We will give you a touch of the same old tune, We will show you a sight of the same old Coon. With Rebel and traitor and tory buffoon, We'll Pack -er away by the light of the moon.

Freemen of Centre county, with this number of our paper, we bear you glorious tidings. As a Packer, the oppressor of the poor, the advocate of English tree trade, the rebel sympathiser, and the companion of Heister Clymer, Judge Woodward and Vallandigham, has been repudiated by the onest freemen of Pennsylvania and sent to "his own place" along with reoudiation Pendleton, ignored, dispised, repudiated by the local people of

Packer and Pendleton! Their doom is sealed. They refused to aid their country in the hour of her greatest peril. When men, money and munitions of war were needed by the Government to save the natious life, the voted "not another man nor another dollar." When Gon. "No sound can awake them to glory again." As passed away Judas Iscariot, so they pass away. As the people—the loyal people of Revolutionary fame wrote "Traitor" upon the brow of Benedict Arnold, and consigned him to eternal infanty, so the loyal people of Declar Pennsylvania and Ohio have written "Traitor" upon the brows of Packer, Pendleton and the leaders of the so-called Democratic party, and consigned them to their place-down-deep down, with the rebel enemies of the Govment, Liberty and the Nation.

written upon their hanner.

Republicans of Centre county, your sky is clear, bright and serene. While it is true that our county ticket has been defeated, yet we have "Scotched" the snake, and gave them a terrible score. We have cut down their majori ty on the State ticket; we have come within a few votes of electing four o our candidates; we could have done so if Republicans had all turned out to the polls. As it is, we have done well. Providence is on our side. "John Brown's soul is marching on." We have great reason to thank God for free schools and intelligence. The Democracy, under the lead of the Court House Ring, can never rally again. The honest, independent voters of Pannsvalley, who refused to vote for the "Ring" ticket on the 12th inst., will now leave the Democracy forever. We bid them welcome to our victorious ranks-to our liberty-loving organization.
