For Producing Hair en Bald Heads, and Restoring Grey Hair to its Natural Color.

THIS ASTONISHING AND UNEQUALLED A preparation has never failed to produce a growth on Bald Heads, when used according to the direction, and turn hair back to its original color, after having become gray and reinstate it in all its original health, lustre, softness and heavily. Removes at once all scurf, dandruff and unpleasant tiching scroftial, eruntions and fewerish heat from itching scrofula, eruptions and feverish heat from the scalp. It also prevents the hair from becom-ing unhealthy and falling off and hence acts as a

HAIR INVIGORATOR AND TONIC.

A gentleman of Boston writes to his friend in New Bedford thus:

A compound has beet formed by dissolving gums and extract ig that part which is soluble for the active virtues of the medicine. These guns remove all morbid or but matter from the system, supplying in their place a heal hy flow of bile, invigorating the stomach causing food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the gauges of the disease, and effecting a radical cure without any of the disagreeable after effects, felt by using Calometor Mineral poison, that are usually resorted to.

To all who will follow these directions a cure is positively guaranteed. Sigk Headacuse can becured by the use of two tea-spoonsful taken as soon as the attack is felt.

The Invigorator never fails to cure sour stomach or the bat-effects exparienced after enting.

Billious attacks yield readily to one bottle, and Chronic Diarrhea, difficult as it is to cure, is never troublesome to those who take the Invigorator.

For Dyspepsia or Jaundice, nothing in the konwn worll act so fully or cures so quickly as the Invigorator. It removes all yellowness and unnatural color from the skin.

For Night Mare, take a dose before retiring, and it is warranted a sure preventative.

For Female Obstructions it is a safe and sure remody, as it removes the cause of the disease.

Costiveness cannot exist where the Invigorator is Carbiners, Maine, June, 22, 1855.

Dear Sir: I have used two bottles of Professir Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the hair. Before using it, I was a man of seventy. My hair has now attained its original color. You can recommend it to the world without the least fear, as my case was one of the worst kind.

Yours, respectfully,
Prof. O. J. Wood.

DEAR SIR:—Having made a trial of your II in Restorative, it gives me pleasure to say that its effect has been excellent in removing inflammation dandruff, and a constant itching tendency with which I have been troubled from childhood; and has also restored my hair which was teconingray, to its original color. I have used no other article with anythinglike the pleasure and profit.

Yours, trily, J. K. BRAGG.
