Original Poetry.

TO A BEAUTIFUL YOUNG GIRL.

Life's opening roses around you beam brightly,
Your season of life is young June;
Sweet hopes fill your heart as it beats now so lightly,
Beats time to life's rhythmic tune.

And shall the dear hopes which so fondly you cherish,
Which now with such brilliancy glow,
E'er fade from your heart as the sweet flowers perish,
O loveliest maiden, no! no!

Yon bobolink bending the twig, softly singing,
And sweetly exalts not your lay;
Your airy notes, so melodiously ringing,
My heart irresistably sway.

And shall these rich musical accents be ever changed into sad wailings of woe?
O beautiful, lovely young singer! no never!
Dear, charming young singer, no! no!

Yon bright fleecy cloud that is soaring in ether,
Can't get so lightly as you;
Nor looks she on aught that is beneath her,
That's fairer, more lovely or true.

And shall those light footsteps, so graceful and airy,
With sorrow be heavy and slow?
That purity stained by dark sin, pretty Fairy?

Dear, sweet, pretty Fairy, no! no!
The "wee little lamkin," which o'er the green meadow
Plays pranks in its frolicsome glee,
Knows more of life's sorrow, grief's terrible shadow.

Than ever have visited thee.
Shall clouds of grief's gloom o'er thy firmament thicken,
The seat of thy gladness sink low,
Thy heart with dark sorrow be cruelly stricken?

Dear, pretty, bright maiden, no! no!
Pace Grove Mills, Aug. 11, 1869.

BROKEN VOICES.

BY BECKIE HARRIS.

"The stars looked down, and what did they see?"
Two lovers beneath an orange tree;
The weeping leaves above their heads,
Smiled at the sily words they said.

The gay darts of Cupid flew fast and sweet
"As the lover knelt at the lady's feet,
And vowed to her the depth of his love,
By the mythological Gods above.

The vow was breathed, the goal was swung,
True lovers were they, but they were young.
"The stars looked down, and what did they see?"

"Two lovers are parting angrily,
Both have proved false, and now they part,
With broken vows wrapped in each heart,
He accused her of flirting young men,
And vows she will never flirt him again.
Her lofty spirit is shook with pride,
She vows she never would have been the bride.

Of one so suspicious as him—
Now they part in the twilight dim.
"The stars'll look down, and what will they see?"

A green grave under the orange tree,
O'er broken vows the leaves will sigh,
While tears drop from the maiden's eye,
Alas, one crushed heart, and a lonely grave,
Will be the relics of the lovers brave.
Thus friendship's vows are often broken,
Sweet words are forgotten that once were spoken,
And paths were trod, through pride and rife,
Which, side by side, should wind thro' life.

History of the 49th Pennsylvania.

BY A. B. HUTCHISON,
Late Captain of Company 'C.'
