

Local Department.

BELLEFONTE, PA.

Heads, Cards, Paper Books, Job Work of all kinds, neatly executed at the REPUBLICAN OFFICE, at reasonable rates.

SAVE MONEY.—If you want posters, circulars, bill heads, cards, paper-books, first-class job work, plain or fancy, call at the REPUBLICAN OFFICE. All work done at Philadelphia prices.

BELLEFONTE AND PINE GROVE STAGE LINE.—Leave Pine Grove at 6:00 a. m., arrive at Bellefonte at 10:00 a. m.; leave Bellefonte at 2:00 p. m., for Agricultural College and Pine Grove Mills, daily, except Sunday.

JAMES KREPS, Proprietor.

QUERY.—Will some patient mathematician make a complete estimate of our total population, confined to small, "sassy," dirty-faced boys and girls, out of school, and the horde of yelping, snapping, impudent curs out of their master's yards? Then strike the difference, and astonish the dogs at their wonderful multiplicity, and the parents at their negligence in not attending to their offspring.

SMART THIEVES.—One evening, during the continuance of the Leap campticketing, some petty thieves paid a visit to Mr. Wm. Doal, and appropriated the entire contents of his bread-board—leaving "nary" crust for a nest egg. It is supposed the same party returned on the following evening and stole a ham, just brought home, together with some pies they had devoured on their preceding visit. Shoot 'em, Doal—ready, fire!

FEMALE MILL.—Even the sweet and placid temper of our affectionate gentleman, will, at times, under an extraordinary pressure of personal indignities and provocation, become somewhat ruffled. The tongue falls—though rarely—in giving the telling illustration required, and some more striking method of communicating strong passion and virtuous indignation is adopted. To wit: Two females in the well regulated township of Patton did, last week, upon a day not so far distant, connect with, rumble up, the foul, intimidate and tear sundry and divers skirts, waterfalls and other personalities belonging to each and the other. Justice Samuel T. Gray administered the law, and quiet now reigns throughout Patton.

HARSHNESS.—We have been looking through the stock of hardware from nails, stoves, &c., &c.—in Irwin & Wilson's celebrated depot for the Greater Builder, electrician, housekeeper or in short, for the entire million, and were very surprised that they could find a capital to keep such an immense stock of all material to be found in a first-class hardware store. It shows to us, clearly, that we are living in a progressive age—that our country is improving beyond calculation, and that these gentlemen are determined to keep fully up with the wants of the country, or, rather, in advance. For, call when you will, there seems to be a steady demand on all departments of their large and well assorted stock.—Their gentlemen's salesmen visit with each other in accounts of their large custom, and marking and dispatching goods by freight, express and wagons to all points. Our country friends must be building extensively to consume so large an amount of material as we see concentrated from their house. Messrs. Irwin & Wilson tell us that the prices of goods in their line are extremely low, having declined very much in the last year, and are now about at low water mark. We need scarcely remark, what all know, that at this house you can depend on getting what you want, at the lowest possible rates, whether you come or send. Let all try them.

THE HOW OF IT.—We ask of every reader of the BELLEFONTE to peruse the article found elsewhere, in this issue, on the Naturalization Law as administered in Centre county by the Court House Ring. If the infamous record of Democratic Luzerne is to be repeated in Centre county, it is high time the matter, and authors of the infamy should receive immediate attention. If the Republican party is to be deliberately ousted out of a victory, this fall, by the old Democratic game played on naturalization papers—a systematic abuse of the naturalization papers of those of our foreign born desirous of supporting free institutions, and defending the right of worshiping God according to the dictates of their own consciences, by voting the Republican ticket—we repeat, if such papers, and the undoubted rights of such men are to be abused and outraged, it will be very strange if the Bellefonte REPUBLICAN does not traverse that record, and expose the author, or authors, of the insult and wrong offered in free Pennsylvania, to our foreign born citizens. We propose to defend the rights of every man, woman and child, who has fled from monarchical tyranny, to the haven of justice offered by the American government to the oppressed of every clime and nationality. We propose to gibbet the money crew of suborned, and false witnesses who would do this class of our population foul and devilish wrong. We propose to do this, though others falter and turn back for fear or favor; and, once for all, we say, "Come, weal come, you wind come rack. At least will die with harness on our back."

REMEMBER and get your name on the

Registry list. Delay now may bring shame and defeat on the 12th of October.

Register, REGISTER, REGISTER.

YOUNG MEN—You who are permitted to cast your suffrages, for the first time, this year, on attaining your majority, must see to it that your names are on the Assessor's list, else you will lose your vote. Don't forget.

O. K.—The spacious and complete drug-store, opposite the REPUBLICAN—price \$2 per annum, in advance—is steadily gaining in the number of its patrons. Zeller & Jarrett are gentlemen well up in their profession, and merit must win.

D. ABRICA & Co. will be in town tomorrow, Thursday, with their magnificent Palace Market-car, with an unlimited supply of all kinds of marketing, and, better than this, these gentlemen inform us that they intend to furnish the "gude" citizens of Bellefonte with the very best material the eastern markets can furnish, and sell cheaper than any competitor can afford to.

R. V. PIERCE, M. D., of Buffalo, N. Y., is the proprietor of Dr. Sage's Catarrh Remedy, which he warrants to cure Catarrh in all its forms and stages. And further, he offers \$500 for each of that dreadful disease that he cannot cure. If your druggists has not got this remedy on sale, don't be put off with some worse than worthless strong smelling "remedy," or poisonous caustic solution, but enclose sixty cents to the proprietor, and it will reach you by every mail. For sale by most druggists every where. sept. 1-2.

ARE YOU REGISTERED?—It is all important to the success of the Republican ticket that the Registry law should be strictly enforced. It is equally important that every Republican voter should be registered. Our opponents are wide awake to the importance of attending to this matter, and, although giving the law their hearty curses, do not let their sour stomachs delay their activity in registering. Are the Republicans, to whom the enforcement of the provisions of the law are all important, less mindful of their duty? Attend to it at once. Can't a single neighbor help by changing the roll? Know of some names on the Assessor's list. Be vigilant, THOROUGH and ACT!

Married.

WETTRICK—NORTON, On the 7th inst. at Meadstown, by Rev. Thomas Greeley, D. D., Thos. G. Weick, of Clinton and Mrs. Emily E. Norton, of Centre county.

Our grandfathers' stove, what a funny old thing. So deep, so wide and so tall; Now the people would say, who are stylish and gay, "It was only a hole in the wall." It matters not what it was, it was pleasant to see When night's mantle was hung over all; Grandfather told down his good book and read By the light from the hole in the wall. As the sturdy young men rolled in the great logs, They would laugh at each wintry squall; Whilst grandpa would sit on her old chair and knit By the light from the whole in the wall. The girls then wore home spun, and so did their beards. For pride was a principle small; And courting was done and hearts have been won By the light from the hole in the wall. The neighbors were friendly wherever they'd meet, With a word of true kindness for aye; And joy was complete for her voices so sweet Ring round that old hole in the wall. In those days we know, folks cared not for show; Of improvements knew nothing at all; But 'twas really no joke, when great clouds of smoke Rushed out from the hole in the wall. But those days are now o'er, we shall know them no more; And all those old fashions have fallen; Whilst the solemn and gay are coming each day; To purchase the famous "Old Home." Coming not only in couples, but in scores, as hundreds of good and wise men and women have done before, to look upon this magnificent stove, which is acknowledged to be the best cooking stove of the age.
