DR. SANFORD'S INHORITOR.

OR LIVER REMEDY THIS IS ONE OF THE GREATEST SCIEN-tific medical discoveries ever made, and is dai-ly working cures almost too great to believe. It cures as if by magic, even the first dose giving bene-fit and seldom more than one bottle is required to cure any kind of Liver Complaint, from the worst Jamdice or Dysensis to a groupon bond acke Jaundice or Dyspepsia to a common head ache, all of which are the result of a Diseased Liver.

The liver is on s of the principal regulators of the human body, and when it performs its functions well, the powers of the system are fully developed. The stomach is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions. When the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of system suffers in consequence of one organ—the Liver—having ceased to do its duty. For the diseases of that organ, one of the proprietors has made it his study, in a practice of more than twenty years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with Liver Complaint in any of its forms, has but to try a bottle, and conviction is

A compound has beer formed by dissolving gums and extracting that part which is soluble for the active virtues of the medicine. These gums remove all morbid or bud-matter from the system, supplying in their place a heal by flow of bile, inpurifying the stomach causing food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the causes of the disease, and effecting a radical cure without any of the disagreeable after effects, felt by using Calomel or Mineral poison, that are usually resorted to.

To all who will follow these directions a cure is positively guaranteed. Sick Headache can be cured by the use of two tea-spoonsful taken as soon as the attack is felt.

Gardiner, Maine, June, 22, 1855.

Dear Sir: Have used two bottler of Professir Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the hair. Before using it, I was a man of seventy. My hair has now attained its original color. The Lavigorator is such a medicine; it has will care all diseases of the Liver, no matter o. how long standing, or what may be their form. The active medicinal virtues extracted from the gums used is such as to be astonishing to all who see their effects, for none can use the medicine without feeting benefit. It acts as a gentle Cathartic, and should always be taken in sufficient quantities take it is to take the mode. feceiving benefit. It acts as a gentle Cathartic,
on and should always be taken in sufficient quantities
to operate on the lowels gently. The best way to
take it is to take the medicine in the arouth, then
trake some water and swallow both together. In his way the medicine will scarcely be tasted.

For Producing Hair on Bald Heads. and Restoring Grey Hair to its Natural Color.

THIS ASTONISHING AND UNEQUALLED preparation has never failed to produce a growth on Baid Heads, when used according to the direction, and turn hair back to its original color, after having occome gray and reinstate it in all its original health, lustre, softness and beauty. Removes at once all scurt, dandruff and unpleasant tiching scrofula, eruptions and feverish heat from the scalp. It also prevents the hair from becoming unhealthy and falling off and hence acts as a perfect

HAIR INVIGORATOR AND TONIC.

A gentleman of Boston writes to his friend in New Bedford thus:

To your inquiries, I would reply, that when I first commenced using Professor Wood's Hair Restorative, my hair was almost white, and had been so for the last ten years and it was very thin on the top of my head, and very loose, and pulled out freely; but I found that before I had used all the second bottle, (which was eight weeks) my hair was entirely changed to its original color, light brown, and is now free from dandruff and quite moist. I have had my hair cut five or six times since the change, and have never seen any thing like white hair starting from the rocts; and it is now as thick as it ever was, and does not come It is now as thick as it ever was, and does not come out at all. It has proved in my case all that I could wish to ask.

July 1, 1855.

Yours, etc.—

Soon as the attack is felt.

The Invigorator never fails to cure sour stomach or the bardeffects experienced after eating.

Billious attacks yield readily to one bottle, and Chronic Diarrhosa, difficult as it is to care, is never troublesome to those who take the Invigorator.

For Dyspepsia or Jaundice, nothing in the konwn world act so fully or cures so quickly as the Invigorator. It removes all yellowness and unnatural color from the skin.

For Night Marc, take a dose before retiring, and it is warranted a suice preventative.

Beookfield, Massachusetts, Jan. 12, 1855.

Dear Sin i—Having made a trial of your Hair Restorative, it gives me pleasure to say that its effect has been excellent in removing inflammation dandruff, and a constant itching tendency with which I have been troubled from childhood; and has also restored my hair which was becomingray, to its original color. I have used no other article with anythinglike—the pleasure and profit. Yours, truly, J. K. BRAGG.

WOOD'S HAIR DYE.— This admirable stricks rapidly improving the hair. No article of a similar kind, now before the public, enjoys a better reputation as a restorative and ineigorating hair tonic. Its peculiar chemical qualities have a beneficial effect upon the growth and character of the which wa formerly of a coarse and dry nature.—

It has, also, we understand, a tendency to preserve the youthful color and appearance of the hair, and destroying or counteracting the effects of age. With such recommendations in its favor, we had be without so valuable an adjunct to their toilet.
