JAMES KREPS, Proprietor.

SANDS' BAKERY.—It is with pleasure we direct the attention of our readers to the advertisement of J. S. Sands in another column of the REPUBLICAN. Mr. Sands has a first-class Confectionery and Ice Cream Saloon in connection with his Bakery. He is a clever man, and takes pleasure in accommodating his customers.

GRAY OATS.—On Saturday last, Mr. Noah Musser showed us a stock of oats, raised by him; which measured 7 feet and 1 inch, and contained 223 perfect grains. General Greer will beat Asa Packer next October, just as badly as Mr. Musser has beaten Daniel Houser's Packer oats, reported in last week's Watchman.

The Turnpike contest in Pennsylvania terminated, for the present, on the 7th inst., by the opponents of the present Board removing the goods and chattels of their toll-keeper, near Spring Mills, from the house which the company had previously sold on the condition that it be removed within a certain time. This toll-gate will be entirely abolished, and not again established while the road remains under the present management. The road is the best in this section of the State, and seems to be prospering in every respect.

BE CAREFUL.—Cooling off suddenly when overheated sends many of our youth to an early tomb. It is often a matter of surprise that so many farmers' boys and girls die of consumption. It is thought that abundant exercise in the open air is directly opposed to that disease. So it is, but judgment and knowledge of the laws of health are essential to the preservation of health under any circumstances. When overheated, cool off slowly—never in a strong draught of air. Gentle fanning, especially if the face is wet with cold water, will soon produce a delightful coolness, which leaves no disagreeable results.

READER, THINK OF IT.—An exchange aptly and truthfully says of local papers: that they enhance the value of property; they benefit particularly merchants and real estate owners; they amount yearly they pay for the support. There is nothing that would do a piece more harm than to be without a newspaper. This every sensible man knows. A local paper then, is a necessity. It is a sacred duty to support your local paper. You need not think that the publisher of a paper can run it for your benefit and pay the expenses out of his own pocket. Give your home paper good advertising patronage, and a respectable list, and you will then have just such a paper as you wish.

CAMP MEETING.—The camp-meeting of the Milesburg Circuit will commence on Thursday, the 19th inst., on the farm belonging to the heirs of Wm. A. Thomas, dec'd. The camp-ground is about one mile from Milesburg. Twenty-two tents are already on the ground, and preparations are being made for a good time.—Mr. Kitchen, who lives near the ground, has opened a boarding house for the accommodation of strangers. Rev. E. Butler is preacher in charge. He is, emphatically, the war-horse of Methodism, having been in the itinerancy for over 40 years. It is thought that Bishop Simpson will be present on Sunday. We hope that our Methodist friends may have a good meeting—a glorious outpouring of the Spirit, and that they may count their converts by the hundred.

FASHIONS.—We like fashions; and the more ridiculous the fashion, the better we like it. For instance, we like to see a man with a bloated body and spindly shanks, dressed in tight pants; it sets off his appearance, and exhibits his proportions to better advantage. We like, too, to see a tall man wear a high hat; it gives him such a majestic appearance.—We like to see a young man part his hair in the middle; it tells, precisely, what he is. We go into ecstasies of delight at the sight of a chignon—the larger the better—stuck out at the back of a lady's head. We think the weight of the chignon has a tendency to hold the head back, thereby counteracting the inclination, too frequently indulged in, of inclining forward, and becoming "stop-shouldered." Chignons are conducive to health. We like to see a jaunty little hat tastefully resting, at an angle of ninety degrees, on the brow of a pretty girl; it is so becoming. What can be more lovely than a two-bit revenue stamp, tastefully trimmed with ribbon and artificial flowers, resting in the valley between the head and chignon, and a green baize veil carefully thrown over the whole? We are less than ourselves, in fact, we don't appreciate it in others; in fact, we don't like any body who is not so intensely as we devoted to the goddess of fashion, that the very sight of a Grecian bend would likely cause us our life—we would go off in laughing convulsions. We are of but little use anyhow; won't some of you try the experiment, and show us the Grecian bend? We'll go one eye on it.

REPUBLICAN COUNTY CONVENTION.—The Delegates to the Republican County Convention assembled at the Court House, on Wednesday, the 11th inst., and were duly called to order by Wm. P. Wilson, Chairman of the ex-Committee of the county. On motion, the Convention organized by electing R. H. Duncan, Esq., Chairman, and Messrs. Geo. D. Pifer and B. O. Deisinger, Secretaries. On motion, it was voted to proceed to the receiving of credentials and the forming of lists of delegates. The roll of delegates being complete—on motion, the convention proceeded to the nomination of candidates for the several offices to be filled at the October election.

For Representative in the General Assembly of the Commonwealth, the following names were proposed:—Jas. P. Coburn, Haines, F. Jodon, Spring, J. C. Williams, Phillipsburg, Col. B. McFarlane, Harris, Col. McFarlane withdrew his name, for the reason that he expected the ticket to succeed, and preferred a different Representative than himself. He said if defeat were certain, he was just as willing to be beaten in a good cause as anybody else, but it would not suit him to be elected at this time. He was confident that the ticket would win this year. A ballot being ordered, resulted as follows: Coburn.....45 Jodon.....7 Williams.....9 Coburn's nomination was then made unanimous.

For Probationary, Lt. Samuel L. Barr, of Bellefonte, was put in nomination, and was, on motion, made our candidate by acclamation, amidst great applause.

For Register and Clerk of Orphan's Court, Jeremiah Haines, Miles; Wm. Curtin, Boggs; Caleb E. Way, Huston, were put in nomination. The ballot resulted as follows: Haines.....20 Curtin.....42 Way.....2 Huston.....2 Mr. Curtin's nomination was then made unanimous, when the convention proceeded to nominate for Recorder of deeds, Messrs. Haines, of Miles, Lucas, of Howard and Daniel C. Rote, of Haines, were put in nomination.

Mr. Lucas withdrew his name, and after some discussion, a ballot was ordered, and resulted as follows: Haines.....16 Rote.....50 The nomination of Mr. Rote was then made unanimous.

The next business being a nomination for Sheriff, the following names were put before the convention:—J. B. Butts, Bellefonte; J. G. Kurtz, Bellefonte; Dan'l P. Shope, Milesburg; Geo. Swartz, Walker; James Dunlap, Ferguson, Messrs. Swartz and Dunlap having been withdrawn, a ballot was ordered, and resulted as follows: Butts.....57 Kurtz.....5 Shope.....3 Whereupon the nomination of Mr. Butts was made unanimous.

For Treasurer, the following names were submitted:—H. P. Cadwallader, Potter; Jos. E. Mitchell, Benner; Rob't Kendall, Benner. Mr. Mitchell withdrew, and a ballot had, which resulted as follows: Cadwallader.....53 Kendall.....12 Whereupon the nomination of H. P. Cadwallader was made unanimous.

For Commissioner, there were named the following gentlemen:—Lewis Hess, Rush; John L. Musser, Ferguson; S. H. Stover, Harris; D. B. Malone, Boggs. 1st BALLOT. Hess.....14 Musser.....17 Stover.....9 Malone.....26 Mr. Stover's name was then withdrawn.

2nd BALLOT. Hess.....26 Musser.....13 Malone.....26 Mr. Malone's name was then withdrawn.

3rd BALLOT. Hess.....11 Musser.....21 Malone.....24 Mr. Malone's name was then withdrawn.

4th BALLOT. Hess.....38 Musser.....23 Malone.....23 whereupon Hess' nomination was made unanimous.

Benjamin F. Liggett, of Liberty tp., was then nominated for Auditor, by acclamation, the names of J. R. Shaver and William Singer, having been withdrawn. For Coroner, the names of Dr. Wm. F. Reiber, Ferguson, and Dr. Geo. F. Harris, Bellefonte, were put forward, when a ballot was ordered, and resulted as follows: Reiber.....29 Harris.....23 whereupon the convention made the nomination of Dr. Reiber unanimous. The following resolution was then offered: Resolved, That the several boroughs and townships in the county of Centre, be hereafter entitled to a representation of two delegates in the Republican County Convention, and one additional delegate for every fifty Republican votes above the first fifty polled at the general election preceding the County Convention.

After some discussion, the resolution was laid on the table. On motion, the Chairman was authorized to appoint a Chairman of the County Convention, and the several township delegations to select their members for said Committee. On motion, the convention adjourned. R. H. DUNCAN, Pres't. GEO. D. PIFER, Sec'ys. B. O. DEISINGER, Sec'ys.

Books! Books!—Knowledge is power; and the good Book says that "a man's wisdom maketh his face to shine." If our young men and maiden's wish to be powerful—and if they wish their faces to shine with a lustre superior to anything that can be done by rouge or paint—let them go, at once, and supply themselves with books from the well-selected stock kept by Jacob D. Miller, in the Post-office building, Allegheny street, Bellefonte, Pa. Mr. Miller is a young man of great energy, and deserves the patronage of the reading community.

FATAL ACCIDENT.—A stranger by the name of John McHenry, supposed to be from Luthersburg, Clearfield county, was killed near the station at Milesburg, on Saturday night last, by being run over by the passenger train, on its way back to Milesburg junction, from this place. As the engine is, of necessity, backed down, the engineer had no means of discovering the man, who was either crossing the track, or had laid on it. The man had been drinking all day.—An inquest was held, and a verdict rendered in accordance with the facts. He is said to have been employed lately at Beaver Mills, in this county.

BARGAINS.—We direct the attention of our readers to the advertisement of Emil Joseph, Allegheny street, Bellefonte, Pa. This gentleman has a large supply of everything usually kept in a dry-goods store, besides a splendid assortment of watches, Jewelry, &c. Repairing done in the best style, and on the shortest notice. He has recently secured the services of our young friend, Frank Blair, whose reputation as an engraver, is an enviable one, indeed. We have seen several specimens of Frank's work, and we are satisfied that, as an engraver, he cannot be excelled outside the city. Mr. Joseph understands his business; keeps only the best of goods, and employs none but the best of workmen.

NOW FOR THE RAILROAD.—We direct the attention of our readers to the following call, which we copy from the Lewisburg Chronicle. We hope the citizens of Pennsylvania, and of Centre county, (for we are all interested,) will see the necessity of giving proper heed to the requirements of the call. Let every land owner and farmer in Pennsylvania be at the meeting. Let the capitalists and business men of Bellefonte be there to assist, "either by personal influence, or material aid, the cause which is so deserving of complete success."

Grand Rally of Railroad Men. All interested in the extension of the Lewisburg, Centre & Spruce Creek Railroads are invited to meet in MILESBURG, FRIDAY, Aug. 27th, at 1 o'clock, p. m. The Committee, appointed at a meeting of the people, in Millheim, in May last, to confer with the "Penn" or other Railroad companies on the subject of aid in the construction of our road, is prepared to make a favorable report. The object of the meeting is, to take into consideration the aid promised by the Penn's Railroad Co., and, if deemed satisfactory, to take steps for an immediate and active canvass for subscriptions.

For the first time in the long agitation of our Railroad question, have we the offer of aid from a substantial and reliable source. The construction of the road is now within our reach; it is for the people to say whether it shall be built, set every neighborhood along the line, be fully represented. This meeting will doubtless decide the success or failure of the railroad enterprise, and is, therefore, of such importance as to demand attendance on the part of all interested. ELI SLIFER, Chairman of Com.

For the Republican. MESSRS. EDITORS:—Would you like to hear from the strong hold of Republicanism in Centre county. Would you like to hear from a truly loyal and patriotic township? Would you like to hear from the township that, every man in it, save two, subject to military duty, either enlisted, or was drafted into the service of the United States during the rebellion; and not only so, but many enlisted that were under, and some that were over the age prescribed by the military laws? In a word; do you want to hear from Huston township? I am aware that Huston township is in the much disputed Bald Eagle Valley, and that we are stigmatized as Bald Eagle Valley buckbeats, but we care not for the name; we claim to be a truly loyal and patriotic people; not for the sake of office, but from principle; and we can just trot out from our mountains and hills as large a percentage of Republican votes as any township in the county. Yet, notwithstanding all this, we have never been honored with a nomination inside our borders, for any county office, whatever. We have tried several times, but always have been beaten, and retained in the party as hewers of wood and drawers of water. It may be all right. Perhaps it is better not to have any of our citizens set up as a public mark for every "mule's saddy" to kick at. We intend to vote solid for Geary in October; but, unless the Court will come to our assistance, we must do it under very disadvantageous circumstances, from the fact that the laws compel us to be in-hen-coop at the last election, but has since been converted into a "boar's nest." You will, doubtless, think this a fabrication; but, I assure you, it is true. Imagine the white freemen of Huston tp. marching, by scores, to the polls, and offering their ballot through a crevice in the wall of a hen-coop; then imagine 7,000 p. m., of election day; the constable has proclaimed the election closed; the elections officers are inside of a hen-coop, seated on trellises, around an old work-bench; a small tallow dip is flickering in the breeze, which has access through the crevices at every point. The coop is full of smoke from an old, dilapidated stove, that looks as though it had passed thro' the revolutionary war. The officer's eyes are red and swollen, whilst the big tears are rolling down their devoted cheeks, as large as apple-dumplings. Overhead grows a score, or more, of chickens, and now and again a drop of digested corn falls on their papers. Do you wonder that our returns are badly written, and badly soiled? Four times have we petitioned, praying that our elections might be removed from this chicken-coop. Four times our prayers have been unanswered. A fifth petition is now in circulation, praying the Court, for God's sake, and for the sake of poor, down-trodden humanity, good morals and common decency, to appoint a place to hold our next election, so that we may not again be compelled to hold it in that infernal "boar's-nest." Will they do it? If not, then may dogs bark, owls hoot, snakes hiss and frogs croak at them; may mosquitoes bite, fleas tickle, hornets sting and grasshoppers kick them. So mote it be. LOCUST.

CHURCH DEDICATION.—The M. E. Church at Port Matilda, will be dedicated to the worship of God, on Sunday, August 29th. The services will be conducted by Bishop Scott. A general attendance is earnestly requested.

ENTERPRISE.—Shortridge & Co. have just finished a Railroad from the main track to their lime-kiln, on the opposite side of the creek. It is a good job, denotes energy and enterprise, and will save hundreds of dollars per annum to the company in the shipment of lime.

We are informed that the quiet little town of Central City was recently the scene of a most desperate and disgraceful conflict between two females, in which pulling hair, swearing and scratching were indulged in to an alarming extent. Is it so, that in this christian land, females, who should beautify and adorn society, will so far forget their dignity, as to condescend to such low and disgraceful acts. Shame, forever shame!

RETIREMENT.—Reduction of number of U. S. Revenue Assessors.—This country has been re-organized, and, instead of four, has but two Divisions, James H. Rankin, Bellefonte, has received the appointment of Assistant Assessor of 1st Division, composed of the following townships and boroughs:—Liberty, Howard, Marion, Walker, Curtin, Boggs, Spring, Benner, Snow Shoe, Burnside, Union, Huston, Worth, Taylor, Rush, and Bellefonte, Milesburg, Unionville and Phillipsburg.

A. J. Young, Spring Mills, Asst. Assessor of 2nd Division, composed of Haines, Miles, Penn, Greeng, Potter, Harris, Ferguson, Half Moon and Patton. Applications for license can be made to either of these gentlemen, without resort to locality.

A CHURCH FAIR.—A fair is always an occasion of interest to the community in which it is held, if properly conducted, as it affords pleasure to the young, and offers to many the opportunity of purchasing objects of taste and luxury, not otherwise to be had. The ladies of St. John's Episcopal Church, of this place, give notice that they will hold a sale of fancy and useful articles, and also of ice cream, cakes and other refreshments, on Tuesday, Wednesday and Thursday next, at German's new building, near the Court House.

This fair is gotten up by its projectors to assist in raising funds to pay for their handsome new church, now in course of erection. They have been, for some time past, engaged in their preparations for it, and expect to make it, in every way, worthy of liberal patronage. READ THE FOLLOWING FROM THE COMMERCIAL EDITOR OF THE BUFFALO EXPRESS. BUFFALO, Sept. 1, 1888. DR. SAGE & Co. GENTS.—I am always reluctant to say anything in favor of patent medicines, but I have found your Catarrh Remedy such an effective soothing in the relief of my attacks which we term colds in the head; that I take pleasure in testifying to its merits. Two or three applications have almost removed the disagreeable symptoms, and I am now free from the nose. If it possessed no other virtue, its worth would be beyond price as a simple and effective antidote for the horrors of a "cold in the head." Yours truly, GEO. A. MARTIN. For sale by all prominent Druggists everywhere. Sent by mail on receipt of six cents. Address R. V. PRINCE, M. D. Buffalo, N. Y. aug18-2t.

Walker, the supervising and adjusting Agent of the Farmers Mutual Insurance Company of York, Pa. Mr. Walker came here for the purpose of adjusting the losses of Messrs. G. W. DODD'S NERVE DID IT. New London, Conn., April 26, 1889. REMEMBERED FRIEND—I thought it well to write another week before writing, to see if I could not improve, as I have been doing for some time, under the treatment of your new medicine, and I am happy to tell you that I am getting better—even faster than when I first began. I commenced the use of DODD'S NERVE without anybody advising me to it. When I began with it I ever found relief. I am now able to go up and down stairs, and daily improving. I consider the NERVE the best medicine I ever found, and shall continue its use, for I am confident of entire recovery. I have taken only three bottles, and would not be without it on any account.
