BEDFORD INQUIRER.

BEDFORD, Pa.

Friday Morning, Jan. 29, 1858

"FEARLESS AND FREE."

D. OVER—Editor and Proprietor.

Reduction of Terms!

THE INQUIRER AT ONE DOLLAR AND FIFTY CENTS, IN ADVANCE!

We have changed the terms of the BEDFORD INQUIRER, from this date, to $1.50 per annum, if paid in advance. If payment be not made within the year, $2.00 will be charged. If delayed until after the year expires, $2.50 will be charged. These terms will be rigidly adhered to in all cases.

All subscriptions paid between this date, and February Court, on the new year, will be considered in advance.

Come on, then, friends, and subscribe for the INQUIRER; there is scarcely a man in the County but can afford to take a County paper at these low rates.

To all our old subscribers, who are indebted to us for over one year's subscription, we will settle off at the rate of $2.00 per annum, if paid until February Court. After that time $2.50 will be charged.

Dec. 4, 1857.

TO PERSONS RAISING CLUBS.

To any one raising us a Club of *five new subscribers*, cash in advance, $7.50, we will send one copy of our paper, one year, *gratis*. To any one raising us a club of *ten new subscribers*, cash in advance, $15, we will send one copy of our paper, two years gratis; and a proportionable length of time for larger clubs. Come on, friends, now is the time, these long winter evenings, and under our reduced terms, to raise us a large number of new subscribers. We advise all in want of a good paper, to subscribe for the BEDFORD INQUIRER.

We will furnish PETERSON'S MAGAZINE and the BEDFORD INQUIRER, both, one year, for $3.00 in advance.

The last *Gazette* has an article which contains as much "billingsgate," and bad grammar, as is seldom found in an article of the same length. It commences by charging that a "clique of blackguards *does* up the fishwoman slang that passes for *editorials*" which appear in our paper. It then goes on to charge, in its choicest "billingsgate" style, our late Senator with, we presume, at least, being one of the clique. The writer of that article pretends to be a lawyer, and professes to be on friendly terms, we believe, with all the members of the bar, and why he should take this opportunity to "billingsgate" one of them without a cause, his almost proverbial ill-nature and bad heart, (Somerset reputation,) will answer. As he never had a case, and has always been a *briefless pettifogger*, his *envy* causes him to try to blackguard a man who stands among the best in the County. We would also inform Mr. Briefless, that we do not have the most exalted ideas of our editorial abilities, but our articles are written by the person whose name stands at the head of this paper, and were we a little vain, we would think it high praise that our productions are considered of such ability that they are imputed to a number of persons.

The nomenclature of "nigger-organ" haunts the imagination of our cotemporary with all kinds of fantasies. The name, however, is an appropriate one, as it favors the introduction of negro slavery into all the territories of the Union, it stands to reason that it is the "nigger-organ," and ours, that opposes its introduction, and is in favor of free white labor there, is the white man's organ.

When the present proprietors of the *Gazette* took charge of that paper, last summer, as they were in a measure strangers here, we intended to treat them kindly, and in case we got into a controversy, we determined that they should commence it. It is well known that but a short time elapsed until our paper was stigmatised by them as the "*Black Republican organ*," the "*Abolition organ*," &c.—This we let pass unnoticed, until the attacks became so frequent, that forbearance ceased to be a virtue, and we hurled back their charges into their teeth. We would also now inform them, that it is not part of our nature to shrink from controversy, no matter who our opponent may be. We never were an Abolitionist or a Black Republican, and our party friends have as much cause for complaint at the nick-names they have applied to us, as they have of the very applicable term, "*nigger-organ*," which the *Gazette* has earned.

We doubt not that the articles to which it alludes, as unmistakably points to us, as the following choice specimen of "billingsgate" and bad grammar, points to that "Intellectual Beef-Heels," B. F. Meyers, of the Gazette:

"ABOLITION BILLINGSGATE.—The clique of black-guards who DOES up the fish-woman slang that passes for *editorials* (heaven save the mark!) in the muddy columns of the Abolition organ in this place SEEM to think that THEY make a very happy hit when THEY call the *Gazette* the '*nigger organ*.' We have no doubt the epithet is a very witty one for, *certes*, a 'buzzard feast' Senator would not say anything dull. We do not know, however, whether the Democracy of Bedford county will consider it either witty, or complimentary. They may, for aught we know, object to being called 'niggers.' They may even go so far as to say that the aforesaid epithet would apply with equal force to that party of fag-ends which HAS strained ITS utmost to curtail the privileges of the white man (the foreigner) and which ARE even now trying to enlarge those of the black. They will at least remember next Fall, when Abolition-Know Nothing candidates will be again sneaking around begging their votes, that the Abolitionists look upon the *Bedford Gazette* as the '*nigger organ*,' and per consequence, upon Democrats as '*niggers*.' Don't, *you* think so, *Buzzard*?"

In conclusion, we would merely remark, that we have a friend now teaching in this place, from whom it would be well for Mr. Meyers to take first lessons in Murray or Comly!

SPLENDID AMBROTYPE GALLERY.

Mr. Thomas R. Gettys, Jr., has just received from the city a large assortment of Ambrotype and Daguerreotype cases, and now takes splendid likenesses as low as 50 AND 75 CENTS! We would advise all who wish to have their likenesses taken to call on him, as he is *permanently* located in Bedford, and ought to be encouraged by our citizens. His pictures are not only correct, but *lasting*.—His rooms are in the Odd Fellows' building.

Dr. Anson Jones, ex-President of the late Republic of Texas, committed suicide on the 8th inst. He was a native of Philadelphia, and a graduate of the university of Pennsylvania. He went to Texas whilst it was yet a province of Mexico, and took an active part in the revolution, which resulted in its independence. He was engaged in the battle of San Jacinto, as captain of a company. He was subsequently Minister at Washington, from the young Republic, President of the Texan Senate, and by virtue of his office, became vice President and finally President of Texas, which position he held at the period of annexation to this country. He was but recently a candidate for the office of U. States Senator to fill the vacancy occasioned by the death of Gen. Rusk, who, it will be remembered, also committed suicide.

TRIBUNE ALMANAC FOR 1858.—This contains, in addition to the usual Almanac matter, its usual amount of valuable political statistics and information.

Price, with postage prepaid, single copies, 13 cents. American coin; thirteen copies for $1.13; one hundred copies for $8; or, if sent by express, thirteen copies for $1; one hundred copies for $7.

The Legislature is still busily engaged doing nothing, spending the people's money. One blessing, however, is, that if they are doing nothing for the interests of the people, they have as yet done little harm.

A NUISANCE.—The Town Clock—cost about $500—and don't go at all—besides the striking part has been out of order for a couple of months.

The weather still continues mild and pleasant, and appears more like spring than midwinter.

KANSAS.

The results of the election of January 4th, are not definitely known. The majority against the Lecompton Constitution is stated, in round numbers, at ten thousand. According to some accounts, the Free State men have carried the State officers, but lost the Legislature. In Leavenworth city, the majority for the Free State candidates was 1,100, and against the Lecompton Constitution, 1,350. Wyandotte county gives 185 Free State majority, and 373 majority against the Constitution. Kickapoo, Doniphan, Johnson, and Bourbon counties are said to have given 4,000 Democratic or Pro-Slavery majority.

Great excitement existed on account of the election frauds of the Democrats. Many arrests had been made. Surveyor General Calhoun was at Weston, Missouri, and was advised not to return to the Territory.

The Territorial Legislature commenced its regular session January 4. Governor Denver advises them not to legislate upon any subject, as their legislation will all be nullified by the admission of the State under the Lecompton Constitution. Our correspondent informs us, that the Legislature will call a new Convention to frame a new Constitution, and that the proceedings may be expected to be completed in about two months.

The result of the election of December 21st will not be declared by Calhoun until he declares the result of the election of January 4th. In both cases, he will announce just such such figures as suit his purposes.

In Johnson county, according to our private advices, a majority of 2,800 was returned for the "*Constitution with Slavery*." This is 1,200 stronger than the famous return of the October election. It is Senator Broderick's opinion, that these rascals should have their "*ears cut off*."

TRAGEDY IN MICHIGAN.—The Meadville (Pa.) *Journal* learns of an attempted murder and suicide, the parties being formerly Pennsylvanians, residents of Crawford county. The Journal says:

"Charles Southwick, formerly employed as a carriage trimmer here, conceived an attachment for a Miss Laura Evans, also a recent resident in this place. The lady did not reciprocate the feeling, and removed not long since with her father to Michigan. Thither, it seems, Southwick followed her, with some bad intent. He there renewed to her his solicitations, and was rejected. By some means he gained access to her bed room at night, and with a razor cut her throat. She escaped from the room to that of her father, gave the alarm, and on search being made, Southwick was found lying in her room, having attempted to commit suicide by cutting his own throat. At the latest accounts, both were alive, but lying in a very critical situation."

The Harrisburg Daily *Telegraph* is a capital paper.

MINNESOTA.—On Monday, the President sent to both branches of Congress, the Constitution of Minnesota, and it was referred to the Territorial Committees.

The Constitution sent here is that adopted and signed by the bolting and minority Convention, which never had a quorum to transact business. The Constitution is precisely the same as that adopted by the legitimate Convention, and, on this ground, the Republican members of Congress will probably feel able to sustain it. But it was undoubtedly for the purpose of embarassing them, that Gov. Medary sent on the Constitution emanating from a notoriously bogus convention. The object of the faction, of which Gov. Medary is the appointee and tool, is to keep Minnesota out of the Union, for the present, at least, it being understood that the Senators and Representatives, although Democrats, will co-operate with Judge Douglas in defeating the Lecompton swindle.—*Wash. Republic.*

OUTRAGEOUS.—It will be recollected that at the last session of Congress a bill was passed paying the members a salary of three thousand dollars a year, instead of $8 a day, as previously. It seems too that this law is retrospective, that is, it goes back; in other words, members but recently elected are paid from the fourth of March last. Many members who never served a day in Congress will receive some two thousand dollars. This is but little else than down right robbery. There is neither sense, honesty or justice in it. We wonder not that the *States*, a democratic paper published in Washington, is down upon the bill, and calls it a "Wall Street dodge."

A few days ago a bill passed both Houses, providing for the payment of this salary monthly.

POLITICAL MOVEMENTS.

It is stated, from Wisconsin, that in a caucus of Democratic members of the Legislature, resolutions were adopted sustaining the position of Judge Douglas upon the Kansas question.

The Ohio Legislature has passed resolutions expressing confidence in the administration; reaffirming the Cincinnatti platform; declaring the refusal of the Lecompton Convention to submit the Constitution to the people as unwise and unfortunate for the peace of Kansas; instructing the Senators of the State, and requesting Representatives, to vote against the Lecompton Constitution, or any other Constitution not a clear expression of the will of the people.

Resolutions of the same tenor have been offered in the Legislature of New Jersey.—*Wash. Republic.*

MAKE A BEGINNING.—Remember, that in all things, if you do not begin, you will never come to an end. The first weed pulled up in the garden, the first seed set in the ground, the first shilling put in the savings bank, and the first mile travelled in a journey, are all important things—they make a beginning, and hereby a hope, a promise, a pledge, an assurance that you are in earnest with what you have undertaken. How many a poor, idle, erring, hesitatig outcast is now creeping and crawling his way through the world, who might have held up his head and prospered, if, instead of putting off his resolutions of amendment and industry, he had only made a beginning.

THE DEAD RESTORED TO LIFE.—

A few years ago it was generally supposed that gray hair could not be restored to its original color, or made to grow on bald heads; but since the advent of Professor Wood's Hair Restorative, many persons who *dyed* years ago are now seen daily in the various walks of life, appearing in all the vigor of youth, wearing their own dark flowing locks, simply from having used this great Restorative.—*Louisville Times.*

AT an Orphans' Court, held at Bedford, in and for the County of Bedford, on the 16th day of November, A. D., 1857, before the Judges of the same Court—

The petition of John Mower and S. L. Russell, Administrators de bonis non. cum testamento annexo of William Lane, late of said County, dec'd, was read and filed, setting forth, that in pursuance of an order of this Court, they made sale of all the Real Estate of the said dec'd, so far as they then knew, and the money arising therefrom was applied to the payment of the debts of said dec'd, so far as the same were reached, that they have lately been informed that the said William Lane owned a body of unimproved wood land in Letterkenny Township, Franklin County, adjoining lands of Isaac Rosenberry, and others containing 2000 acres or thereabouts, that debts to a considerable amount, not less than $3,200, against the estate of said deceased yet remain unpaid, and praying the Court to make a decree authorizing them to raise, say $3,500, if possible, from the said Real Estate in Franklin County,

Whereupon, on motion of S. L. RUSSELL, Esq., the Court grant a Rule upon the heirs, and all parties interested, to be and appear at an Orphans' Court, to be holden at Bedford, on the 2d Monday, 8th day of February, next, and show cause, if any they have, why a decree should not be made by the Court, pursuant to the prayer of the petitioners.

L.S. IN TESTIMONY WHEREOF I have hereunto set my hand and the seal of our said Court at Bedford, the 19th day of November, A. D., 1857.
