THE LIVER

PREPARED BY DR. SUICARATOR, TS ONE OF THE BEST PURGATIVE AND LIVER MEDICINES now before the public, that acts as a Cathartic, ensier, milder, and more effectual than any other med'cine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Catharties. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal tegulators of the human body, and when it performs its functions well the powers of the system are fally developed. The stomach is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions. When the stomach is at ault, the bowels are at fault, and the whole system suffers in consequence of one organ—the Liver—barrian General to do its days. For the disease of
