## ARE YOU WORKING?

We ask, in all seriousness, if the mem bers of the Republican party in Centre county are doing their whole duty as the

exigencies of the campaign require? Have the township committees exhibited that energy and discretion-that ceaseless and untiring activity, the interests and the occasion demand?

We talk plainly. Have you done anything ?

Have you yet prepared lists of the doubtful voters in your townships? Have you examined the Assess books, and are you ready to challenge the spurious voters?

is their duty? , : :

Do you know that you can get the precise documents required by applying to the efficient Chairman of the Republican County Committee, John T. Johnson Bellefonte?

Knowing this, have you secured these pamphlets, and

until after we lose by your carelessness? Are you using your personal influence publican ticket?

for the asking?

Are you in correspondence with the Chairman of the County Committee? to act ?"

Have you placed tickets in the hands of the right men?

Have you hitched up your horse and driven a square to see a doubtful voter? Are you aware that the democrats are trying to lull you into criminal apathy, victory by default?

Do you know that they are not leaving -one fact unbelied-one Republican candidate unbeslimed-one penny of Packer's string unpulled, night or day, to defeat effect Mr. Coburn, but it has, and will

This is truth; and if you expect to worth of honest yeomanry of Penns wrest this county from democratic domination, you must

Arouse, Work,

Argue, Spread the facts.

Do your duty as becomes Republicans Do you know that hired spice, agents and tooks are riding this county up and down, through highway and byway, to bire, bribe and buy yo'es?

Do you know that your next door neighbor has been placed to nossession of several V's for campaign purposes, It is far more than probable the wery man you least count upon as working for the Demogratic ticket, has in his pocket a fut amount of Packer's awest money.

Watch out! Don't sleep!

Go the woods through and wake up the sleepers.

Put the right bullet in their kands, and tell them how to pick the flint, Pick it for them.

No punk flints from this until the 12th f October.

There is danger. If Republicans will work from now un-

il the going down of the sun, Oct. 12th, entre county will be redeemed. Packer's gold is paying thousands for nict but active work, and our enemies re straining every nerve to carry both the Governor and Supreme Judge, as

well as the Legislature. The success of the Democracy this car commits the State to repudiation, free trade and unbridled corruption.

We beseach Republicans to be on

Meet the enemy right in front,

Don't shirk, another day. Gird up your loins, and, with the glorious banner unfurled, of Protection, Loyalty, Geary and the Right, press on over the corrupt body of effete, disloyal and detestable Democracy.

### It Wont Win.

If the corrupt use of money could ensure Asa Packer's election, we should banish all hope of a Republican victory on the 12th. Packer agents are as numerous and impudent as Niagara hackmen. They shake the rolls of Asa's sweat-money under the noses of Geary men with the air of a horse jockey. They have utterly abandoned argument, and no longer attempt to cloak their infamous designs. We suppose Packer has already bled too freely to permit a retreat; and, rather than miss the Executive chair, the purse | 1867. strings are further unlcosed, and we have the shameful spectacle of a Democratic nominee for the highest office in the Commonwealth, deliberatey attempting to buy his election. No dout Mr. Packer believes that once inaugurated Governor, he could make such advantageous combinations with New York capitalists as would speedily replenish his depleted coffers.-Heaven help the poor man in that

We have at from a source entitled to confidence, that the Chairman of the Democratic County Committee is not the only recipient of Asa's greenbacks in Centre county. It would see in that Mr. Packer has a kind of guerilla correspondence with others than the of October 12th. Chairmen of county committees. A of this county has under his employ some fifty or more workmen. He wrote to Mr. Packer (whether to the Merchants Hotel, or Mauch Chunk, we cannot state,) and proposed to sell these votes to Packer for money. Mr. Packer, in reply, told his customer to apply to Mr. Shugert and get the funds required. We learn that application was made, but that no money was "shelled out." He immediately wrote Mr. Packer the result, and our informant states that the amount required Have you placed in the hands of the has been received. And this is the doubtful such proof of democratic venali- way this putrid organization proposes ty as will leave them in no doubt of what to obtain control of the State. It "can't be did."

Never have the independent Democrats of Centre county had better cause or more favorable opportunity for routing the corrupt clique composing the Court House Ring, horse, foot and dragoons, than is offered on Tuesday next. It has been well said that the year is favorable for Ring smashing.-Never was the Ring so corrupt, venal, tyranical or infamous. Never did the independent and insulted Democrats of the county have greater cause for rebelling against unwarrantable and dictatorial domineering.

If not this year, we ask when? If you havn't been outraged, spit upon and rode over this year, pray

tell us when you ever were? You have now the very opportunity offered you on which to teach self-uppointed masters that the people rule, and are not disposed to longer bow down in servile subjection to Ring domination. Smash it on Tuesday, Oct. 12th, and the corrupt clique will never assume to dictate again,

### Concerning Quiet Campaigns. That the REPUBLICAN has constant-

ly opposed the mooted theory of a quiet campaign, is well known. The Democrats favored that plan for the The Red Sign of Treason Once More simple reason that they dare not adopt any other. They had no fresh, live, docent declaration of principles upon which to go before the people and defend from the stump and restrum, and therefore decided for a unlet campaign with a roar of cheap fusilado through their organs. But their organization is perfect, and their work meeasing. All that money, throats, plish, is being done. The seeming indifference pervading the Democratic camp is but surface indications. -Democracy is as energetic to-day in encompassing the defeat of our State and local nominees as it was during the Rebellion in embarrassing the Government and discouraging enlist-

Ergo, the fearless opponents of the Court House domination will go en masse for Mr. Butts.

All the slimy spawn the putrid ediorial stomachs of the Watchman junto can emit in the way of trumped up 'Wingard' yarns, will not blind the eves of one independent Democratic voter. The lies of the Watchman and the independent voice of fearless Democrats cannot fail to triumphantly elect the Peoples nominee, JERRE

Voters of Centre county, that there are great issues to be decided by your votes on Tuesday the 12th day of October. It is for you to say whether Gen. John W. Geary shall be Governor of Pennsylvania for the next three years, or Asa Packer, the \$20,-000,000 candidate, the opponent of all what has the Court House Ring, or the interests of the workingmen.

# Knights of the Golden Circle.

Unfurled!

FOREWARNED, FOREARMED.

A reckless party, maddened by defeat and hungering for booty and plunbribes and intimidations will accom- | der, affords, in its desperation: food for grave reflection. A lawless, infuless terrible. Theirs is a momentary madness the steady arm of the law, or returning reason check. But the power for evil possessed by a great political organization when unrestrained by a sense of Justice and National dignity, is something fearful to contemplate. The Democrats are rejoicing over | Such a party will break down all barthe trap into which Republicans have riers, and demolish all safeguards. It has at heart neither equity, policy, or regard for established and inherent Rights. We had supposed the party, misnamed Democracy, content with the infamous record of its Ku Klux, Knights of the Golden Circle, and vathat's logical, can a minority party in rious other organized bands of ruffians. this county expect to evercome 375 cut throats, and the canaille of society, would not attempt-nay, dare to countenance the resurrection of these clans. or organize others with similar designs. KNIGHTS OF THE GOLDEN CIRCLE! Once more have the warning notes of these cowardly miscreants been sent out to intimidate and overawe well which they can be-Rome must how! | known opponents of this party of

Two weeks ago we first learned that an order had been received in this city for the instant re-organization of this noted circle. We did not then believe the report, or warn our readers of the possible existence among them of such an order. Within the past four days we have received two communications upon this subject, one of them detailing adopted by the Circle, and the ruat coelum. other apprising us of a warning sent his brother by a Circle which he be lieves exists in his township! A third informant states, positively, that an organizer of Circles is at present in this county assisting in resurrecting the order. Does this account for the mysterious meetings being stealthily held at the dead of night in the houses of certain influential Democrats in Miles

and Harris townships-in fact, in every township in the county? Is this the solution of the quiet campaign the Democracy are instructed to conduct? Is this the engine of power the genius of Democracy have re rivit-

ed and fired for the campaign? We have warned the Republicans of this county, time and again, that apathy was criminal, and that ceaseless work only would give us a victory.-More than ever are we now thoroughly impressed with the belief that tireless, night and day work must be performed, if we would redeem Centre county,

We are not alarmed, but the indications are such that a party, forewarned, may be forearmed, and we believe it our duty to arouse the party from its strange apathy, to meet the impending danger as becomes its past grandeur and glory. Once more, and, perhaps, This man, guilty of a nameless for the last time, we warn every Republican in Centre county to AWAKE and Work.

# How's this, Catholics?

We respectfully submit, for the consideration of the Irish voters of Centre county, whether their suffrages are to be had by such Know-Nothing candidates as Jacob Moyer and Joseph Mc-Closkey? Are Catholics prepared to vote for men who would debar them from holding office as citizens of the United States? How can men who have taken the following oath have the impudence to ask for Irish Democratic votes?

I, Joseph McCloskey, a native born citizen of the United States, and of Protestant faith, in the presence of Al mighty God, and these witnesses. do stabs the Watchman clique hastens to man, for any office in the gift of the people, unless he be an American born citizen, in favor of Americans ruling America, nor if he be a Roman Cath-

office or place in my gift. This oath Joseph McCloskey took vithout any mental reservation, and without wincing. In other words, Jos. McCloskey is a renegade Know-Nothing. Last Fall the Democrats run Gen. Frank P. Blair for the Vice Presidency. He, too, was a renegade Know-Nothing. Every Fall, in this county, the Ring places upon the Democratic ticket one or more of these renegades. Fully one half the members of the Court House Ring are renegade Know-Nothings, and took the above oath, and this fact accounts for the absence of the name of any Irishman on the Democratic county ticket. ### Twitchell Lie.

Mr. Gould, of our contemporary, the National, is in receipt of the following letter from Mr. M. H. Keenan, the reputed author of the original letter from Fort Shaw, upon which Mr. Meek built up his celebrated canard concerning the spiriting out of prison while under Democratic surveillance, of the dead body of George S. I saw a letter in the Watchman of Sep. 3d, purporting to be the disclosure that I witchell is alive, and was here at Ft. Shaw, and received a pardon from Gov. Geary. Fort Shaw is a Military Post,

There is no settlement in close proximity to it, and so you see I cught to know of any Beliefonter in it. As regards Twitchall being here on the 21st of August, is all a hoax; if he had, I would have known it, and, moreover, I can prove there never was such a man here. -My reasons for contradicting this, is, because I am a Republican, and a warm admirer of Gov. Geary, and knowing the article in the Watchman to be a slander against his name, I give you the information in regard to the affair. You will find by asking any of the inhabitants of Bellefonte that I am well known there as I was born and raised there, and my family

still reside there. You can use this to suit yourself. Very Respectfully Yours,

The Watchman clan, goaded to des peration by the cruthing "settler" it received at the hands of Geary and the Democratic officials having Twitchell in charge at the time the Watchman junto assert he was spirited away, return to the charge, and in a three col umn article of specious sophistry, attempt to explain away some of the tremendous thumps the foul bantling has received at the hands of Democratic iournals within the past few weeks -It is a labored article in demonstration of what the Watchman Editors and the Watchman's readers jointly consider a lean joke long drawn out. It was due the readers of the Watchman that and every vote should be polled. For some additional defense should be of fered. # Remember This

Aside from his avowed and wellauthenticated opposition to the Lewis burg, Centre & Spruce Creek R. R., we have another grave charge to prefer against Jacob J. Moyer.

He is known by those who have sounded him upon the subject, to be an out-an-out, uncompromising enemy

LUMBER INTERESTS of Centre county!!

He is in no way interested, and in case of his election would doubtless be willing tool in the hands of the lobby opponents of the lumbering interests of our county. This statement is entitled to the carnest consideration of every lumberman in the coun-

Scratch Moyer on that.

Samuel L. Barr.

The gentleman, whose name heads this rticle, is a first-class man. He is every way qualified to fill the office of Prothonotary. This is more than can be careless, and the nominee of the Court

House Ring. Sam'l L. Barr was, for four years, a Inion soldier. He was brave as a Spartan. His fixed determination was to come home "with his shield, or upon it." He came home all covered with glory; but he left an arm behind. Samuel L. Barr is, therefore, a one armed soldier, who never lagged behind, and who never deserted his principles.

John Moran, his competitor, refused to go to the army. He refused to fight for the Union, but gave his sympathies to the other side-to the Johnny Rebs -to the grev coats.

While Samuel L. Barr was fighting the battles of the Government, in defence of the Nation's life, Jno. Moran was in open sympathy with the rebel cause, and per annum. We cannot tell how John did it; but he did it. Honestly, or dishonestly, we cannot say.

Taxpayers of Centre, will you prefer John Moran to Samuel L. Barr? We know you will not. Vote for Barr, who will make a good officer. Defeat Moran, and rebuke the Ring.

# Lewis Hess.

There can be no better evidence of the honesty of Lewis Hess, and his fitness for the office of County Commissioner, than the fact that neither the Watchman nor its "Echo," the Centre Hall Report er, has been able to say one word against his private character. Not one single charge has been made against him, except the silly oilstock story.

Our particular friend, J.G. Laurimore whose Democracy no man will question, persists in saying that the charge is absolutely false, and, to use his own lan guage, "wickedly and maliciously false." Tax payers of Centre, if you would have your county taxes reduced from 74 mills on the dollar, to 24 mills, as they were when Rejublicans had con-

trol of the county, vote for Lewis Hess. There should be one Republican, at least, on the board of County Commissioners. Ho would watch the "other fellows," and make them honest See to it, then, Republicans, and independent voters of Centre, that Lewis Hess be triumphantly elected on the 12 h day of October. Remember, his election will save you hundreds of dollars. His election will compel the present board of Price of Plain Machine, without butcommissioners to show up the new juil, and other swindles upon the people which, up to the present time, they have refused to do. Vote for Hess.

The health of Minister Curtin las been good, and he has received during his visit many attentions from not only American, but English, French and German tourists at Dresden. who are enthusiastic in their expressions of admiration of

our Pennsylvania Ambassador. Republicans Remember The Republicans should remember that in some respects the coming election is one of peculiar importance instance, in 1871 the Legislature will have devolved upon itself the duty of appertioning Pennsylvania both for Congressional and Legislative representation. Both of these apportionments have not fallen on the same persons interested, to appear on the 19th day of October 1869, at 20'clock, P. M. before year since 1801, and will not fall on the same year again until 1941. This shows the importance of having a Republican Governor, when these apportionments take place, so that, in no. event, there may be an unfair apportionment of this State. Republicans of Centre county, do your duty, by tionment of the State.

### J. B. Butts. Jere Butts is well known to the peo-

ple of Centre county. He is a clever man in every sense of the word. He is abundantly qualified to fill the office of Sheriff. If elected he will not run all over the county telling his businesselling the names of those against whom he has warrants, who he is selling out, and who will be the next man to fail in business. A Sheriff should keep his business to himself. This, Daniel W. Woodring does not do. If he is about to sell a man out; or if he is going to arrest any one, in short, no matter what his business is, everybody knows it about as soon as Woodring himself. This conduct the people condemn in Woodring, and will therefore vote for Jerre

nominated by the Ring, simply because

It is a conceded fact that the nom ination of Jno. H. Morrison to the office of Register and Clerk of the Orphans Court was a direct insult to said of his competitor, John Moran, the every German citizen in the county. That office should be filled by a man who can read and write and if needs be interpret the German language. Jno. H. Morrison can do neither .-Wm. Curtin his competitor is a good scholar and our German friends will feel at home with Mr. Curtin in the office. Germans of Pennsvalley vote for Curtin and resent the insult of the Court House Ring.
