The State Sabbath School Convention will be held at Williamsport, Pa., to commence on Tuesday, June 1, '69, and Schools, throughout the State, are requested to send delegates.

THE ONLY GENUINE. -The only place to buy the genuine and justly celebrated Liver Pills, manufactured by Dr. E. Green, is at the drug-store of F. S. Wilson, Brockerhoff house, Room No. 1. Be sure to inquire for Dr. E. Green's Liver Pills, at F. S. Wilsons.

For Sale .- A first-class brick residence, neatly finished, large and commodious, situate in one of the most pleasant portions of Bellefonte, is now offered for sale. Retiring merchants, lumbermen who have made their fortune, or "any other man," who desires to live in a magnificent house, can be accommodated by calling, without delay, at the office of the Republican, where terms, and all particulars, will be made known.

New Clothing. - In another column of the REPUBLICAN will be seen the adsings of the golden age-of the age of | notice, and strong testimonial: steam-of his large and well-selected stock of dry goods and clothing, and does it well. He invites everybody, the Pacific Railroad, or to stay at home, to call and examine bis stock. This is right. Sternberg is an enterprising business man, and is extremely polite and obliging to his customers.

Good Work. -Some time ago, we noticed the fact that Jno P. Harris, Cashier of the First National Bank of Bellefonte, had built a splended residence, on portion of our town, a few days since, and while there, we took occasion to go through the house. It is complete in all i's arrangements. But it is not our intention to notice the house, so much as the mechanical genious of our friends, Geo B. Anderson and Emanuel Noll. who did the plastering. This work is certainly well done; the ornamental work surpassing anything we have ever seen in this part of the country. Messrs. Auderson & Noll are good workmen, understanding their business perfectly, of which fact any one can convince himse f by calling at said building, and examining their work.

MERCHANTS AND BUSINESS MEN .-Again we warn our merchants and business men to lock well to their interests roads, sub-marine telegraphs, rich men. rich women, fast men and fast women. want people to call and see you, you the columns of the Republican.

would make up their minds to be there every Sabbath. It is the duty of every man and woman, in health, to go to the house of God, every Sabbath day. It is a duty we owe to God-to ourselves, and to the community in which we live, and of which we form a part, to set a good example to others, morally and religiously. But when that duty can be performed, and its very performance turned into extreme pleasure, by listening to the able, eloquent and instructive sermons preached every Sabbath, by the Rev. Jas. Mullen, who can, or who will remain away, or waste his precious time in loafing round the corners, or running over the hills, violating the commands of God, and laying the foundation for your own sure and swift destruction Young men, and young women, pause and reflect! Every time you absent yourselves from the house of God, you do a great wrong to the community-to your own precious and immertal souls It is no excuse that you have no pew .-The seats in the M. E. Church, in one sense, are as free as they were in the good old days of primative, genuino Methodism. Not a man, or woman, can come there without finding a comforta ble seat. Every pew-holder, every member, and every sincere lover of the Church, will bid you welcome, and see that you are comfortably seated; and we can assure you, that you will hear the Gospel of Christ preached in its purity, with an false to their country in the hour of her carnestness and a pathos that will do you good, as "it doeth the upright in heart"
