appointed Post Master, has made his arrangements pied by Jacob D. Miller, as a book and stationery store. The post-office and Mr. Miller's book-store will, therefore, be in the same room. Mr. Miller intends to enlarge his stock, and respectfully in vites the public to call and see him -Jake is a clever, enterprising young man, and deserves success; and the fact of the post-office being in his room, will compell nearly every body to call into the book-store, and when once in, Mr. Miller, by politeness and strict attention to business, will endeavor to induce them to buy books and stationery from him.

Accident .- We regret to learn that a sad and painful accident happened at J. F. William's steam saw-mill, in Huston township, on Wednesday, the 21st inst. resulting in a serious, if not fatal injury to George W. Williams. A piece of dry oak slab caught on the teeth of the saw. and was thrown with the force of a gun shot, striking Mr. Williams on the head. A sliver three-fourths of an inch wide, and nearly half an inch thick, penetra ted the corner of his right eye, to the the proud satisfaction of knowing that all depth of two and one-fourth inches.

Dr. Foust, of Port Matilda, was bro't and extracted the sliver, which he still has in his possession. Mr. Williams is now in a critical condition, being, at | chants in this enterprising country totimes, entirely deranged. He is a worthy | day who do not advertise, but have tried and amiable young man, esteemed and the experiment at some time. Although respected by all who know him. He has it has proved an advantage to every one the sympathies of the entire community.

We are indebted, for the facts above stated, to one of the best citizens of Huston township. We cannot let this opportunity pass without enjoining upon our friends, in every township in the county, the importance of reporting for the REPUBLICAN, all the accidents, deaths, local news, &c., that may occur.

"LEFT A LARGE PROPERTY."-" He left a large property," was the closing sentence of a recent obituary. How many reflections it suggests! What a pity be was obliged to leave it! He had taken great delight in collecting it. It was all the fruit of his own energy, industry and good judgment; he had to leave it, and went out of the world as poor as he came in. He might have taken it with him rather he might have sent it forward i advance. Every dollar given in humble faith to scatter the glad tidings of salva tion, every cup of water given to a disciple, every tear of pious sympathy for the suffering, every gift of his kindly charity to the needy, would have been treasure laid up in heaven. How much more blessed to go to, than to leave a large

property. The man who is poor in this world's goods, but rich in faith, closes his eyes on this life, and goes to take possession of his inheritance. He owned not a foot of land on earth, but for him-

"Sweet fields beyond the swelling flood, Stand dressed in living green." His food here was plain and scanty, but there he will ca freely from the "tree of life" His garments here are poor and plain, but there he shall be "clothed in fine robes" He associated here with those who are despised of men. but there his companions will be the "innumerable company of angels," and the "Church of the first born which are written in Heaven."

ATTENTION: - The Republicans of Bellefonte are requested to meet in their Club Room on Friday evening at 71 o'clock for the purpose of nominating Candidates for School Directors. Councilmen &c., to be voted for at the Borough election to be held on Monday the 3d day of May. Let there be a full house, that there may be no complaining after the nominations are made.

SODA FOUNTAIN .- Ye lovers of good, cool drinks, we have an item of news for you. F. S. Wilson has his soda fountain in full flow, at his beautiful drug store, in room No 1 Brokerhoff's row. He has it in the best of style, having purchased a marble counter, and every other article necessary to make it beautiful and exquisite. He did not send to the city for his marble, but purchased it from Mr. Felty, thus encouraging home industry. The mechanics, and friends of home industry should, in return, patronize Mr. Wilson. First, because he manifests the right spirit, and is "sound on the goose," and second. because his soda is so much better than whiskey or

lager beer-Phiz, phiz, the fountain's flowing, The people to the store are going, And Frank is in a glee. In crowds they flock into the store, To hear the fountain phiz and roar,
And take some soda e.

In Town .- Gen. Jas. S. Brisbin and lady arrived in town on last Thursday. The General has been stationed at Fort D. A. Russel, Wyoming Territory, for the last ten months. Last December he had a severe attack of rheumatism, by which he lost the use of his legs, and has been compelled to use crutches from that time to the present. He is now about well. and will soon be able to dispense with crutches.

The General and lady left Fort Russel early in March, for the purpose of visiting their friends in this town and county; out their two children were taken down with scarlet fever on their way home, so that they were compelled to stop off at Cincinnati. . They put up at the Gibson House, in that city, where every attention was paid the little sufferers, until he o'dest recovered, and death came to the relief of the youngest-little Jennie, on the 16th of April. Little Jennie was buried in the Bellefonte Cometery on last Friday, the funeral procession leaving the house of D. M. Wagner, E-q , at 4

The General will remain in town for a ew weeks, if the Indians will behave themselves in a manner so as to let him 'have peace" for so long a time.

Busy-The merchants in town who advertise in the Republican. Goask Loneberger & Henry how many Old Home cook-stoves they have sold since they advertised in the REPUBLICAN. You will be astonished. They are astonished themselves Why the 'Old Home cookstove" goes off like hot cakes, and nearly all have been sold to patrons of the RE-PUBLICAN. Will our business men open their oves to these facts, and stick a pin here? You want to sell goods; advertise in the REPUBLICAN. You want monev: advertise in the Rupublican. If you want to sell anything; if you want to buy anything; save time and money by advertising in the REPUBLICAN. If you want to keep yourself booked on politics, and the current events of the day, subscribe for the Republican, and pay for it in advance, thus will your peace flow like a river, your sleep be sweet and refreshing, and your conscience void of offense -toward the printer, at least. In addition to all these blessings, if you eat your food well cooked-cooked on the Lon eberger & Henry "Old Home" cookstove, you wil never have dispensia, and your wife will never lose her temper .-Under these circumstances you can read the REPUBLICAN with pleasure, and have you read in its columns in regard to our business men, and politics, is true.

Bogus Advertising Mediums .- There

are thousands upon thousands of mer and a fortune to many who have tried it. there are men without number who wl'd as soon throw money into the street as ried advertising, they say, and they reased no benefit from it. It doesn't pay. And why not? Because they have overlooked the legitimate channel of communication with the public, the columns of first class newspapers, and gone into some novelty, something gotten up to "take in" just such people as avoid newspapers. This class of men subscribe for a thousand envelopes with ten cards same. printed on the back, and they say "That is a good advertisement," and expect an immediate rush of customers after the first envelope is seat by mail. They forget that hearly all the correspondents of merenants is with other merebants at a istance, and that the cure ope is thrown er is opened. Besides, it takes probaoly a year before the ten thousand envelopes are used, and the advertisement sent into ten thousaid hands, while any weekly newspaper will send the same card into fifty to a hundred thousand households during the year for the same

Then some conceives the idea of a frame with painted cards arranged very attractively. It is put up in a depot, and strangers returning home read what usiness men saytherein, and say"If I had known it, I should have gone there," but forget all about it when they again visit he town To dry goods merchants partion!arly these mediums are worse than useless, while the columns of almost any newspaper, however smail its circulation are worth many times their cost, as the class of purchasers to be gained are the road, and in the Pailadelphia papers .ladies, nine out of every ten of whom Adjourned. read all the advertisements that appear in the family paper.

BOOK STORE .- Mr. Livingsoon has removed his book-store from the old stand, to the room formerly occupied by F. P. to nominee for Governor. Proceedings Green, as a drug-store, in the Brokerhoff block. He has a beautiful room, and we understand that it is his intention to greatly enlarge his stock and business. His store will hereafter be known as the "Centre County Book and Stationery

> THE R. R. MEETING AT MILLHEIM .-The Citizens Along the Line Promise to Grade the Road .- Pursuant to a call previously issued, a meeting of citizens of Union and Centre counties, was held in the Town Hall, at Millheim, on Thursday, 15th inst. The attendance was respectable and consisted of the representative men all along the line of the L. C. & S. C. R. R. The utmost harmony and good feeling prevailed, and evidence was given that the citizens along the line of the proposed road were ready to contribute liberally, as soon as any corpothe project under headway, and insures its completion. There is no doubt, from meeting, that the people along the line can be relied upon to bear the expense of grading the road, if the Penn'a Central, or any other company will agree to do the balance of the work.

The meeting was organized by electing the following officers: Fresident-Gen. Geo. Buchanan,

Centre county. Vice Presidents-R. F. Hazlitt, Spruce Creek; Geo. Jack, Boalsburg; S. S. Barber, Buffalo Valley; E. J. Deshler, Aaronsburg; Amos Alexander, Millbeim; Dr. Wm. F. Seebold, Hartleton: Henry Korman, Brushvalley; Mark Halfpenny, Lewisburg; J. C. Motz, Woodward; J. P. Gephart, Bellefonte. Secretaries - Capt. J. R. Orwig, Mifflin

burg; Fred Kurtz, Centre Hall. The President submitted a few appre

priate remarks upon taking the chair. On motion, Capt. Orwig rose and stated that the object of the meeting was to make some organized effort, on the part of the people of Centre and Union counties, by which this long talked of improvement might be brought to a reality, and that this proposed route was a natural link in a great through route which would sooner or later be constructed through this section of the State, and that to make ourselves safe, we must proceed at once, and build this link, and thus compelit to be taken in as part of a great trunk line which would undoubtedly be constructed through central

Hon. Eli Slifer, being called upon, stated that, in the new Lewisburg bridge and laying of the track from the P. & E. road to that borough, the Penn's Rail. road Company had siready made a solid having already proceeded thus far. spending some \$200,000 at the most important point, he was confident that comnany had not done thus much without looking to the ulterior completion of the road, he said he was not authorised to speak for the Penn'a Railroad Company. out so far as his intercourse with the officers of that company extended, he could say that they sympathized with this movement, but he felt some alarm at reeent legislation, which looked to the construction of a road, with an eastern terminus on the Sinnamahoning, with the P. & E. Road. Mr. S. said he felt assured that the Penn'a Central would move in the matter, upon liberal action being taken by the people along the line, and suggested the appointment of a conmittee to confer with that company.

On motion of Wm. C. Duncan, a comnittee be appointed by the meeting to select a Committee of conference with the aforesaid company, which committee, after a short absence, reported the fol-

lowing: Committee to confer with the Penn'a Railroad Company :- Col. Eli Slifer, E, B. Islett, Moses Thompson, Geo. F. Miller and Ed. Blanchard.

This Committee is instructed to confer with the Penn'a Railroad Co., as to what aid may be expected from them, and failing to receive a favorable response, they shall confer with any other corporation, and report at once.

The discussion was continued by Messrs. Duncan, Dill, Gephart, Slifer, Kurtz,

Swartz, and others. Mr. S. H. Stover pledged Harris for the grading of the road through that township. Col. Hazlitt pledged the people pay for an advertisement. They have of his section for the grading of the road from Boalsburg to Spruce Creek, stating that the Messrs. Lyons would grant the right of way through ten miles of their lands free. Assurances were given from Potter, Gregg, Penn and Haines, that the people of those townships would come fairly up to the work. Miles the same East Buffalo is pledged to gradetheroad through that township. Limestone tp.

Some disappointment having been expressed at the Snowshoe Company not eing represented at the meeting. Mr Cobuin rese and stated that undue remarks had been medeas to its position. that he had just received a none which gave an explanation of their course, nto the waste basket as soon as the let- which, if he would read, would be satisfactory to the meeting, but for prudenial reasons, the said company did not wish publicity to be given to the same at present; however, he was authorized to say, that the Snowshoe Company gives its earnest support to this movement. and would join in at the proper time. Mr. A. H. Dill offered the following,

> which was unanimously adopted: Resolved. That it is the sense of this meeting, that immediate action should be taken, looking to the construction, at once, of the L. C. & S. C. R. R., and that we pledge the earnest and cordial coopperation of the people of Union and Centre counties, along the route of the road in effecting the earliest possible completion of the same

It was also resolved that the proceedings of this meeting be published in the papers of the councies interested in the J. R ORWIG, FRED. KURTZ

Secretaries.

COUNTY SUPERINTENDENT .- The School Directors of Centre county will meet in convention, on Tuesday, the 4th day of May, for the purpose of electing a County Superintendent-to fix his salary, &c. Every School Director in the county should make it a point to be present.

Mrs. Evy, of Harris twp , had her house and furniture destroyed by fire on Thursday afternoon of last week. Nothing of any value saved. No insurance. Her case is deserving the notice of the public. and should receive attention, Mr. David Stewart's house in Boalsburg would have burned down the same day but for the efforts of the citizens of Boalsburg to

JUDGE MEYER .- It appears that his Honor, Judge Meyer, took snap judgment upon the ladies and friends of temperance, by granting the license on Monday before the temperance people had handed in their remonstrance. We have not learned the particulars, but are in ration comes forward to aid in putting clined to the belief that the Court acted with indecent hoste in this matter. If the Rule of Court was changed in regard the feeling that was manifested at this | to granting license, why did the lawyers not know it? And why did they not inform the ladies of the fact? Was nobody employed?

> EXHIBITION .- The Eagleville Grammar School closed its winter session with a grand exhibition on the evening of the 13th of April, under the supervision of entire affair passed off pleasantly and successfully. The pieces were well spokon, especially those performed by the young ladies. The dialogues were amusing and instructive, and the examination of the advance grammar class certainly reflected much credit on itself The only thing that mared the pleasure of the evening was the tremendous crowd collected. The large and magnificent school room was crowded to excess long before dark, great numbers being compelled to leave for want of seats or standing

The valedictory, delivered by a young ady, was splendidly done. Her farewell to her schoolmates and teacher. was fine and affecting. The reply by the teacher was equal to what could have been expected by his most ardent friends. Altogether, it was a pleasant treat to scholars, citizens and spectators, and one, I think, that will long be remember-NOW AND THEN.

CORNERSTONE LAYING -The cornertone of St. John's Episcopal Church, of Bellefonte, was laid on Thursday last, at 3 o'clock in the afternoon The day was most favorable for the purpose. The sun shone bright, and the air was bracing, and nothing was left to be desired in point of weather.

At 3 o'clock precisely, Bishop Stevens, investment in commencing this road, and with six clergymen, and the wardens and vestrymen of the church, filed from the house of Mrs. Jas. T. Hale, and went, in procession, to the place of building .-Upon arriving there, the 122d psalm was repeated by clergymen and the people, esponsively. The Bishop then, in few words, declared the object of their coming together. Prayer was then offered, after which the Rector of the parish, Rev. B. McGann, deposited in the corner stone several books and papers which he described. Among these were a Bible and a book of common prayer; the names of the Bishop and Clergymen officiating; also the names of contributors to the building fund, &c.

The Bishop then proceeded to lay the cornerstone. Striking it three times with the mallet, while invoking the three persons of the Holy Trinity, declaring that the edifice to be there erected, was to be devoted to the worship of God, according to the principles of the Protestant Episcopal Church.

The choir then sung an appropriate piece, after which Rev. Mr. Cullen, of Bloomsburg, and Rev. Shinn, of Lock Haven, delivered excellent and appropriate addresses, and were followed by the Bishop in a few remarks of great force and beauty. Another hymn, and prayer concluded the services, the whole asting about an hour. There was a arge and attentive congregation present broughout the proceedings.

The church is to be of blue limestone and brown stone. These materials, in proper combination, will produce avery cleasing effect. The edifice promises to be one of great beauty. It is the Gothic style of architecture, forty feet in width. by eighty feet in length, with a noble ower, and other proper appointments. It is located in the best part of the town, and will greatly beautify the neighborhood around it. It is expected to be finished about Christmas, at an expense of about \$20,000.
