our remarks upon David Hay voting for the Locofoco candidate for Speaker of the House, comes to the very logical as well as rational conclusion, that because "Messrs. Scull & Ogle did nothing towards advancing his election," that therefore "it is none of their business who he votes for for Speaker. Mr. Mitchell thinks "there is downright impudence displayed in this announcement." Mr. Mitchell inform us since when it became a tenet of Democracy that a member of the Legislature or of Congress only represents those who voted for him? We in our simplicity and ignorance have beretofore thought that a member of a representative body always was deemed to represent his entire constituency, not those alone who voted for him. And it it be impudent in us to remark upon our representatives' votes or official conduct, we would like to know how Mr. Mitchell justifies his former strictures upon the official conduct of Gov. Pollock, or of Col. Edie, or Mr. Jordan our former Senator, or any of our former representatives; he will surely 'not pretend that he voted for any of them. In fact the boot is on the other foot, and 'it is downright impudence in the editor of the Democrat, who has obtained so unenviable a notoriety for his abuse of not only the public but private character of many of our citizens, to attempt to take us task for our generics more lacob Evans, Londonderry, attempt to take us task for our remarks upon Daniel Cypher, Liberty, the public and official acts of our representa-tive. Mr. Mitchell no doubt thought he was Hugh Wertz, Harrison, very cunningly laying a bait for the personat friends of Mr. Hay in thus assuming to take us to task for our comments, but such humbug is too shallow to gull even the most unsophisticated. As to Mr. Hay "standing true to the party that elected him,"as the Democrat asserts, that is as sheer humbug as his former assertions. Mr. Mitchell knows as well as Mr. Hay himself does, that with simply the "Democratic" vote he could not have been elected. He induced Whigs, Americans, and Republicans to vote for him by the oft-repeated assertion that he was not a 'democrat,' and would not vote with that party, which assertion he even repeated after his destribution. If Mr. Her even refers as a supis election. If Mr. Hay ever offers as a candidate agam, we will prove these faise representations of his to the heart's content of Mr. Mitchell, and could do it now by a cloud of witnesses if necessary. As to bearing "intense haired" to Mr. Hay, the charge is untrue and unfounded. We have always been on terms of personal amity with him, but we will not make an exception in his favor, and permit any private feelings to over ride our duty to our party friends, or as the publishers of a faithful and reliable Journal. If Mr. Hay did make and afterwards violated these pledges, as we stand ready to prove, the public can put their own estimate upon him, without the intervention of Mr. Mitchell or ourselves."-Somerset Herald.

ANOTHER REBUKE .- In addition to the rebuke administered to President BUCHANAN, on his Kansas policy, contained in the inaugural of Gov. PACKER, the following resolutions were unanimously adopted at a large and enthusiastic meeting held on the 18th uit., by the Democracy of Westmoreland county-the Demoeratie "Star of the West," in Pennsylvania:-The Committee on Resolutions, by their chair-

man, William A. Stokes, Esq., reported the in mass meeting assembled, do unanimously resolve:

That the fundamental basis of American freedom is the right of the people, without distinction of locality, circumstance or result, to make the laws under which they live.

Court crier, Repairs of public buildings, This great right, assailed during the late Presidential contest, hy our opponents, was glori-ously vindicated by the election of the Demo-Commissioners, Wm. Whetstone, Commissioners, Wm. Commissioners, Wm. Whetstone, cratic candidates. This victory was supposed to insure to all und especially the citizens of "erritories of the United States, the free exercise of all rights b which to declare, establish and maintain suc institutions, policy, and measures as a majorit might deem best adapted to promote their pros perity, security and happiness: and this withou any dictation or restraint from any person o officers, or any unauthorized interference what ever. Such independent freedom of the popular wil can only be attained by a full exercise of th individual right of the elective franchise, and this, therefore, is the true test of the validity of Constitutional Government. Wherefore. Congress should admit no Stat into the Union, except with a constitution rati fied and adopted in all its parts by a majorit of all the citizens to be governed by such Con stitution, which majority should be real, no fletitions; fair,not fraudulent: direct,not implied and anything short of this, is a mockery, a de Insion, and a snare, infamous in act, and disas trous in consequence. To abandon the people of a Territory to po litical intrigue, unfair intrusion, or lawless vi olence, and thus defeat the true expression and absolute application of the right of self-govern ment, would be a violation of the honor and abandonment of the maxims of the Democratic party, and roust finally result in rupture of th bonds by which the party is held together, and consequent sacrifice of all that secures the free dom, greatness, and glory of our country.

OUR UNFORTUNATE PRESIDENT

It appears by letters from Washington that Mr. Buchanan has got himself into difficulty b his double-faced policy. Comodore Paulding it is said, has private instructions from the Pres ident, fully warranting his capture of Walker in the style in which it was done, and entirely refuting the declaration in the message that th Commodore transcended his instructions.

On the other hand it is announced that filli buster Walker, enraged at the President's de sertion, is on his way to his trial in New Or leans, holding in his pockets documentary proo that the President was an original advocate and counsellor of the late unsuccessful fillibuster ing iavasion of Nicaragua.

Thus there are two opposite and hostile par ties, each disgusted with the President's dupli city and half-faced followship, and each hold-ing a sword of Damoeles over the terror strick-en functionary of the White House. Truly, as Henry Clay said, it is belter to be right than be President. - N. Y. Post.

One of our prominent bankers says, "Five or six years since I found myself running down with a liver difficulty; resorting to your hyigorator, was greatly releved, and, continuing for a season, was entirely restored." A clergyman called at our office the other

day and said he had given a poor woman a bot-tle, who was suffering very badly from Liver Complaint, and before she had taken the whole

One of our city merchants said, while on a visit to Troy, a tew days since, he was attacked with bewel and stomach disorders, so as to confine him to his room, he sent to the drug store for a bottle of Invigorator, took one dose, which relieved him so that he was able to attend his

An acquaintance, whose business compels him to write most of the time, says, he became so weak as to be unable at times to hold his pen, while at others, sleep would overpower him, but the Invigorator cured him-

A gentleman from Brooklyn called on us a week or two since, looking but the shadow of a man, with a skin yellow, pale and deathlike.--He had been for a long time suffering from Jaundice and Dyspepsia, and unable to attend to his business. We saw him again to-day a changed man, and to use his expression, he has not seen the bottom of the first bottle, and fur-ther adds "it saved my life, for I was fast go-ing to a consumptive's grave."

Among the hundreds of Liver Remedies now Among the hundreds of lifer are none we can so offered to the public, there are none we can so fully recommend as Dr. Sanford's Invigorator, or Liver Remedy, so generally known now throughout the Union. This preparation is truthroughout the Union. This preparation is tru-ly a Liver Invigorator, producing the most happy results on all who use it. Almost innu-merable certificates have been given of the great virtue of this modeline by those of the highest standing in so ciety, and it is, without doubt, the best preparotion now before the public.
