ALL O. K .-- The young man Kreps, stated by last week's Centre Hall Reporter, as having sustained fatal injuries from a falling timber at a barn raising, is, we are given to understand, in anything but a dead or dying condition. He is, all in all, a much livelier and healthy "item" than we often find in our bucoli cotemporary.

SEVERE .- We learn that the late severe storm did much damage in Penn's Valley, succeeding. by the aid of the violent wind prevailing, in giving sundry barnes, and smaller out-buildings, a novel and headless appearance. Our Agricultural Editor being absent, weeding onions, we cannot give our farming friends other advice than to accept the result as best they can, and re build at their leisure.

Would you enlarge your borders, and the sphere of your influence? Go to work, at once, and organize a Young Men's Christian Association-

Wonder who these two "gay and festive young ladies (?) from Lock Haven were, who took the buggy-ride to Jersey Shore, a few days since? Does anybody down there know? Jersey Shore wine, or whiskey, must have been very good. Ditto "Shore" ciga:s. We have heard of masculine "sports" getting behind horse-flesh, and having a first class "Spree"-break-neck driving cursing. swearing, blackguarding, and all that , included; but 'tis seldom one hears of alcohol getting into the "strings," when held by a woman. But we challenge any two "sports masculine" to get up a better practical definition of the word "spree," than did these two bibulous females. Ask the farmers about Chatham's
