A gentleman of Boston writes to his friend in New Bedford thus: To your inquiries, I would reply, that when I first commenced using Professor Wood's Hair Re-storative, my hair was almost white, and had been so for the last ten years and it was very thin on the top of my head, and very loose, and pulled out freely; but I found that before I had used all the second bottle, (which was eight weeks) my hair was entirely changed to its originsi color, light brown, and is now free from dandnaff and quite moist. I have had my hair ent five or six times since the charge, and have never seen any thing like white hair starting from the roots; and it is now as thick as it ever was, and does not come out at all. It has proved in my case all that I could wish to ask. July 1, 1855.

SOMETHING WORTH KNOWING.-By using Profes-sor Wood's Hair Restorative, gray hair can be permanently restored to its original color. The subjoined certificate from Johnson & Stone, Garvigorator. It removes all yeldowness and unnaturatio color from the skin.
For Night Mare, take a dose before retiring, and it is warranted a stue preventative.
For Female Obstructions it is a sife and sure remody, as it removes the cause of the disease.

GARDINER, Maine, June, 22, 1855. DEAR SIR: I have used two bottles of Professor Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the hair. Before using it, I was a man of sweary. My hair has now attained its original color. Yoh can recommend it to the world with-out the least fear, as my case was one of the worst kind. BROOKFIELD, Massachusetts, Jan. 12, 1855, BROOKFIELD, MASSachuselts, Jan. 12, 1855. DEAR SIR:-Having made a trial of your Hair Restorative, it gives me pleasure to say that its effect has been excellent in removing inflammation dandruff, and a constant itching tendency with which I have been troubled from childhood; and active meeton. used is such as to be astonishing to their effects, for none can use the medicine without feceiving benefit. It acts as a gentle Cathartic, and should always be taken in sufficient quantities to op, rate on the bowels genfly. The best way to take it is to take the wedicine in the wouth, then ratek some water and swallow both together.
